TOWN MEETING WARRANTS, MINUTES AND ELECTION RESULTS

SPECIAL TOWN MEETING WARRANT

April 7, 2001

To any of the constables of the Town of Plymouth, Commonwealth of Massachusetts:
GREETINGS:

In the name of the Commonwealth, you are directed to notify and warn the Inhabitants of Plymouth, qualified to consider and vote on articles at a Special Town Meeting, to meet at the Plymouth North High School on Saturday, the Seventh Day of April, 2001, at 8:00 AM, to act on the following articles to wit:

ARTICLE 1: To see if the Town will vote to amend the Classification and Compensation Plans and the Personnel Bylaw, or take any other action relative thereto.

PERSONNEL BOARD

ARTICLE 2: To see if the Town will vote to raise and appropriate or transfer a sum of money to be added to funds already appropriated under Article 7 of the 2000 Annual Town Meeting for the purpose of supplementing departmental expenses, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 3: To see if the Town will vote to rescind the following unused borrowing authority:

AMOUNT	PURPOSE	AUTHORIZATION
\$ 740.00	School Information Technology	Article 9, 1998 ATM
\$ 372.00	South & Manomet School Renovations	Article 9, 1997 ATM
\$ 300,000.00	School Administration Bldg. Purchase	Article 9, 1994 ATM
\$ 412.00	South Middle School Construction	Article 9, 1996 ATM
\$ 810,000.00	Russell Mills Land Purchase	Article 12, 11/99 STM

or take any other action relative thereto

DEPARTMENT OF FINANCE

ARTICLE 4: To see if the Town will vote to establish a Solid Waste Division account as an enterprise fund in accordance with the provisions of G.L. c.44, §53F 1/2, or take any other action relative thereto.

DEPARTMENT OF FINANCE

ARTICLE 5: To see if the Town will vote to transfer a sum of money from FY1998 Overlay Surplus to the FY2000 Overlay Reserve for Abatements and Exemptions, or take any other action relative thereto.
BOARD OF SELECTMEN

ARTICLE 6: To see if the Town will transfer from Airport Enterprise Free Cash the available balance to be reserved for future capital items, or take any other action relative thereto.
BOARD OF SELECTMEN

ARTICLE 7: To see if the Town will transfer from Sewer Enterprise Free Cash the available balance to be reserved for future capital items, or take any other action relative thereto.
BOARD OF SELECTMEN

ARTICLE 8: To see if the Town will transfer from Water Enterprise Free Cash the available balance to be reserved for future capital items, or take any other action relative thereto.
BOARD OF SELECTMEN

ARTICLE 9: To see if the Town will vote to transfer a sum of money from Airport Enterprise Free Cash to the Airport Enterprise Account, Aviation Fuel & Oil account for FY2001, or take any other action relative thereto.

ARTICLE 10: To see if the Town will vote to appropriate a sum of money to supplement the appropriation voted under Article 2 of the April 5, 1997 Special Town Meeting for acquiring land and construction of wastewater treatment and disposal facilities, to determine whether this appropriation shall be raised by borrowing or otherwise, or to take any other action relative thereto.
BOARD OF SELECTMEN

ARTICLE 11: To see if the Town will authorize the Board of Selectmen to assess one hundred percent of the cost to the Town of the North Plymouth Industrial Park Sewer Extension Project and one hundred percent of the incremental cost to the Town to increase wastewater treatment plant flow from 1.75 million gallons per day to 3.00 million gallons per day, plus one hundred percent of the planning, engineering, legal and borrowing costs relating to these projects, (and to charge interest on apportionments of such privilege fees at a rate equal to two percent above the rate of interest charged to the Town for these projects,) upon those who benefit from the project, such assessments to be made by the permanent privilege fee method under G.L. c.83, §17, or take any other action relative thereto.
BOARD OF SELECTMEN

ARTICLE 12: To see if the Town will vote to amend the Zoning Bylaw in order to establish a Master Planned Community Overlay District (MPCOD) for large tracts of land within the Town, or to take any other action relative thereto.
PLANNING BOARD

ARTICLE 13: To see if the Town will vote to amend the Town's Zoning By-Laws to establish a Master Planned Community Overlay District (MPCOD) for large tracts of land within the Town to achieve the goals and objectives attached hereto.

Goals and Objectives

- To promote long term master planning of large areas within the Town in an open cooperative process of mutual benefit.
- To encourage preservation and use of open space.
- To protect existing agricultural uses.
- To preserve unique natural topography and provide meaningful open space.
- To ensure appropriate high quality design and site planning and a high level of environmental amenity.
- To improve the community's fiscal status through a diversity of uses.
- To provide flexibility in land planning to allow for unanticipated future uses.
- To establish a method to promote long term, phased development.
- To ensure protection of water quality within the district and surrounding areas.
- To allow flexibility and creativity in the design of development through architectural and development guidelines and a carefully controlled special permit and development review process.
- To establish significant buffers between the higher intensity commercial/industrial and retail uses and existing residential areas.
- To provide incentive for location of desirable commercial and retail development.
- To enhance the built environment, conserving biodiversity and complementing the area's cultural heritage.
- To preserve natural open scenic corridors for future generations.
- To create sustainable economic development opportunities not only for the land within the overlay district but for the entire Town.
- To minimize sprawl.

or to take any other action relative thereto.

BY PETITION: DONALD P. QUINN, ET AL

ARTICLE 14: To see if the Town will vote to accept by gift or purchase on such terms and conditions as the Board of Selectmen may agree, property of the Massachusetts Bay Transportation Authority, known as the former Old Colony Railroad Right of Way, running from Hedge Road to Lothrop Street, or to take any other action relative thereto.

DEPARTMENT OF PLANNING AND DEVELOPMENT

And you are hereby required to serve this warrant in the manner prescribed by vote of the Town by posting notice thereof fourteen days at least before such meeting in the Town Office Building and make return thereof with your doings thereon at the time and place above mentioned.

Given under our hands this the ____Day of February, 2001.

[See further action below.]

ARTICLE 2: Mr. Ricardi moved that the Town vote to transfer the sum of \$406,840 for the purpose of supplementing departmental budgets as follows:

Uses	Amount	Sources	Amount
Long-Term Debt - Interest	<u>222,840.00</u> 222,840.00	Short-Term Debt - Interest	<u>222,840.00</u> 222,840.00
Police - Gas & Oil	38,000.00	Town Manager - Salary & Wages	10,000.00
Police - Utilities	19,000.00	Data Processing - Salaries & Wages	7,500.00
		Economic Development - Salary & Wages	9,000.00
		Short-Term Debt - Interest	<u>30,500.00</u>
	<u>57,000.00</u>		57,000.00

DPW Water - Overtime	<u>25,000.00</u>	DPW Water - Water Meters & Services	<u>25,000.00</u>
	25,000.00		25,000.00
DPW Maintenance - Gas & Oil	31,000.00	1998 Overlay Surplus	63,000.00
DPW Maintenance - Utilities	<u>52,000.00</u>	Short-Term Debt - Interest	<u>20,000.00</u>
	83,000.00		83,000.00
Fire – Gas & Oil	9,500.00	1999 Overlay Surplus	5,000.00
Fire – Utilities	9,500.00	Economic Development - Salary & Wages	14,000.00
	<u>19,000.00</u>		<u>19,000.00</u>

Mr. George Parker moved that questions from Town Meeting Members to Town Officials shall not come under the five minute rule. Town officials shall include but not be limited to Department Heads, Elected Officials, or Boards, Commissions, or Committees, the Chairman of the Finance Committee, or the person or persons they designate.

The motion PASSED with 67 in favor and 25 in opposition.

The Moderator called a recess at 10:01 A.M.

The Moderator returned the meeting to order at 10:16 A.M.

On Article 2, the motion PASSED unanimously.

ARTICLE 3: Mr. Ricardi moved that the Town vote to rescind unused borrowing authority as follows:

AMOUNT	PURPOSE	AUTHORIZATION
\$ 740.00	School Information Technology	Article 9, 1998 ATM
\$ 372.00	South & Manomet School Renovations	Article 9, 1997 ATM
\$ 300,000.00	School Administration Bldg. Purchase	Article 9, 1994 ATM
\$ 412.00	South Middle School Construction	Article 9, 1996 ATM
\$ 810,000.00	Russell Mills Land Purchase	Article 12, 11/99 STM

The motion PASSED.

ARTICLE 4: Mr. Ricardi moved that the Town vote to establish a Solid Waste Division account as an enterprise fund in accordance with the provisions of G.L. c.44, §53F1/2.

Mr. George Parker moved to postpone Article 4 to Monday, April 9 at 7:30 P.M.

The motion FAILED.

Mr. Gomes moved the previous question. The motion PASSED.

On the main motion the motion PASSED on a roll call vote with 78 in favor and 18 in opposition.

ARTICLE 5: Mr. Ricardi moved that the Town vote to transfer from the Overlay Surplus the sum of \$200,000 to the FY2000 Overlay Reserve for Abatements and Exemptions.

The motion PASSED unanimously.

ARTICLE 6: Mr. Ricardi moved that the Town vote to transfer from Airport Enterprise Free Cash the sum of \$19,596 to a Capital Reserve Account for future capital projects at the Airport Division.

The motion PASSED unanimously.

ARTICLE 7: Mr. Ricardi moved that the Town vote to transfer from Sewer Enterprise Free Cash the sum of \$156,788 to a Capital Reserve Account for future capital projects at the Sewer Division.

The motion PASSED unanimously.

ARTICLE 8: Mr. Ricardi moved that the Town vote to transfer from Water Enterprise Free Cash the sum of \$151,380 to a Capital Reserve Account for future capital projects at the Water Division; and further, that the town vote to transfer from Water Enterprise Free Cash \$65,000 for the purpose of supplementing the Electricity/Utilities Account for the Water Division.

The motion PASSED unanimously.

ARTICLE 9: Mr. Ricardi moved that the Town vote to transfer from Airport Enterprise Free Cash the sum of \$45,000 for the purpose of supplementing the Aviation Fuel & Oil for the Airport Division.

The motion PASSED unanimously.

ARTICLE 10: Mr. Ricardi moved that the Town vote to appropriate the sum of \$2,770,000, in addition to the \$36,500,000 previously appropriated under Article 2 of the warrant for the April 5, 1999 special town meeting and the \$5,400,000 previously appropriated under Article 1 of the warrant for the June 7, 1999 special town meeting, for acquiring land for and construction of wastewater treatment and disposal facilities, including without limitation all costs thereof as defined in Section 1 of Chapter 29C of the General Laws; that to meet this appropriation the

Treasurer with the approval of the Board of Selectmen is authorized to borrow \$2,770,000 and issue bonds or notes therefor under Chapter 44 of the General Laws and/or Chapter 29C of the General Laws; that the Treasurer with the approval of the Board of Selectmen is authorized to borrow all or a portion of such amount from the Massachusetts Water Pollution Abatement Trust established pursuant to Chapter 29C and in connection therewith to enter into a loan agreement and/or security agreement with the Trust and otherwise to contract with the Trust and the Department of Environmental Protection with respect to such loan and for any federal or state aid available for the project or for the financing thereof; and that the Board of Selectmen is authorized to enter into a project regulatory agreement with the Department of Environmental Protection, to expend all funds available for the project and to take any other action necessary to carry out the project.

Mr Motta moved the previous question. The motion PASSED.

On the main motion, the motion PASSED on a roll call with 96 voting in favor and 1 in opposition.

ARTICLE 11: Mr. Ricardi moved that the Town vote to assess one hundred percent of the cost to the Town of the North Plymouth Industrial Park Sewer Extension Project and one hundred percent of the incremental cost to the Town to increase wastewater treatment plant flow from 1.75 million gallons per day to 3.00 million gallons per day, plus one hundred percent of the planning, engineering, legal and borrowing costs relating to these projects, (and to charge interest on apportionments of such privilege fees at a rate equal to two percent above the rate of interest charged to the Town for these projects,) upon those who benefit from the project, such assessments to be made by the permanent privilege fee method under G.L. c.83, §17

Ms. McCarthy moved the previous question. The motion PASSED.

On the article, the motion PASSED.

ARTICLE 12: There was no motion. Town Meeting took no action.

ARTICLE 13: There was no motion. Town Meeting took no action.

ARTICLE 14: Mr. Ricardi moved that the Town vote to accept by purchase for \$1.00 on such terms and conditions as the Board of Selectmen may agree, property of the Massachusetts Bay Transportation Authority, known as the former Old Colony Railroad Right of Way, running from Hedge Road to Lothrop Street for construction of a bicycle/walking trail.

The motion PASSED.

ARTICLE 1: Town Meeting returned to a discussion of Article 1.

The Moderator called a luncheon recess at 12:15 P.M.
The Moderator returned the meeting to order at 1:15 P.M.

Mr. McKenzie moved the previous question. The motion PASSED.

On the motion, the motion PASSED on a standing vote of 55 in favor, 27 in opposition, and 8 abstaining.

Mr. Ricardi moved to dissolve the Special Town Meeting. The motion PASSED at 1:28 P.M.

2001 ANNUAL TOWN MEETING

2001 ANNUAL TOWN MEETING

April 7, 2001

The Moderator, F. Steven Triffletti, opened the meeting at 8:00 A.M., on Saturday, 7 April 2001 at Plymouth North High School. Brownie Troop 1118 presented the colors and led the pledge of allegiance. A Select Choir from the Plymouth High Schools sang the National Anthem. The Reverend Robert Stott of Zion Lutheran Church offered the invocation.

Town Clerk, Laurence R. Pizer, read the list of deceased town workers and committee members.

Town Clerk, Laurence Pizer, advised that there was a quorum of at least 70 elected Town Meeting, and the Town Meeting was called to order at 8:12 A.M.

Following Jeffrey Metcalfe's resignation as Assistant Moderator, the Moderator appointed Adele Manfredi Assistant Town Moderator. She was sworn in by the Town Clerk.

Senator Murray spoke on the State of the State
Representative O'Brien spoke on the State of the State
Representative deMacedo spoke on the State of the State
Mr. Tavares spoke on the State of the Town.
Mr. Sorenson spoke on the State of the Schools
Mr. Tripp spoke on the State of Planning.

Mr. Ricardi moved that adjourned sessions of this Town Meeting be held on April 9, 10, and 11, 2001 at 7:30 p.m. at Plymouth North High School.

Mr. Ricardi moved to adjourn the Annual Town Meeting at 9:43 A. M. until the adjournment of the Special Town Meeting. The motion PASSED.

The Moderator called the Annual Town Meeting to order at 1:29 P.M.

Mr. George Parker moved that answers to questions from Town Meeting Members to Town Officials shall not come under the five minute rule. Town officials shall include but not be limited to Department Heads, Elected Officials, or Boards, Commissions, or Committees, the Chairman of the Finance Committee, or the person or persons they designate.

The motion PASSED on a standing vote of 72 in favor and 10 in opposition.

ARTICLE 2: Mr. Ricardi moved that the Town receive the reports of the various Town Boards and Officers and Committees, and place them on file at the Town Clerk's Office.

The motion PASSED.

ARTICLE 3: Mr. Ricardi moved that the Town vote to continue the following revolving funds for Fiscal 2002 as established under Article 19 of the April 6, 1991 Special Town Meeting:

- a) The Manomet Village Parking Revenue Revolving Fund
 - b) The Cedarville Village Parking Revenue Revolving Fund
 - c) The West Plymouth Village Parking Revenue Revolving Fund
 - d) The North Plymouth Village Parking Revenue Revolving Fund
 - e) The Plymouth Center Village Parking Revenue Revolving Fund
- 1) These five funds shall be for the programs and purposes identified in Section 305.12 of the Plymouth Zoning By-law. Said departmental receipts shall be deposited to the appropriate revolving fund relative to the Village Center for which the funds have been collected.
 - 2) The Board of Selectmen shall be empowered with the authorization to make expenditures from the funds so established.
 - 3) The limit of expenditures authorized for Fiscal Year 2002 shall not exceed \$1.00 from the Plymouth Center Village Parking, Manomet, Cedarville, West Plymouth, and North Plymouth Village Parking Revenue Revolving Fund so established.

and further,

Mr. Ricardi moved that the Town vote to continue the Recreation Revenue Revolving Fund for Fiscal 2002, as established under Article 3 of the April 4, 1992 Annual Town Meeting.

- 1) This fund shall be for recreational programs and purposes for Plymouth residents and their children.
- 2) The departmental receipts credited to this fund shall be those identified as relating to recreational programs.
- 3) The Recreation Director shall be empowered with the authorization to make expenditures from the fund.
- 4) The limit of expenditure authorized for Fiscal Year 2002 shall not exceed \$125,000.

and further,

Mr. Ricardi moved that the Town vote to continue the Cable Services Revenue Revolving Fund for Fiscal Year 2002, as established under Article 3 of the April 3, 1993 Annual Town Meeting.

- 1) This fund shall be for cable-related programs and purposes for Plymouth residents.
- 2) The departmental receipts credited to this fund shall be those identified as arising from cable-related franchise fees.
- 3) The Town Manager shall be empowered with the authorization to make expenditures from the fund.
- 4) The limit of expenditure authorized for Fiscal 2002 shall not exceed \$1.00.

and further,

Mr. Ricardi moved that the Town vote to continue the Vocational/Technical Studies Program Revolving Fund for Fiscal 2002 as established under Article 2 of the 1994 Annual Town Meeting.

- 1) This fund shall be for Vocational/Technical Studies programs and purposes related to
 - a) Automotive
 - b) CAD/CAM
 - c) Carpentry
 - d) Child Care
 - e) Computer Science
 - f) Cosmetology
 - g) Culinary Arts
 - h) Distributive Education
 - i) Electrical
 - j) Electronics
 - k) Graphic Arts
 - l) Metals/Welding
 - m) Plumbing
 - n) Marine Technology
 - o) Tourism
- 2) The Plymouth School Committee and/or the Superintendent of Schools shall be empowered to make expenditures from said fund.
- 3) The departmental receipts credited to this fund shall be those identified as arising from the Vocational/Educational Studies Programs enumerated above.
- 4) The limit of expenditures for Fiscal 2002 shall not exceed \$400,000.

and further,

Mr. Ricardi moved that the Town vote to continue the Plymouth Beach Revolving Fund for Fiscal 2002 as established under Article 2 of the 1995 Annual Town Meeting.

- 1) This fund shall be for repair and maintenance of Plymouth Beach.
- 2) The departmental receipts credited to this fund shall be those identified as all non-resident parking receipts at Plymouth Beach, in addition to fifty percent (50%) of Plymouth Long Beach 4x4 sticker fees.
- 3) The Town Manager shall be empowered with the authorization to make expenditures from the fund.
- 4) The limit of expenditure authorized for Fiscal Year 2002 shall not exceed \$75,000.00.

and further,

Mr. Ricardi moved that the Town vote to continue the Cemetery Repair and Beautification Revolving Fund for Fiscal 2002 as established under Article 2 of the 1995 Annual Town Meeting.

- 1) This fund shall be for repair and beautification of cemetery properties in Plymouth.
- 2) The departmental receipts credited to this fund shall be those identified as those arising from foundation revenue.
- 3) The Director of Public Works shall be empowered with the authorization to make expenditures from the fund.
- 4) The limit of expenditure authorized for Fiscal Year 2002 shall not exceed \$5,000.00.

Mr. Ricardi moved that the Town vote to continue the Animal Adoption Revolving Fund for Fiscal 2002 as established under Article 1 of the April, 1999 Special Town Meeting.

- 1) This fund shall be for an animal adoption program.
- 2) The departmental receipts credited to this fund shall be those identified as those arising from deposits/spaying/neutering.
- 3) The Police Department shall be empowered with the authorization to make expenditures from the fund.

- 4) The limit of expenditure authorized for Fiscal Year 2002 shall not exceed \$10,000.00.

For the vocational fund, the motion PASSED unanimously.

For the remaining revolving funds, the motion PASSED unanimously.

ARTICLE 4: Mr. Ricardi moved that the Town vote to

continue: the Cedarville Steering Committee,
130 Court Street Committee,

each for a three year period, to be reviewed at the 2004 Annual Town Meeting;

and further,

continue: the Town Hall Building Committee and the Permanent School Building Committee, each until completion of previously authorized projects, with review no later than the 2002 Annual Town Meeting.

The motion PASSED.

ARTICLE 5: Mr. Ricardi moved that the Town vote to amend the Classification and Compensation Plans and the Personnel By-law and Collective Bargaining Agreements contained therein in accordance with memorandums as follows:

- A. *Amend the Classification and Compensation Plans for Schedule D and Non-union personnel in accordance with the memorandum dated February 1, 2001 from M. Patricia Flynn, Director of Human Resources, and entitled, "Article V Annual Town Meeting April 7, 2001". - HUMAN RESOURCES*

Mr. Ricardi moved that the Town vote to appropriate the sum of \$1,300,000 for Phase I of the Town's Infrastructure management plan consisting of the design, repair, replacement and construction of roads, sidewalks, bridges, dams and

culverts; that to meet this appropriation the Treasurer with the approval of the Board of Selectmen is authorized to borrow \$1,300,000 under Chapter 44 of the General Laws or any other enabling authority; and that the Board of Selectmen is authorized to take any other action necessary to carry out this project.

The motion PASSED unanimously.

ARTICLE 10: Mr. Ricardi moved that the Town vote to raise and appropriate the sum of \$10,000 to the Town's Unemployment Compensation Fund, said funds to be expended under the supervision of the Town Manager.

The motion PASSED unanimously.

ARTICLE 11: Mr. Ricardi moved that the Town vote to raise and appropriate the sum of \$20,000 to fund a household hazardous waste collection day or other activity, said funds to be expended under the supervision of the Town Manager.

The motion PASSED unanimously.

ARTICLE 12: Mr. Ricardi moved that the Town vote to accept Massachusetts General Laws Chapter 59, Section 5K "Property tax liability reduced in exchange for volunteer services; persons over age 60".

The motion PASSED.

ARTICLE 13: Mr. Ricardi moved that the Town vote to accept the sum of money to be received from the State, as the state's share of the cost of work under Chapter 90, Section 34 (2a) of the Massachusetts General Laws, said funds to be expended under the supervision of the Town Manager.

The motion PASSED unanimously.

ARTICLE 14: Mr. Ricardi moved that the Town vote to transfer the sum of \$751,114 from Free Cash, transfer the sum of and appropriate the sum of \$789,385 from cumulative exempt debt roll-off to the Stabilization Fund, as authorized by the provisions of Section 5B of Chapter 40 of the Massachusetts General Laws, as amended.

The motion PASSED on a roll call with 94 voting in favor and 2 in opposition.

ARTICLE 15: Mr. Ricardi moved that the Town authorize the Airport Commission to enter into land leases not to exceed 40 years in duration in accordance with Section 51F of Chapter 90 of the Massachusetts General Laws, as amended.

Mr. Howe moved the previous question. The motion PASSED.

On the motion, the motion PASSED.

ARTICLE 16: Mr. Ricardi moved that the Town transfer from the Airport Commission for airport purposes to the Airport Commission for the purpose of conveyance and authorize the Airport Commission to convey such portion of the parcels of land identified on Town Assessors Map 97 as Lot 11, being described in the instrument recorded with the Plymouth Registry of Deeds in Book 3971, Page 382 and shown on the plan filed with said Deeds in Plan Book 17, Page 920, and Lot 17, being described in the instrument recorded with said Deeds in Book 4907, Page 283 and being shown on the plan filed with said Deeds in Plan Book 21, Plan 1101, as the Airport Commission determines is no longer needed for airport purposes and as approved by the Federal Aviation Administration, totaling approximately 7.6 acres, and that the consideration for such conveyance shall be the conveyance to the Airport Commission of a parcel of land shown on Town Assessors Map 97 as Lot 15, or such other parcel of land of equivalent size and value, and on such terms and conditions, as determined appropriate by the Airport Commission to consolidate the airport property line.

The motion PASSED unanimously.

ARTICLE 17: There was no motion. Town Meeting took no action.

ARTICLE 18: Mr. Ricardi moved that the Town vote to transfer a sum of money \$30,000 from free cash and \$14,000 from FY 99 Overlay Surplus for appraisals of property to be acquired by gift or purchase, and for layout and construction associated with a sidewalk on the Cedarville portion of Long Pond Road.

The motion PASSED unanimously.

ARTICLE 19: Mr. Ricardi moved that the Town vote to amend Zoning Bylaw, Map #1 (Plymouth Quadrant) in accordance with the "FINAL REPORT AND RECOMMENDATIONS OF THE PLANNING BOARD ON THE PROPOSED AMENDMENT TO THE ZONING BYLAW", as it relates to lots located off Commerce Way to change from Light Industrial to Mixed Commerce".

2001 Annual Town Meeting

Article 19

FINAL REPORT AND RECOMMENDATION OF THE PLANNING BOARD

ON THE PROPOSED AMENDMENT TO THE ZONING BYLAW, AS IT
RELATES TO LOTS LOCATED ON COMMERCE WAY TO CHANGE FROM
LIGHT INDUSTRIAL TO MIXED COMMERCE

DATE OF PUBLICATION OF PUBLIC HEARING:

DECEMBER 21, 2000

DECEMBER 28, 2000

DATE OF PUBLIC HEARING:

JANUARY 8, 2001

JANUARY 29, 2001

VOTE:

On January 29, 2001, the Planning Board voted unanimously (4-0) to recommend approval of the following amendment by Town Meeting.

PROPOSED AMENDMENT:

To amend Zoning Map #1 (Plymouth Quadrant) as it relates to land located off Commerce Way, shown on Plymouth Assessors' Map 103, 104 and 105, including ways shown as Gemini Circle and McNair Way, from Light Industrial to Mixed Commerce, as shown on a plan on record with the Town Clerk.

NEED & JUSTIFICATION:

With construction currently underway for the new Route 44, portions of the Light Industrial zone will soon have significantly improved access and visibility. There has been interest identified for uses more commercial in nature than those provided for in the Light Industrial category. There is a need to designate additional land for Mixed Commerce (MC) in proximity to the new Commerce Way interchange off Route 44.

EFFECT:

The effect of this amendment would be to rezone approximately 210 acres of land off Commerce Way from Light Industrial (LI) to Mixed Commerce (MC). This undeveloped property currently contains several industrial sites and two unconstructed ways, shown as McNair Way and Gemini Circle. It is anticipated that these sites will be consolidated so as to allow for a master planned approach to development. The subject property owners have entered into an agreement that access is to be provided at two locations off Commerce Way. Written confirmation of this commitment to an internal loop roadway with controlled access is anticipated prior to Town Meeting.

INTENT:

The intent of the Mixed Commerce District is to provide for a mix of retail and industrial uses in an area geographically suited to commerce activities. The district encourages a mix of low intensity industrial uses as well as larger retail uses. Commercial uses exceeding 10,000 square feet would require a Special Permit through the Zoning Board of Appeals.

It is also the intent to increase these types of uses at locations within the community that can support increased development of this nature with minimal impact to residential neighborhoods. The location of commercial development at this location would complement the adjacent industrial park.

Mr. McKelway moved to postpone Article 19 until following Article 32 on Tuesday, 10 April. The motion FAILED.

The motion on Article 19 PASSED unanimously.

ARTICLE 20: There was no motion. Town Meeting took no action.

Mr. Ricardi moved to adjourn this session of Town Meeting until 7:30 P.M. on Tuesday, 10 April 2001, at Plymouth North High School. The motion PASSED at 10:38 P.M.

ANNUAL TOWN MEETING

7 April 2001

Adjourned Session of 10 April 2001

The Moderator opened the meeting at 7:30 P.M. Upon notification from the Town Clerk that a quorum was present, he called the meeting to order at 7:33 P.M.

ARTICLE 32: Mr. Ricardi moved that the Town vote to amend the Town By-laws, Chapter 87, by adding Section 2, Eliminating Public Exposure to Tobacco Smoke in Restaurants, Bars, and Lounges/Bar Areas, Private Clubs and Outdoor seating areas as it relates to the prohibition of the smoking of tobacco in public places.

§87-2 ELIMINATING PUBLIC EXPOSURE TO TOBACCO SMOKE IN RESTAURANTS, BARS, LOUNGE/BAR AREAS, PRIVATE CLUBS AND OUTDOOR SEATING AREAS.

SECTION I- AUTHORITY

There exists conclusive evidence that tobacco smoke causes cancer, respiratory diseases, various cardiac diseases, negative birth outcomes, allergies and irritations to the eyes, nose and throat to both the smoker and nonsmoker exposed to secondhand smoke. Therefore, the Town of Plymouth has adopted a by-law pursuant to eliminating the public exposure to tobacco smoke in restaurants, bars, lounges/bar areas, private clubs and outdoor seating areas to protect and improve the health of patrons and employees of above-mentioned areas in the Town of Plymouth effective September 1, 2001.

SECTION II - DEFINITIONS

As used in this by-law:

Bar means an establishment whose business is devoted to the serving of alcoholic beverages and in which the service of food is only incidental to the consumption of such beverages.

Board of Health shall mean the Plymouth Board of Health.

Lounge/bar Area means an area primarily dedicated to the serving of alcoholic beverages and in which the service of food is only incidental to the consumption of such beverages.

Food service establishment means a place where food is prepared intended for individual portion service, and includes the site at which individual portions are provided. The term includes such places regardless of whether consumption is on or off the premises and regardless of whether there is a charge for the food. The

term includes, but is not limited to, restaurants, take-out food establishments, delicatessens, doughnut shops, and kiosks.

Private club means a not-for-profit establishment with a defined membership.

Outdoor seating of a food service establishment means an outdoor section that may be covered by not otherwise enclosed except for the one side that adjoins the food service establishment.

Restaurant means any establishment serving food for consumption on the premises, which maintains tables for the use of its customers. This includes cafeterias in the workplace.

Smoking means the lighting of any cigar, cigarette, pipe or other tobacco product or having possession of any lighted cigar, cigarette, pipe, or other tobacco product.

SECTION III - PROHIBITION ON SMOKING IN BARS, FOOD SERVICE ESTABLISHMENTS, LOUNGE/BAR AREAS, RESTAURANTS, PRIVATE CLUBS AND OUTDOOR SEATING AREAS.

As of September 1, 2001 no person shall smoke in any bar, food service establishment, lounge/bar area, restaurant, private club or outdoor seating area nor shall any proprietor(s) or other person(s) in charge of a bar, food service establishment, lounge/bar area, restaurant, private club or outdoor seating area permit any person to smoke.

SECTION IV - ENFORCEMENT

- (1) Any person who smokes in a bar, food service establishment, lounge/bar area, or restaurant, private club or outdoor seating area shall be subject to a fine of \$100.00 for each violation.
- (2) Any proprietor(s) or other person(s) in charge of a bar, food service establishment, lounge/bar area, or restaurant, private club or outdoor seating area who fail(s) to comply with this by-law shall be subject to a fine of \$100.00 for each violation.
- (3) As an alternative to initiating criminal proceedings, violations of this by-law may be enforced in the manner provided in Massachusetts General Law, Chapter 40, Section 21D, by the Board or its agents. Any fines imposed under the provisions of Section D (1) or Section D (2) shall inure to the Town of Plymouth for such use as the Town may direct.

- (4) One method of enforcement may be periodic, unannounced inspections of those establishments subject to this regulation.

SECTION V - NON-CRIMINAL DISPOSITION

Whoever violates any provision of this regulation, the violation of which is subject to a specific penalty, may be penalized by the non-criminal method of disposition as provided in Massachusetts General Laws, Chapter 40, Section 21D or by the filing of a criminal complaint at the appropriate venue.

Each day on which any violation exists shall be deemed to be a separate offense.

Penalty : \$100.00 for each separate offense.

Enforcing Persons: Plymouth Board of Health and its designees
Plymouth Police Department

SECTION VI - SEVERABILITY

If any provision of this by-law is declared invalid or unenforceable, the other provisions shall not be affected thereby but shall continue in full force.

Elsbeth Franks moved to amend by deleting the words "private clubs" from each reference in the motion.

Mr. Howe moved the previous question. The motion PASSED.

On Ms. Franks's amendment, the motion PASSED with 49 in favor and 44 in opposition.

Linda Renaud moved to amend by eliminating the ban on private clubs except those open to public functions and decks and patios that are designated, "smoking only" that do not serve food or drink.

Mr. Howe moved the previous question. The motion FAILED.

Ms. Collins moved to amend by deleting the words, "outdoor seating areas," from each reference in the motion.

Mr. Gomes moved the previous question on Ms. Renaud's motion to amend. The motion PASSED.

On Ms. Renaud's motion to amend, the motion FAILED.

Mr. Gomes moved the previous question on Ms. Collins's motion to amend. The motion PASSED.

On Ms. Collins's motion to amend, the motion PASSED.

Mr. Gibbons moved to extend his time by thirty seconds. The motion PASSED.

Mr. Webber moved the question on the main motion. The motion PASSED.

On the main motion of Article 32 as amended, on a roll call vote 54 voted in favor with 44 in opposition, the motion PASSED.

The Moderator declared a recess at 9:00 P.M.

The Moderator returned the meeting to order at 9:15 P.M.

Joyce Stewart moved to reconsider Article 32.

Mr. Howe moved the previous question on Ms. Stewart's motion. The motion PASSED.

On Ms. Stewart's motion, the motion FAILED.

Mr. George Parker moved to take up Article 41 as the next to be discussed. The motion PASSED.

ARTICLE 41: Mr. Ricardi moved that the Town vote to accept Sections 3 to 7, inclusive, of Chapter 44B of the General Laws, otherwise known as the Massachusetts Community Preservation Act, by approving a surcharge on real property for the purposes permitted by said Act, including the acquisition, creation and preservation of open space, the acquisition and preservation of historic resources, the acquisition, creation and preservation of land for recreational use, the creation, preservation and support of community housing, and the rehabilitation and restoration of such open space, historic resources, land for recreational use and community housing that is acquired or created as provided under said Act; to determine the amount of such surcharge on real property shall be (1%) one percent of the annual real estate tax levy against real property; and that the Town accept the following surcharge permitted under Section 3(e) of said Act.

- (1) Property owned and occupied as a domicile by a person who would qualify for low-income housing or low or moderate-income senior housing in the Town.

Mr. George Parker moved the previous question. The motion PASSED.

On Article 41, the motion FAILED.

ARTICLE 21: Mr. Ricardi moved that the Town vote to amend its Zoning Bylaw, Section 205.01 Procedures and 205.02 Conditions and Safeguards in accordance

2001 Annual Town Meeting Article 21

ON THE PROPOSED AMENDMENT TO THE ZONING BYLAW
SO AS TO INCORPORATE PROVISIONS RELATIVE TO INCREASED
NOTIFICATION OF THE VILLAGE STEERING COMMITTEES IN THE PERMIT
PROCESS OR TAKE ANY OTHER ACTION RELATIVE THERETO

DATE OF PUBLIC HEARING: FEBRUARY 5, 2001
FEBRUARY 6, 2001
FEBRUARY 12, 2001

PROPOSED AMENDMENT:

Underlined words added

- 205.01 Procedures
- 205.02 Conditions and Safeguards
- 205.03 Environmental Design Conditions
- 205.04 Adequate Facility Conditions

C) Applications for special permits [filed with the Board of Appeals] shall be distributed immediately to the Planning Board, the Design Review Board, Fire Chief and the Board of Health, **and the appropriate Village Steering Committee**. The reports of the Design Review Board and the Board of

Health, and Village Steering Committee, which are advisory, shall be submitted to the Planning Board within twenty-one (21) days of filing of the applications. The Planning Board shall transmit all such advisory reports to the Board of Appeals within thirty-five (35) days of the filing of the applications.

205.02 Conditions and Safeguards

- A) The Board of Appeals shall not grant any Special Permit unless necessary conditions are satisfied, including but not limited to the following:
- 1) The proposed use is appropriate in the Zone and specific site in question, more particularly to promote the most appropriate use of land throughout the Town in accordance with a comprehensive plan;
 - 2) Adequate and appropriate facilities will be provided for proper operation of said use;
 - 3) There will be no hazard to pedestrians or vehicles;
 - 4) There will be no nuisance or adverse effect upon the neighborhood;
 - 5) In the case of the High Technology P.U.D.'s the requirements of Sections 310 and particularly Section 310.04 - OVERALL PLANNING PRINCIPLES AND REQUIREMENTS are fully satisfied.

NEED & JUSTIFICATION:

The Zoning Bylaw does not currently define or address the issues associated with the principles of the Town Master Plan or its components. It is necessary to more clearly define the process in which an applicant shall follow in order to reasonably address the Village Centers' concerns regarding their interpretation of the Master Plan.

EFFECT:

The effect of this amendment is to provide Village Steering Committees the opportunity to review and comment on development plans within their defined areas. Also, additional emphasis would be placed upon the need to reference consistency with the Master Plan in Special Permit findings.

INTENT:

It is not intended to constrain the granting of Special Permits within the Village Centers, but to more clearly define the type of use as it relates to the Master Plan

and the stated goals of the Village Centers. Proposed is additional review of selected projects within the Village Centers to assure consistency with Town Meeting adopted Master Plans.

Mr. Gomes moved the previous question. The motion PASSED.

On Article 21, the motion PASSED on a roll call with 91 voting in favor and 1 in opposition.

ARTICLE 22: Mr. Ricardi moved that the Town vote to amend its Zoning Map #1 (Manomet Quadrant) in accordance with the “FINAL REPORT AND RECOMMENDATIONS OF THE PLANNING BOARD ON THE PROPOSED AMENDMENT TO THE ZONING MAP” as it relates to the boundaries of the Aquifer Protection District and the Zone II Boundaries of the Savery Pond Well.

2001 Annual Town Meeting Article 22

FINAL REPORT AND RECOMMENDATION
OF THE PLANNING BOARD

TO AMEND ZONING MAP #1 (MANOMET QUADRANT) AS IT RELATES

DECEMBER 21, 2000
DECEMBER 28, 2000

JANUARY 8, 2001

PROPOSED AMENDMENT:

To amend Zoning Map #1 (Manomet Quadrant) so as to change the Zone II boundaries of the Savory Pond Well as shown on a plan on file with the Town Clerk.

NEED & JUSTIFICATION:

The Town of Plymouth has long established provisions within the Zoning Bylaw to control development within identified aquifer protection districts and regulating the uses that may be established within proximity of public water supplies.

The Town of Plymouth is currently developing the property to serve as an additional public water supply. The Department of Environmental Protection requires specific protection be in place prior to the use of wells for public consumption.

EFFECT:

The effect of this amendment is to expand the area designated as a Zone II by the Aquifer Protection Bylaw. This change would assure that the area serving the wellhead is better protected against future development and the environmental impacts generated by inappropriate growth.

INTENT:

It is intended to expand the Zone II around the Savory Pond Well in order to establish development standards within the public water supply location. Those proposing development within the expanded Zone II will have different standards that are necessary to protect the drinking supply of Plymouth.

ARTICLE 23: There was no motion. Town Meeting took no action.

ARTICLE 24: Mr. Ricardi moved that the Town vote to amend its Zoning Bylaw, Section 313 "Recreational Campgrounds" in accordance with the "FINAL OF THE PLANNING BOARD ON THE PROPOSED AMENDMENT TO THE ZONING MAP" as it relates to campground facilities and provision of commercial activities.

2001 Annual Town Meeting Article 24

FINAL REPORT
OF THE PLANNING BOARD

ON THE PROPOSED AMENDMENT OF RICHARD N. DOONAN, ET AL,

TO SEE IF THE TOWN WILL VOTE TO AMEND ITS ZONING BYLAWS,
SECTION 313 "RECREATIONAL CAMPGROUNDS" AS IT RELATES TO
CAMPGROUND FACILITIES AND TO PROVISIONS OF COMMERCIAL
ACTIVITIES, OR TO TAKE ANY OTHER ACTION RELATIVE THERETO

DATE OF PUBLICATION OF PUBLIC HEARING: DECEMBER 21, 2000
DECEMBER 28, 2000

DATE OF PUBLIC HEARING: JANUARY 8, 2001
JANUARY 29, 2001

VOTE: On Monday, January 29, 2001, the Planning Board voted (2-2, Mr. MacGregor and Ms. Mulcahy in favor, Mr. Tripp and Ms. Hall in opposition) on the following amendment.

PROPOSED AMENDMENT:

To amend Section 313.07 – *Recreational Campgrounds Utilities and Facilities*, by inserting the following paragraph at the end thereof:

“NOTWITHSTANDING THE IMMEDIATELY PRECEDING PARAGRAPH, FOR ANY RECREATIONAL CAMPGROUND CREATED BY SPECIAL PERMIT SUBJECT TO ENVIRONMENTAL DESIGN CONDITIONS UNDER SECTION 313 AS OF THE DATE OF THIS AMENDMENT, THE DURATION, PURPOSE, LOCATION, AND SIZE OF COMMERCIAL ACTIVITIES MAY, UPON THE ISSUANCE OF ANOTHER SPECIAL PERMIT SUBJECT TO ENVIRONMENTAL DESIGN CONDITIONS, BE DETERMINED OTHERWISE.”

NEED & JUSTIFICATION:

Section 313 (Recreational Campgrounds) of the Zoning Bylaw was established by Town Meeting in 1981 and contains mandates including:

- a. That campgrounds may be operated from April 15 through October 15 only.
- b. That campgrounds can only be established by Special Permit subject to Environmental Design Conditions after the submission of a list of 16 separate submission materials.
- c. That campgrounds comply with a list of seven separate design criteria with respect to location and density.
- d. That campgrounds comply with a list of ten separate planning principles and requirements, and three separate objectives with respect to its open space system.

SECTION 313.07 MANDATES THAT ANY GENERAL STORE IN A RECREATIONAL CAMPGROUND:

- A. BE PROVIDED TO SERVE THE CAMPERS AS OPPOSED TO THE GENERAL PUBLIC.
- B. BE OPEN ONLY FROM APRIL 15 TO OCTOBER 15.
- C. BE LOCATED IN CONJUNCTION WITH THE MAIN OFFICE OR RECREATION FACILITY CENTRAL TO THE CAMPGROUND.

D. NOT EXCEED 200 SQUARE FEET PER 100 CAMPSITES.

THE PROPOSED AMENDMENT WOULD CHANGE SECTION 313.07 BY GIVING THE BOARD OF APPEALS THE DISCRETION, FOR ANY RECREATIONAL CAMPGROUND CREATED BY SPECIAL PERMIT SUBJECT TO ENVIRONMENTAL DESIGN CONDITIONS UNDER SECTION 313 AS OF THE DATE OF THIS AMENDMENT, TO ALLOW A GENERAL STORE THAT:

- A. IS PROVIDED TO SERVE NOT ONLY THE CAMPERS BUT ALSO THE GENERAL PUBLIC.**
- B. IS OPEN DURING THE SIX "WINTER" MONTHS WHEN THE CAMPGROUND IS CLOSED AS WELL AS DURING THE SIX "SUMMER" MONTHS WHEN THE CAMPGROUND IS OPEN.**
- C. BE LOCATED IN A SEPARATE BUILDING AS OPPOSED TO A BUILDING, WHICH IS A COMBINATION GENERAL STORE/OFFICE BUILDING.**
- D. BE LARGER THAN 200 SQUARE FEET PER 100 CAMPSITES, WHICH TRANSLATES TO ONLY 400 SQUARE FEET FOR A 200-SITE CAMPGROUND.**

EFFECT:

SANDY POND CAMPGROUND IS THE ONLY CAMPGROUND IN THE TOWN CREATED BY SPECIAL PERMIT UNDER SECTION 313. THE OTHER CAMPGROUNDS IN THE TOWN ARE ALL PRE-EXISTING, GRANDFATHERED CAMPGROUNDS.

THIS AMENDMENT WILL REQUIRE THE OWNER OF SANDY POND CAMPGROUND TO APPLY AGAIN FOR A SPECIAL PERMIT SUBJECT TO ALL OF THE ENVIRONMENTAL DESIGN CONDITIONS IN ORDER TO BE ABLE TO BUILD THE GENERAL STORE THE OWNER WOULD LIKE TO BUILD.

INTENT:

This amendment would enable the owner of Sandy Pond Campground to OPERATE A GENERAL STORE THAT SERVES THE NEEDS OF THE CAMPGROUND. IT WOULD ALSO ADDRESS A LARGER MARKET FOR A CONSIDERABLE AREA OFF BOURNE ROAD.

Mr. Williams moved to replace the proposed amendment with the following language: "Notwithstanding the immediately preceding paragraph, for any recreational campground created by special permit subject to environmental design conditions under Section 313 as of the date of this amendment, upon the issuance of another Special Permit subject to Environmental Design Conditions, commercial activities may be open to the public during all calendar months in one building with a maximum retail space limit of 1,250 square feet located outside the 100 foot buffer zone provided that no store signage shall be located adjacent to the public way."

On the motion to amend, the motion FAILED.

Mr. Motta moved the previous question. The motion PASSED.

The motion PASSED on a roll call with 74 voting in favor, 15 in opposition and 1 abstaining.

[See additional action below.]

ARTICLE 25: There was no motion. Town Meeting took no action.

ARTICLE 26: There was no motion. Town Meeting took no action.

ARTICLE 27: There was no motion. Town Meeting took no action.

Mr. Kelley moved to suspend the rules and take up additional motions after 10:30 P.M. The motion FAILED.

Mr. Ricardi moved to adjourn this session of Town Meeting until 7:30 P.M. on Wednesday, 11 April 2001 at Plymouth North High School. The motion PASSED at 10:48 P.M.

ANNUAL TOWN MEETING

7 April 2001

Adjourned Session of 11 April 2001

The Moderator opened the meeting at 7:30 P.M. Upon notification from Mr. Pizer, the Town Clerk that a quorum had been reached, the Moderator called the meeting to order at 7:38 P.M.

ARTICLE 28: Mr. Gay moved that the Town vote to approve amendments to the Wetlands Protection Rules & Regulations, Sections 3 and 5 "Jurisdiction" and "Performance Standards" and related provisions to incorporate a Buffer Zone Policy concerning activities proposed in the buffer zone which have been adopted by the Conservation Commission.

Bold text is inserted. *Italic text* is deleted.

Section 3. Jurisdiction

B. Activities Subject to Regulation under the Bylaw

- (2) Any activity proposed or undertaken within one hundred (100) feet of an area specified in Section 3 A above (hereinafter referred to as the "Buffer Zone"), **other than minor activities identified in Section 5 (H) (2) which shall qualify for a Negative Determination of Applicability**, is subject to regulation and requires the filing of a Notice **of Intent**. [See **Section 6 (B) (1) and (2).**]

Section 5. Performance Standards

H. Buffer Zone Protection

1. Bordering any wetland, the commission may require a zone of natural vegetation of sufficient width to assure that silt, soil, fertilizer in solution, chemicals, herbicides, organic manures, oils

and petroleum products which may be carried by surface runoff, shall not reach that wetland, but will instead be trapped by the natural mulch, soil and roots. Under most conditions, a zone width of 25 feet would be considered sufficient to accomplish this purpose, however, *(the distance)* **that width** would depend on slope, soil type, ground cover and the project proposed. The Commission shall encourage stabilization of upgradient areas beyond the 100-foot line.

2. **Notwithstanding the provisions of Section 5 (A) through (S) and in particular Section 5 (H) (1), certain activities are allowed provided the activity is not conducted within any resource area if:**

- (a) **Alteration within the buffer zone is less than 5000 square feet or 10% of the buffer zone on the lot whichever is less;**
- (b) **At a minimum, a 50 foot wide area of undisturbed vegetation in the buffer zone along the resource area is provided;**
- (c) **The buffer zone does not contain estimated wildlife habitat of rare species; ;**
- (d) **Stormwater is managed according to MA DEP standards;**
- (e) **Erosion and sedimentation controls are provided at the limit of work to protect the resource area;**
- (f) **The buffer zone does not border an Outstanding Resource Water, vernal pool, public water supply or ACEC;**
- (g) **A site visit is conducted to verify the project is limited to the buffer zone and the criteria are met.**

The motion PASSED unanimously.

ARTICLE 29: Mr. Gay moved that the Town vote to amend its General Bylaws, Section 23-11. **Bold and underlined wording to be added.**

~~Strikethrough wording to be deleted.~~

§ 23-11. License fees.

- A. Dog license. Notwithstanding the provisions of MGL c. 140, §§ 139 and 173, the fees for dog licenses shall be \$7 for altered males and spayed females and ~~\$10~~ **20** for unaltered males and unspayed females.
- B. Kennel license. Notwithstanding the provisions of MGL c. 140, § 137A, the fee for each license for a kennel shall be ~~\$25~~ **50** if not more than

four dogs are kept in said kennel, \$~~50~~ **75** if more than four but not more than ~~40~~ **9** dogs are kept therein and \$~~100~~ **150** if more than 10 dogs are kept therein.

- C. Substitute license tag. The fee for a substitute license tag shall be \$1.
- D. Certified guide dogs. There shall be no fee for licenses for certified guide dogs.
- E. Charitable kennels. The Town Clerk shall, upon application, issue without charge a kennel license to any domestic charitable corporation incorporated exclusively for the purpose of protecting animals from cruelty, neglect or abuse and for the relief of suffering among animals.
- F. Transfers. There shall be no fee for licenses issued pursuant to valid licenses transferred from other Massachusetts municipalities through the end of the then-current calendar year.

The motion PASSED unanimously.

ARTICLE 30: Mr. Gay moved that the Town vote to amend its General Bylaws, Sections 30-2 and 30-3 as it relates to domestic animals restrictions on public beaches.

§ 30-2. Motorcycles, minibikes and all-terrain vehicles prohibited; ~~horses restricted.~~

No motorcycles, minibikes or minicars or all-terrain vehicles shall be allowed on any public beach. ~~No horses shall be allowed on any public beach between Memorial Day and Labor Day.~~

§ 30-3. Domestic animals. [Amended 1-9-1978 STM by Art. 9]

All domestic animals on public beaches shall be under control at all times. Dogs are to be leashed in accordance with Chapter 23, Animals, § 23-4A. **No horses or dogs shall be allowed on any public beach between Memorial Day and Labor Day.**

Mr. Duhamel moved to amend the article by adding the hours of 9 AM to 4 PM.

Mr. Gomes moved the previous question concerning the amendment. The motion PASSED.

On the motion to amend, the motion FAILED with 33 in favor and 52 in

opposition.

Mr. Beauregard moved the previous question on the main motion. The motion PASSED.

The motion FAILED on a roll call with 35 in favor and 53 in opposition.

ARTICLE 24

Mr. Cutting moved to reconsider Article 24.

Mr. Motta moved the previous question. The motion PASSED.

On Mr. Cutting's motion to reconsider, the motion PASSED with 48 in favor and 39 in opposition.

Mr. Cutting moved to amend Article 24 by adding the following language: "Notwithstanding the immediately preceding paragraph, for any recreational campground created by special permit subject to environmental design conditions under Section 313 as of the date of this amendment, upon the issuance of another Special Permit subject to Environmental Design Conditions, commercial activities may be open to the public during all calendar months in one building with a maximum retail space limit of 1,250 square feet located outside the 100 foot buffer zone provided that no store signage shall be located adjacent to the public way."

On the motion to amend, the motion PASSED.

On Article 24, the motion PASSED on a roll call with 79 in favor, 9 in opposition, and 1 abstaining.

The Moderator called a recess at 8:43 P.M.

The Moderator returned the meeting to order at 8:58 P.M.

ARTICLE 31: Mr. Gay moved that the Town vote to amend its General Bylaws, Sections 51-1 Disorderly Conduct, 67-2 Fee Schedule, 85-1 License Required, 100-4 Junk Collectors, 120-1 Noise and 1-4 Fine Schedule.

Bold and underlined wording to be added.

~~Strikethrough wording to be deleted.~~

DISORDERLY CONDUCT

§51-1. Disorderly conduct prohibited; violations and penalties. [Amended 411-1978 ATM by Art. 74]

A. It shall be unlawful for a person to conduct himself or herself in a

disorderly manner.

- B. A person shall be guilty of conducting himself or herself in a disorderly manner if, with intent to cause public inconvenience, annoyance or alarm or recklessly creating a risk therefor, he or she:
- (1) Engages in fighting or in violent, tumultuous or threatening behavior; or
 - (2) Obstructs vehicular or pedestrian traffic.
- C. Whoever violates this section shall be liable to a penalty of ~~not more than \$50~~ **\$100** for each violation.
- D. The provisions of this section are severable, and if any of its provisions shall be held to be unconstitutional or otherwise illegal by any court of competent jurisdiction, the decision of such court shall not impair any of the remaining provisions.

FEES

ARTICLE II Sealer of Weights and Measures [Adopted 4-7-1986 ATM by Art. 26]

<u>Troy</u>	<u>\$.40</u>	<u>\$ 1</u>

Chapter 85

HAWKERS, PEDDLERS AND TRANSIENT VENDORS

§ 85-1. License required.

- A. All hawkers and peddlers of meats, butter, cheese, fish or fresh fruits and vegetables in this town shall be licensed by the Selectmen, unless otherwise duly licensed by the Director of Standards in the Executive Office of Consumer Affairs or exempt by law.
- B. No person, whether hawker, peddler or transient vendor, shall sell, barter, carry for sale or barter or expose therefor any goods, wares or merchandise, the sale of which is licensed by the Director of Standards, unless such person shall have been so licensed.
- C. **Whoever violates this section shall be liable to a penalty of \$50 for each offense.**

§ 85-2. Compliance with Selectmen's regulations.

All hawkers, peddlers and transient vendors shall be subject to all regulations

promulgated by the Selectmen from time to time.

Chapter 100

JUNK DEALERS AND COLLECTORS

§ 100-4. Junk collectors.

- A.** All junk collectors who collect, by purchase or otherwise, junk, old metals or secondhand articles from place to place in this town shall be licensed by the Selectmen.
- B.** Whoever violates this section shall be liable to a penalty of \$50 for each offense.

Chapter 120

NOISE

§ 120-1. Persons occupying or having charge of premises. [Amended 6-28-1993 STM by Art. 6]

- A.** It shall be unlawful for any person or persons occupying or having charge of any building, structure, vehicle or premises or any part thereof in the town to cause or suffer or allow any unnecessary, loud, excessive or unusual noises in the operation of any radio, phonograph or other mechanical sound-making device or instrument, or reproducing device or instrument, or in the playing of any band, orchestra, musician or group of musicians, or in the use of any device to amplify the aforesaid, or the making of loud outcries, exclamations or other loud or boisterous noise or loud and boisterous singing by any person or group of persons, or in the use of any device to amplify the aforesaid noise, where the noise is plainly audible at a distance of 150 feet from the building, structure, vehicle or premises in which or from which it is produced.
- B.** The fact that the noise is plainly audible at a distance of 150 feet from the building, structure, vehicle or premises from which it originates shall constitute prima facie evidence of a violation of this section.

- C. Any person violating this section shall be punished by a fine of \$50 for each offense.

The motion PASSED unanimously.

ARTICLE 33: Mr. Gay moved that the Town vote to transfer the land located on South Street, shown as Lot 170 on Plymouth Assessors' Map 22 from the Board of Selectmen for the purposes for which it has heretofore been used to the Board of Selectmen for the purpose of sale and to authorize the Board of Selectmen to sell such land for a sum and upon conditions to be determined by the Board of Selectmen and pursuant to the requirements of G.L. c.30B.

The motion PASSED unanimously.

ARTICLE 34 Mr. Gay moved that the Town vote to transfer the land located at 130 Court Street, show as Lot 6 on Plymouth Assessors' Map 14, from the Board of Selectmen for the purposes for which it has heretofore been used to the Board of Selectmen for the purpose of sale and to authorize the Board of Selectmen to sell all or such portion as the selectmen may determine is no longer needed for the purposes for which it has heretofore been used, for a sum and upon conditions to be determined by the Board of Selectmen and pursuant to the requirements of G.L. c.30B.

The motion PASSED unanimously.

ARTICLE 35: Mr. Gay moved that the Town vote to approve a plan for the discontinuance of a portion of the state owned "M" Road layout, as shown on the

plan dated November 2, 2000 titled "Right of Way Plan, River Street, Plymouth, MA", on file with the Town Clerk, to authorize the Board of Selectmen to undertake the necessary actions with Massachusetts Highway Department (MHD) for the transfer of ownership of the discontinued portion to the Town, and also to acquire by gift, purchase or eminent domain interests in land pursuant to G.L. c.79 from owners of certain parcels along River Street for highway and bridge reconstruction purposes and further to raise and appropriate or transfer a sum of money as may be required for the appraisal, purchase and/or taking of the aforesaid interests in land.

The motion PASSED unanimously.

ARTICLE 36: Mr. Gay moved that the Town vote to authorize the Board of Selectmen to acquire by gift, purchase or eminent domain taking pursuant to MGL Chapter 79 interests in land from owners of certain parcels of land along Long Pond Road and Camelot Drive, as shown on the plan dated January 23, 2001 titled "Proposed Layout Alteration of LONG POND ROAD, Plymouth, MA" and also as shown on the plan dated January 24, 2001 titled "Layout of CAMELOT DRIVE, Plymouth, MA", for highway and utility purposes.

The motion PASSED unanimously.

ARTICLE 37: Mr. Gay moved that the Town vote to transfer the care, custody, management and control of a portion of Assessors' Plat 89A, Lots 1 and 1-3 from the Board of Selectmen for general municipal purposes to the Board of Selectmen for highway purposes in conjunction with the layout and reconstruction of LONG POND ROAD Portion of, as shown on the plan dated January 23, 2001 titled "Proposed Layout Alteration of LONG POND ROAD, Plymouth, MA.

The motion PASSED unanimously.

ARTICLE 38: Mr. Gay moved that the Town vote to transfer the care, custody, management and control of a portion of Assessor's Plat 89A, Lot 1 from the Board of Selectmen/School Committee for general municipal purposes and/or school purposes to the Board of Selectmen for highway purposes in conjunction with the layout and reconstruction of LONG POND ROAD Portion of, as shown on the plan dated January 23, 2001 titled "Proposed Layout Alteration of LONG POND ROAD, Plymouth, MA.

The motion PASSED unanimously.

ARTICLE 39:

Mr. Gay moved that the Town vote to accept and allow as Town Ways the following streets or portions thereof as laid out by the Board of Selectmen and

reported to the Town:

Pine Mountain Drive, entire length thereof;
Buckskin Path, entire length thereof;
Great Woods Road, entire length thereof;
Quail Run, entire length thereof;
Yvonne Circle, entire length thereof;

and further:

Ship Pond Road, a portion thereof;
Camelot Drive, a portion thereof;

and further:

Long Pond Road, Re-establish and alter a portion thereof;

The motion PASSED unanimously.

ARTICLE 40: There was no motion. Town Meeting took no action.

ARTICLE 42: There was no motion. Town Meeting took no action.

ARTICLE 43: There was no motion. Town Meeting took no action.

ARTICLE 44: There was no motion. Town Meeting took no action.

ARTICLE 45: Mr. Gay moved that the Town vote to transfer the land described in this Article from the Board of Selectmen for the purposes for which it has heretofore been used to the Board of Selectmen for the purpose of sale and to authorize the Board of Selectmen to sell certain parcel shown as Map 101 shown as Lot 25C consisting of approximately 3.8 acres of land abutting Plymouth Mobile Estates, for a sum and upon conditions as determined by the Board of Selectmen and pursuant to the requirements of G.L. c.30B. as follows:

- A. The property will remain in its natural state except for the creation of footpaths or trails.
- B. The property shall remain as a non-buildable lot.

The motion PASSED unanimously.

Mr. Gay moved to dissolve the Annual Town Meeting. The motion PASSED at 9:46 P.M.

FALL ANNUAL TOWN MEETING WARRANT

October 22, 2001

To the Town Clerk of the Town of Plymouth, Commonwealth of Massachusetts:

GREETINGS:

In the name of the Commonwealth, you are directed to notify and warn the inhabitants of Plymouth, qualified to consider and vote on articles at a Fall Annual Town Meeting, to meet at the Plymouth North High School on Monday, the Twenty Second Day of October, 2001 at 7:30 PM, to act on the following articles to wit:

ARTICLE 1: WITHDRAWN

ARTICLE 2: To see what action the Town will take under the provisions of G.L. c. 44, §53E 1/2 regarding the establishment of a revolving fund for the management of the Town Wharf state boat ramp and to transfer a sum of money from overlay surplus for this purpose, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 3: To see if the Town will vote to transfer from available funds a sum of money to be used for the reduction of sewer user rates, or take any other action relative thereto.

DEPARTMENT OF FINANCE

ARTICLE 4: To see if the Town will vote to amend the Classification and Compensation Plans and the Personnel By-Law and Collective Bargaining Agreements contained therein, or take any other action relative thereto.

PERSONNEL BOARD

ARTICLE 5: To see if the Town will vote to raise and appropriate, transfer or borrow a sum of money for the construction and/or repair and/or purchase and/or lease of buildings or equipment and/or for feasibility and other types of studies as follows:

- A. Parking Meters
- B. Nutrient Management Plan
- C. Feasibility Study – Solid Waste Composting
- D. WITHDRAWN
- E. Cost and Feasibility Study – Plymouth Public Schools
- F. Airport Sewage Treatment Plant - Grant

or take any other action relative thereto

BOARD OF SELECTMEN

ARTICLE 6: To see if the Town will vote to increase to \$40,000 the amount of gross income allowable under G.L. c. 59, §5 Clause 41A, property tax deferral, or take any other action relative thereto.

BOARD OF ASSESSORS

ARTICLE 7: To see if the Town will vote to appropriate a sum of money for the purpose of financing the following water pollution abatement facility projects: repair, replacement and/or upgrade of septic systems, pursuant to agreements with the Board of Health and residential property owners, including without limitation all costs thereof as defined in G.L. c. 29C, §1; to determine whether this appropriation shall be raised by borrowing from the Massachusetts Water Pollution Abatement Trust or otherwise, or take any other action relative thereto.

DEPARTMENT OF PLANNING AND DEVELOPMENT

ARTICLE 8: To see if the Town will vote to approve a payment in lieu of taxes agreement between the Town and Entergy Nuclear Generation Company for the property known as the Pilgrim Nuclear Generation Station, as on file with the Town Clerk, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 9: To see if the Town will vote to reopen the Department of Planning & Development budget for FY02 so as to fund the reclassified position of Conservation Staff Aide so as to include additional planning assistance, or take any other action relative thereto.

BY PETITION: WILLIAM T. DOYLE, III, ET AL

ARTICLE 10: To see if the Town will vote to authorize the Board of Selectmen to petition the General Court to enact special legislation, a summary of which is on file with the office of the Town Clerk, establishing a "Plymouth Economic Development Corporation," a public corporation and instrumentality in order to facilitate economic development and the provision of public facilities in the Plymouth Downtown-Waterfront Area and/or North Plymouth, including but not limited to off-street or structured parking facilities, public improvements to promote and expand tourism, recreational and commercial uses of the waterfront and other marine and marine-related uses, and obtain, manage and expend, or act as the conduit for, financial and technical assistance to the Town, other public agencies, private for-profit and non-profit organizations and other entities when necessary to meet the Town's economic development objectives.

Provided that the General Court may make clerical or editorial changes of form only to the bill, unless the Board of Selectmen approves amendments to the bill before enactment by the General Court, and authorizing the Board of Selectmen to approve amendments which shall be within the scope of the general public objectives of the petition, or take any other action relative thereto.

DEPARTMENT OF PLANNING AND DEVELOPMENT

ARTICLE 11: WITHDRAWN

ARTICLE 12: To see if the Town will vote to authorize the Board of Selectmen to petition the General Court to enact legislation authorizing and directing the Division of Capital Asset Management and/or other appropriate agency of the Commonwealth to convey to the Town of Plymouth:

- 1) perpetual easements for highway purposes in that parcel of land shown as PE-01 on a plan entitled "Proposed Layout Alteration of a Portion of Long Pond Road, Plymouth, Massachusetts", dated January 23, 2001; and
- 2) temporary easements for highway construction purposes in that parcel of land shown as TE-20 on the above-said plan;

And further, to authorize the Board of Selectmen to petition the General Court for approval of such change in use, transfer and conveyance of easement under Article 97 of the Amendments to the Massachusetts Constitution, if such approval is deemed by the Board of Selectmen to be needed: provided that the General Court may vary the form and substance of the requested legislation within the scope of the general public objectives of this petition, or take any other action relative thereto.

DEPARTMENT OF PUBLIC WORKS – ENGINEERING DIVISION

ARTICLE 13: To see if the Town will vote to accept the layout of a public sidewalk adjacent to and abutting the sideline of Long Pond Road in the Town, said layout having previously been adopted by the Board of Selectmen, pursuant to G.L. c.82, §33, all as shown on a plan entitled "Proposed Sidewalk Layout of a Portion of Long Pond Road"; said plan being filed with the Town Clerk; and further to see if the Town will vote to authorize the Board of Selectmen to acquire by gift, purchase, eminent domain taking, pursuant to G.L. c. 79, or otherwise, interests in land necessary to establish and maintain a public sidewalk as set forth above, and to accept the same upon such terms and conditions as it shall determine appropriate, for all purposes for which public sidewalks are used in the Town of Plymouth, and to raise and appropriate or transfer a sum of money as may be required for the appraisal, purchase and/or taking of the aforesaid interests in land, or take any other action relative thereto.

DEPARTMENT OF PUBLIC WORKS – ENGINEERING DIVISION

ARTICLE 14: To see if the Town will vote to authorize the Board of Selectmen to acquire by gift, purchase or eminent domain taking pursuant to G.L. c. 79 from owners of certain parcels of land along Carter's Bridge Road interests in land for highway and utility purposes, and further to raise and appropriate or transfer a sum of money as may be required for the appraisal, purchase and/or taking of the aforesaid interests in land: CARTER'S BRIDGE ROAD Portion of, as shown on

the plan titled, "Replacement of the Carter's Bridge Road Culvert, Right of Way Plan, Carter's Bridge Road, Plymouth, Massachusetts"; said plan being filed with the Town Clerk, or take any other action relative thereto.

DEPARTMENT OF PUBLIC WORKS – ENGINEERING DIVISION

ARTICLE 15: To see if the Town will vote to authorize the Board of Selectmen to acquire by gift, purchase or eminent domain taking pursuant to G.L. c. 79 from owners of certain parcels of land along Clifford Road interests in land for highway and utility purposes, and further to raise and appropriate or transfer a sum of money as may be required for the appraisal, purchase and/or taking of the aforesaid interests in land: CLIFFORD ROAD Portion of, as shown on the plan titled, "Replacement of the Clifford Road Bridge Culvert, Right of Way Plan Clifford Road, Plymouth, Massachusetts"; said plan being filed with the Town Clerk, or take any other action relative thereto.

DEPARTMENT OF PUBLIC WORKS – ENGINEERING DIVISION

ARTICLE 16: WITHDRAWN

ARTICLE 17: To see if the Town will vote to purchase 763 State Road, Manomet, Plymouth, MA, or take any other action relative thereto.

BY PETITION: ELLEN NIX, ET AL

ARTICLE 18: WITHDRAWN

ARTICLE 19: To see if the Town will vote to transfer from the Board of Selectmen for water supply purposes to the Board of Selectmen for all purposes for which public and private ways are used in the Town of Plymouth a strip of land 100 feet in depth along the northeasterly lot line of the land identified on Town Assessors Map 102 as Lot 12D, as shown on the plan titled "'Form B Subdivision' Preliminary Development Plan for an Industrial Park Connector Road Prepared for Atlantic Properties & the Town of Plymouth", filed with the Town Clerk, and authorize the Board of Selectmen to grant a temporary easement for such purposes until the way is laid out and accepted as a public way;

And further, to authorize the Board of Selectmen to petition the General Court for approval of such change in use, transfer and conveyance of easement under Article 97 of the Amendments to the Massachusetts Constitution, if such approval is deemed by the Board of Selectmen to be needed, or take any other action relative thereto.

DEPARTMENT OF PLANNING AND DEVELOPMENT

ARTICLE 20: To see if the Town will vote to amend its Zoning Bylaws, Section 401.23 "Rural Density Development", as it relates to lot size and dimensions, as on file with the Town Clerk, or take any other action relative thereto.

PLANNING BOARD

ARTICLE 21: To see if the Town will vote to amend its Zoning Bylaws, Section 500.02 "Residential Development Phasing", as it relates to the issuance of building permits for age restricted dwelling units, as on file with the Town Clerk, or take any other action relative thereto.

PLANNING BOARD

ARTICLE 22: To see if the Town will vote to amend the Zoning Bylaws, Section 201.03 "Procedures for Special Permit Uses", as it relates to filing schematic plans in the permit process, as on file with the Town Clerk, or take any other action relative thereto.

PLANNING BOARD

ARTICLE 22A: WITHDRAWN

ARTICLE 23: To see if the Town will vote to amend the zoning map of the Town of Plymouth to re-zone to the Mixed Commercial Zone that Westerly portion of Lot 11B on Town of Plymouth Assessors Map 102, comprising an area 550 feet deep and being parallel to the Southerly side of Enterprise Drive (See attached map), or take any other action relative thereto.

BY PETITION: LAWRENCE I. WINOKUR, ET AL

ARTICLE 24: To see if the Town will vote to establish a zoning overlay district known as the Master Planned Community Overlay District (MPCOD) by amending the Town's Zoning By-Law to insert text, which was attached to the petition and which is on file with the Town Clerk's office as Section 401.28 and by amending the Town's Zoning Map No. 1 (Wareham Quadrant) to delineate the MPCOD as shown on that portion of Zoning Map attached hereto and on the Town of Plymouth Assessor's Map Number 126 as Lots 2-5, 7-12, 13A, 13B 14 and 15, or take any other action relative thereto:

BY PETITION: KEVIN O'REILLY, ET AL

ARTICLE 25: WITHDRAWN

ARTICLE 26: To see if the Town will vote to transfer from the board or boards now having custody of the following land for their present purposes to such boards for the same purposes and for the purpose of conveying conservation restrictions and to authorize such boards to convey conservation restrictions to the Commonwealth of Massachusetts on certain parcels of town owned land collectively known as the "Briggs Property" and the "Town Forest" on such terms and conditions and for such monetary compensation as such boards shall determine. These lands would be restricted to conservation, forestry, open space and outdoor recreation purposes as defined by the Secretary of the Executive Office of Environmental Affairs.

And further, to authorize the Board of Selectmen to petition the General Court for approval of such change in use, transfer and conveyance of easement under Article 97 of the Amendments to the Massachusetts Constitution, if such approval is deemed by the Board of Selectmen to be needed, or take any other action relative thereto.

OPEN SPACE COMMITTEE

ARTICLE 27: To see if the Town will vote to accept Sections 3 to 7, inclusive, of Chapter 44B of the General Laws, otherwise known as the Massachusetts Community Preservation Act (the "Act") by approving a surcharge on real property for the purposes permitted by said Act, including the acquisition, creation and preservation of open space, the acquisition and preservation of historic resources, the acquisition, creation and preservation of land for recreational use, the creation, preservation and support of community housing, and the rehabilitation and restoration of such open space, historic resources, land for recreational use and community housing that is acquired or created as provided under said Act; to determine the amount of such surcharge on real property as a percentage of the annual real estate tax levy against real property; and to determine whether the Town will accept any of the exemptions from the surcharge permitted under Section 3(e) of said Act, or to take any other action relative thereto.

OPEN SPACE COMMITTEE

ARTICLE 28: To see if the Town will vote to adopt a bylaw establishing a Community Preservation Committee pursuant to Section 5 of the Community Preservation Act (the "Act") for the purposes of assessing the resources and needs of the community relative to the objectives of the Act and to make recommendations to Town Meeting regarding the disbursement of community preservation funds, as on file with the Town Clerk, or take any other action relative thereto.

OPEN SPACE COMMITTEE

ARTICLE 29: To see if the Town will vote to accept G.L. c. 40, §42K to allow the assessment of betterments for the construction and connection of water mains and services by a uniform unit method and will vote to amend Chapter 191, Article I, Section 191-2 of the General Bylaws of the Town by inserting at the owners of land which abut on Lookout Point Road, Wamsutta Avenue, King Philip Road and the portion of Ellisville Road between station 359+0 and station 375+0 shall pay a proportional part of the whole of the cost based upon the uniform unit method provided by G.L. c. 40, §42K, or take any other action relative thereto

DEPARTMENT OF PUBLIC WORKS

ARTICLE 30: WITHDRAWN

ARTICLE 31: WITHDRAWN

ARTICLE 32: To see if the Town will vote to amend its General Bylaws, Sections 30-2 and 30-3 as it relates to domestic animals restrictions on public beaches, as on file with the Town Clerk, or take any other action relative thereto.
BY-LAW REVIEW COMMITTEE

ARTICLE 33: To see if the Town will vote to amend Bylaw, Chapter 134, Section 3 by adding "and White Island Pond" after the reference to Great Herring Pond in the first sentence, or take any other action relative thereto.
BY PETITION: JAMES M. SULLIVAN, ET AL

ARTICLE 34: To see if the Town will vote to implement a residency requirement for all Heads of Departments and Directors for the Town of Plymouth. To state that all New Heads of Departments and New Directors within (6) months of taking the New Position shall become a permanent resident of the Town of Plymouth. All existing Department Heads and Directors shall be exempt but may not be promoted to a higher position without becoming a Town Resident, or take any other action relative thereto.
BY PETITION: MICHAEL D. MAIN, ET AL

ARTICLE 35: To see if the Town will vote to Repeal the Smoking Ban adopted under Chapter 87, Section 2 of the By-Laws of the Town of Plymouth, or take any other action relative thereto.
BY PETITION: TIMOTHY E. ANGLE, ET AL

BY PETITION: PHILIP B. TURNER, ET AL

ARTICLE 37: To see if the Town will vote to authorize the Selectmen to grant, insofar as they have the right to do so, to COMMONWEALTH ELECTRIC COMPANY, its successors and assigns, or any licensee from it, (hereinafter called the Grantees), with Quitclaim Covenants, the perpetual right and easement to locate, relocate, erect, construct, reconstruct, install, lay, dig up, operate, maintain, patrol, inspect, repair, replace, alter, change the location of, extend or remove transformers, transformer enclosures, manholes, handholes, and all apparatus, equipment and fixtures deemed necessary for the purposes specified above, under, above, along, upon, and over that certain parcel of Town owned land, namely:

Said premises known as the Savery Pond Pumping Station, for description see deed dated November 30, 2000 recorded in Book 19123 Page 244 and Plan #818

of 2000 recorded in Book 44 Page 26 in the Plymouth County Registry of Deeds,
or take any other action relative thereto.
BOARD OF SELECTMEN

And you are hereby required to serve this warrant in the manner prescribed by
vote of the Town by posting notice thereof seven days at least before such
meeting in the Town Office Building and make return thereof with you doings
thereon at the time and place above mentioned.

Given under our hands this the 11th Day of September, 2001

Approved as to Legal
Form and Content

BOARD OF SELECTMEN

Kenneth A. Tavares, Chairman

David F. Malaguti, Vice Chairman

David J. Rushforth, MD

Christopher R. Lombard

Richard J. Quintal, Jr.

Plymouth, s.s.

Pursuant to the foregoing warrant, I have this day notified and warned the
Inhabitants of Plymouth, qualified to vote in elections and Town affairs, to meet in
said Plymouth on Monday, the Twenty Second day of October, 2001, at 7:30 PM,
at the Plymouth North High School, by posting copies of this warrant in the Town
Office Building.

FALL ANNUAL TOWN MEETING

October 22, 2001

The Moderator opened the meeting at 7:30 P.M. Upon the announcement by Town Clerk, Laurence Pizer, that a quorum was present, the Moderator called the meeting to order at 7:30 P.M.

The Plymouth Police Department Honor Guard presented the colors, followed by our National Anthem performed by the Brass Quintet of Plymouth North High School led by Jonathan Porter, Band Director. Mayliza Egan of Hedge School led the Pledge of Allegiance. The Reverend Kenneth Heckman offered the invocation. The Hedge School Chorus under the direction of Kristin Fonseca sang "God Bless the USA." The police honor guard performed Amazing Grace on bagpipes.

The Moderator appointed Adele Manfredi Assistant Moderator, and the appointment was accepted without objection.

The Town Clerk swore in the Assistant Moderator and Town Meeting Members.

The return of the warrant shows that it was properly served and without objection Town Meeting waived the reading of the warrant.

Dr. Meltzer moved to change the order of debate by hearing Article 35 at 7:30 P.M., Tuesday, October 23, 2001.

The motion PASSED by more than two-thirds.

ARTICLE 1: There was no motion. Town Meeting took no action.

ARTICLE 2: Mr. Ricardi moved that the Town vote to establish a Town Wharf state boat ramp account as a revolving fund in accordance with the provisions of G.L. c.44, §53E1/2 and to transfer the sum of \$15,000 from overlay surplus to provide funding for start-up costs associated with the state boat ramp operation.

The motion PASSED unanimously.

ARTICLE 3: Mr. Ricardi moved that the Town vote that the sum of \$150,000 be transferred from Article 9-14, 4/98 ATM – Sewer System Rehabilitation, as available funds to reduce the sewer user rates.

The motion PASSED unanimously.

ARTICLE 4:

A. Mr. Ricardi moved that the Town vote to amend the Classification and Compensation Plans and the Personnel By-law and Collective Bargaining Agreements contained therein, in accordance with the memorandum dated August 20, 2001 from Eleanor S. Beth, Town Manager, entitled, "FY2002 and FY2003 Clerical Union Agreement."

Memo

To: Advisory and Finance Committee
From: Eleanor S. Beth – Town Manager
Date: August 20, 2001
Re: FY2002 and 2003 Clerical Union Agreement
We have reached a two year agreement with the clerical union and ratified by the Board of Selectmen. The economic terms are the same as the other five collective bargaining groups with which we have settled:

Wages:

FY02: 2% retroactive to July 1, 2001
FY03: 2%

The motion PASSED.

Mr. Ricardi moved that the Town vote to amend the Classification and Compensation Plans and the Personnel By-law and Collective Bargaining Agreements contained therein, in accordance with the memorandum dated August 27, 2001 from Eleanor S. Beth, Town Manager, and M. Patricia Flynn, Director of Human Resources, entitled, "Possible Personnel Bylaw Additions."

Memo

To: Board of Selectmen
From: Eleanor S. Beth – Town Manager
M. Patricia Flynn – Director of Human Resources
Date: August 27, 2001
Re: Possible Personnel Bylaw Additions

We hereby ask the Board to consider some amendments to the bylaw which would codify some long-standing past practices in Town. These include benefits provided to the Police Chief, Fire Chief, Police Captains and Fire Deputy Chiefs who are not covered by collective bargaining agreements.

POLICE

When the position of Police Captain was taken out of the Police Superior Officers union in the 1980's, then Town Manager William Griffin agreed that the Captains would not lose any benefits formerly afforded to them as union members. These included holiday pay, clothing allowance, enhancements to the educational incentive pay (Quinn bill), and a small amount of overtime compensation. To my knowledge, former Police Chiefs have received holiday pay and education incentive pay. Mr. Griffin has stated (see attached memo) that when he appointed

Chief Pomeroy, he informed him that he would continue to received holiday pay and enhanced Quinn Bill educational pay as he had been receiving prior to his promotion to the position of Chief of Police

FIRE

In further researching this issue, we were informed by Chief Fugazzi that the Fire Chief and the two Deputy Chiefs receive a clothing allowance and holiday pay. There is currently no Quinn bill payments for firefighters.

This issue was brought to our attention within the past year. We made a commitment to the Chiefs and Captains that we would address this when the Personnel Bylaw was amended. Now that the S-group contract is in place, it is appropriate to address this issue by amending the personnel bylaw to include these benefits to these officers.

Mr. Howe moved the previous question. The motion PASSED by greater than two-thirds.

The main motion PASSED.

Mr. Ricardi moved that an adjourned session of this Town Meeting be held on October 23, 24 and 25, 2001 7:30 p.m., at Plymouth North High School.

The motion PASSED.

Dwight Delano moved to hear Article 36 as the next order of business

Mr. Gomes moved the previous question. The motion PASSED by more than two-thirds.

On Mr. Delano's motion, the motion FAILED.

The Moderator called a recess at 9:13 P.M.

The Moderator returned the meeting to order at 9:28 P.M.

ARTICLE 5:

Mr. Ricardi moved that the Town vote to transfer the sum of \$19,510, from the Parking Meter Receipts Reserve Fund for the rehabilitation of parking meters, said funds to be expended under the supervision of the Town Manager.

The motion PASSED under a roll call vote with 106 in favor and 2 in opposition.

Mr. Ricardi moved that the Town vote to appropriate the sum of \$515,000 for engineering costs for plans relating to a nutrient management plan at the Town's wastewater treatment facility, including without limitation all costs thereof as defined in Section 1 of Chapter 29C of the General Laws; that to meet this appropriation the Treasurer with the approval of the Board of Selectmen is authorized to borrow \$515,000 and issue bonds or notes therefor under Chapter 44 of the General Laws and/or Chapter 29C of the General Laws; the Treasurer

with the approval of the board of Selectmen is authorized to borrow all or a portion of such amount from the Massachusetts Water Pollution Abatement Trust established pursuant to Chapter 29C and in connection therewith to enter into a loan agreement and/or security agreement with the Trust and otherwise to contract with the Trust and the Department of Environmental Protection with respect to such loan and for any federal or state aid available for the project or for the financing thereof; and that the Board of Selectmen is authorized to enter into a project regulatory agreement with the Department of Environmental Protection, to expend all funds available for the project and to take any other action necessary to carry out the project.

The motion PASSED on a roll call vote with 107 voting in favor and 2 in opposition.

Mr. Ricardi moved that the Town vote to transfer the sum of \$20,000 from Article 9-29, 1997 Annual Town Meeting and transfer the sum of \$20,000 from Article 9-7, 1996 Annual Town Meeting for a Feasibility Study – Solid Waste Composting, said funds to be expended under the supervision of the Town Manager.

The motion PASSED on a roll call vote with 106 in favor and 3 in opposition.

There was no motion. Town Meeting took no action.

Mr. Ricardi moved that the Town vote to appropriate the sum of \$500,000 for architectural and engineering costs for a study and preliminary plans for new school buildings or renovations to existing school buildings; that to meet this appropriation the Treasurer with the approval of the Board of Selectmen is authorized to borrow \$500,000 under Chapter 44 and/or Chapter 70B of the General Laws or any other enabling authority; and that the School Committee is authorized to take any other action necessary to carry out this project.

Mr. Gomes moved the previous question. The motion PASSED.

On the main motion under Section E, the motion PASSED on a roll call with 102 in favor and 5 in opposition and 2 abstentions.

Mr. Alosi moved to take up Article 8 out of order and to extend the 10:30 P.M. deadline. The motion FAILED with 48 in favor and 56 in opposition with 1 abstention.

Mr. Ricardi moved to adjourn. The motion FAILED.

Mr. Ricardi moved that the Town vote to increase the borrowing authority of the Airport Commission to 1.69 million dollars, in anticipation of receipt of grant funds under an agreement with the Massachusetts Aeronautic Commission, for

the construction of an on-site wastewater treatment plant, said funds to be expended under the supervision of the Town Manager and the Airport Commission.

The motion PASSED unanimously.

Mr. Ricardi moved to adjourn at 10:40 P.M. until Tuesday, October 23, 2001 at 7:30 P.M. in the auditorium of Plymouth North High School. The motion PASSED.

ANNUAL FALL TOWN MEETING

22 October 2001

Adjourned Session of 23 October 2001

The Moderator opened the meeting at 7:30 P.M. Upon notice from the Town Clerk, Mr. Pizer, that a quorum was present, the Moderator called the meeting to order at 7:30 P.M.

The Pilgrim Festival Chorus sang America The Beautiful.

ARTICLE 35: Mr. Angley moved that the Town vote to repeal the smoking ban adopted under Chapter 87, Section 2 of the By-Laws of the Town of Plymouth, except as it applies to restaurants as defined in the by-law.

Ms. Franks moved to extend the time of Ms. Morrison. The motion PASSED.

Mr. MacKenzie moved to extend the time of Dr. Rushforth. The motion PASSED.

Mr. George Parker moved to limit debate to town meeting members. The motion FAILED with 29 in favor and 74 in opposition.

Mr. Howe moved the previous question. The motion FAILED.

Ms. Franks moved to limit debate to Town Meeting Members. The motion PASSED.

Mr. Beauregard moved that in regard to Article 35 when Town Meeting Representatives asked questions of elected or appointed officials or Town Counsel or the sponsors of an article, this time not count against the five-minute debate time limit imposed by the Moderator.

Mr. Gomes moved the previous question. The motion PASSED.

On Mr. Beauregard's motion, the motion FAILED with 49 in favor and 57 in opposition.

The Moderator called a recess at 9:22.

The Moderator returned the meeting to order at 9:37.

Ms. Morrison moved to substitute for Mr. Angley's motion the following:

To amend Chapter 87, Section 2, by adding the following as the second paragraph of Section C:

Notwithstanding the foregoing, any bar, food service establishment, lounge/bar area, or restaurant may provide a Designated Smoking Room in which no food products may be consumed, excluding beverages, and/or no services may be available to the public, and provided further that

Any area established as a Designated Smoking Room shall be a fully enclosed separate room and have a separate outside air ventilation system that has an outside air inlet and an outside exhaust and which provides a minimum air exchange of 60 cubic feet per minute per person based on a capacity not to exceed ten persons and which is maintained at a lower air pressure than the remainder of the building or any adjoining space; and

The Plymouth Board of Health must approve plans of the design of the fully enclosed separate room, ventilation system and a maintenance schedule for the Designated Smoking Room. Annual inspection by a qualified HVAC contractor will be required to assure satisfactory compliance with ventilation requirements. This annual report by the qualified HVAC contractor must be submitted to the Plymouth Board of Health in writing prior to the Plymouth Board of Health's written permission to operate a Designated Smoking Room for the upcoming year. Failure to meet ventilation requirements outlined in section 1 above may result in revocation or non-renewal of the Plymouth Board of Health's permission for a Designated Smoking Room after having afforded an opportunity for a public hearing on this matter before the Plymouth Board of Health; and

A Designated Smoking Room must be conspicuously posted as such with signage provided by the Plymouth Board of Health; and

The Designated Smoking Room cannot consist of more than 15% of the establishment's square footage or exceed 100 square feet, whichever is less; and

No one shall be permitted to work or service the Designated Smoking Room; and

Maintenance of the Designated Smoking Room shall be the sole responsibility of the establishment's owners.

Mr. Motta moved the previous question on Ms. Morrison's substitute motion. The motion PASSED.

On Ms. Morrison's motion to amend. The motion FAILED.

Mr. Angley amplified his motion by deleting the words "bars, lounge/bar areas, private clubs and outdoor seating areas" from the title of Chapter 87, Section 2, from Section I-AUTHORITY, from the title of Section III, from the body of Section III, from Section IV (1), and from Section IV (2)

Mr. Howe moved the previous question on Mr. Angley's motion. The motion PASSED.

On the main motion, on a roll call vote the motion FAILED with 50 in favor and 59 in opposition.

ARTICLE 6: Mr. Ricardi moved that the Town vote to increase to \$40,000 the amount of gross income allowable under G.L. c.59, §5, Clause A, property tax deferral for senior citizens.

The motion PASSED.

ARTICLE 7: Mr. Ricardi moved that \$200,000 be appropriated for the purpose of financing the following water pollution abatement facility projects: repair, replacement and/or upgrade of septic systems, pursuant to agreements with the Board of Health and residential property owners; including without limitation all costs thereof as defined in Section 1 of Chapter 29C of the General Laws; that to meet this appropriation the Treasurer, with the approval of the Board of Selectmen, is authorized to borrow \$200,000 and issue bonds or notes thereof under G.L. c.111, §127B1/2 and/or Chapter 29C of the General Laws; that project and financing costs shall be repaid by the property owners in accordance with those agreements, but such bonds or notes shall be general obligations of the Town; that the Treasurer, with the approval of the Board of Selectmen, is authorized to borrow all or a portion of such amount from the Massachusetts Water Pollution Abatement Trust established pursuant to Chapter 29C and in connection therewith to enter into a loan agreement and/or security agreement with the Trust and otherwise contract with the Trust and the Department of Environmental Protection with respect to such loan and for any federal or state aid available for the projects or for the financing thereof; and that the Town Manager is authorized to enter into a project regulatory agreement with the Department of Environmental Protection, to expend all funds available for the projects and to take any other action necessary to carry out the projects.

The motion PASSED unanimously.

ARTICLE 8: Mr. Ricardi moved that the Town vote to authorize the Board of Selectmen to enter into a ten-year payment in lieu of taxes agreement with Entergy Nuclear Generation Company, beginning in FY2003.

The motion PASSED.

Mr. Ricardi moved to adjourn at 10:38 P.M. until Wednesday, October 24, 2001 at 7:30

P.M. in the auditorium of Plymouth North High School. The motion PASSED.

ANNUAL FALL TOWN MEETING

22 October 2001

Adjourned Session of 24 October 2001

The Moderator opened the meeting at 7:30 P.M. Upon notice from the Town Clerk, Mr. Pizer, that a quorum was present, the Moderator called the meeting to order at 7:33. P.M.

ARTICLE 9: There was no motion. Town Meeting took no action.

ARTICLE 10: Mr. Tavares moved that the Town vote to authorize the Board of Selectmen to petition the General Court to enact special legislation, as published in "A Guide to Article 10", establishing a "Plymouth Development Corporation," a public corporation and instrumentality in order to facilitate economic development and the provision of public facilities in the Plymouth Downtown-Waterfront Area and/or North Plymouth, including but not limited to off-street or structured parking facilities, public improvements to promote and expand tourism, recreational and commercial uses of the waterfront and other marine and marine-related uses, and obtain, manage and expend, or act as the conduit for, financial and technical assistance to the Town, other public agencies, private for-profit and non-profit organizations and other entities when necessary to meet the Town's economic development objectives. Provided that the General Court may make clerical or editorial changes of form only to the bill, unless the Board of Selectmen approves amendments to the bill before enactment by the General Court, and authorizing the Board of Selectmen to approve amendments which shall be within the scope of the general public objectives of the petition.

SECTION 1. As used in this act the following words shall, unless a different meaning clearly appears from the context, have the following meanings:

"Board of Selectmen," the duly elected board of selectmen of the Town of Plymouth.

"Corporation," the Plymouth Development Corporation or such other name as designated by the Board of Selectmen, as established by section 3.

"Costs of a project," all costs, whether incurred prior to or after the issue of bonds or notes hereunder, of acquisition, site development, improvement, enlargement, reconstruction, alteration, machinery, equipment, furnishings, demolition or removal of existing structures, relocation payments, financing charges, interest prior to and during the carrying out of the project, interest for up to two years after completion of the project, planning, engineering and legal services, administrative expenses, the funding of notes issued for capital purposes, such reserve for debt service or other capital or current expenses as may be required by a trust agreement or resolution securing notes or bonds, and all other expenses incidental to the determination of the feasibility of the project or to carrying out or placing the project in operation.

"Development project," (1) a project to be undertaken in furtherance of the purposes of this act, for acquisition or leasing by the corporation of land and improvements thereon and the development of the property so acquired; (2) a project to be undertaken in furtherance of the purposes of this act for the rehabilitation or conservation of property, or for the demolition, removal, rehabilitation or addition of improvements whenever necessary to carry out the purposes of this act; (3) a project entailing the construction, improvement, or rehabilitation of infrastructure, public facilities, or both, in furtherance of the purposes of this act; and (4) a project involving a combination of the foregoing types of projects.

"Development zone," the geographic area within which the corporation may carry out development projects consistent with the purposes of this act. The development zone encompasses two sections of the town known locally as the Plymouth Downtown-Waterfront District and portions of the North Plymouth Village Center, specifically, the contiguous area in the town of Plymouth bounded by Stephens Field on the south, the Kingston town line on the north, the Atlantic Ocean on the east, and 500 feet west of Route 3A to the west.

"Economic development plans," plans or studies including but not limited to a master plan or comprehensive plan, community development or economic development plan, capital improvements plan, or others as may be approved from time to time by the Plymouth Planning Board or Board of Selectmen, which plans shall guide the types, land uses, general locations, densities and other requirements of development projects carried out by the corporation.

"Financial institution," banking corporation or institution, trust company, savings bank, cooperative bank, savings or loan association, insurance company or related corporation, partnership, foundation or other institutions engaged primarily in lending or investing funds.

"Town," the town of Plymouth.

"Town manager," the person holding the office of town manager under the charter of the town.

SECTION 2. It is hereby declared that in the town of Plymouth, unused, underused or underdeveloped areas exist, including but not limited to a development zone that contains all of the Plymouth Downtown-Waterfront District and portions of the village center known as North Plymouth; that each such area constitutes a serious menace, injurious and inimical to the health, safety and welfare of the residents of the town; that each such area constitutes an economic liability, substantially impairs or arrests the sound growth of the town and retards the economic well-being of the Commonwealth; that each such area decreases the value of private investments and threatens sources of public revenue; that redevelopment of each such area in accordance with locally approved community and economic development, tourism, capital improvement or other plans, including the town's master plan, for the elimination of such substandard conditions and prevention of their recurrence is necessary to retain existing enterprises, attract new commercial, industrial or residential development, retain

and expand the town's tourism industry, and promote the sound and orderly growth of the town; that the existence of such unused, underused or underdeveloped areas makes persons unwilling or unable to do business in the town, and seriously reduces the economic benefits of tourism; that the menace of such unused, underused or underdeveloped areas is beyond remedy and control solely by the regulatory process in the exercise of the police power, and cannot be dealt with effectively by the ordinary operations of private enterprise without the aids herein provided; that to prevent a recurrence of such conditions in the areas, the improvement of sites for commercial, industrial or residential uses or for necessary public facilities in the areas, the disposition of property for redevelopment incidental to the foregoing, the exercise of powers by the corporation, and any assistance which may be given by the town or any other public body in connection therewith, are public uses and purposes for which public money may be expended; that the acquisition, planning, clearance, development, rehabilitation or rebuilding of such unused, underused and undeveloped areas for commercial, industrial, residential, institutional, public facility and marine or marine-related purposes are public benefits for which public funds may be expended for the good and welfare of the town and the Commonwealth.

It is hereby further declared that there exists in the town of Plymouth a condition of underemployment which causes hardship to many individuals and families, wastes vital human resources, increases the public assistance burden, impairs the security of family life, impedes the economic and physical development of the town and adversely affects the welfare and prosperity of its people; that obsolete, inefficient or inadequate public facilities and infrastructure are causing injury to the town's economy; that the unaided efforts of private industry have not provided and cannot provide the necessary sites within the development zone due to problems in the assembly of suitable sites, the provision of adequate public facilities and services, the unavailability of private capital for development and the inability of private enterprise alone to plan, finance and coordinate feasible development projects.

It is hereby further declared that there exists in the town of Plymouth a dire need to develop or redevelop public facilities and infrastructure to stimulate and support economic growth; that without such public facilities and services the town cannot arrest the decline of, revitalize, stabilize or expand the economy of the Plymouth Downtown-Waterfront District and portions of the North Plymouth village center; that without such public facilities the town cannot develop a sound, vibrant tourism industry or promote the town as a visitor destination; that the development, management and operation of such facilities as off-street and structured parking, directional and informational signage, transit service, pedestrian walkways, marine and marine-dependent uses along the waterfront including but not limited to the Town Wharf, and other public amenities are essential to the preservation and enhancement of the Plymouth Downtown-Waterfront District as the social, cultural, civic, governmental and institutional center of the town, and to the orderly economic and physical development of North Plymouth.

Therefore, a public corporation is necessary to address these and related public purposes. It is the purpose of the corporation created by this act to aid the town of Plymouth, private enterprises and non-profit organizations, and other public agencies in the speedy and orderly development or redevelopment of unused, underused or underdeveloped areas, and in the development, operation and management of facilities and infrastructure necessary to support the economic vitality of the development zone defined in Section 1.

SECTION 3. There is hereby created a body politic and corporate to be known as the Plymouth Development Corporation, or such other name as designated by the Board of Selectmen. The corporation is a public instrumentality separate from the town, and is not an authority, board or committee of the town. The corporation is empowered to carry out the provisions of this act, and the exercise by the corporation of the powers conferred by this act is the performance of essential public functions. The corporation shall be subject to and have the powers and privileges conferred by the provisions of chapter one hundred fifty five, and sections eighteen, twenty seven, thirty one, thirty three and thirty four of chapter one hundred fifty six B, and section four of chapter one hundred eighty of the General Laws, except insofar as said provisions are inconsistent with or otherwise restricted or limited by the provisions of this act.

The purposes of the corporation shall be to correct the conditions found to exist in the town of Plymouth as set forth in Section 2, promote the common good and general welfare of the town, improve the living standards of the citizens thereof by fostering the improvement of their employment opportunities, and develop, manage and operate public facilities and infrastructure necessary to improve the town's economy, focusing on but not limited to areas within the development zone, all in a manner consistent with approved economic development plans as defined in Section 1. In furtherance of said purposes and in addition to the powers conferred on said corporation by the provisions above, said corporation is hereby authorized to:

sue and be sued in its own name, plead and be impleaded;

adopt bylaws and rules for the regulation of its affairs and the conduct of its business and to alter the same;

accept, acquire other than by eminent domain, receive and hold by bequest, devise, grant, gift, purchase, exchange, lease, transfer, judicial order or decree, or otherwise, for any of its objects or purposes, any property, both real and personal, from any source, including grants, loans or advances for or in aid of the purposes of said corporation from any federal agency, agency of the Commonwealth or any political subdivision thereof;

sell, convey, mortgage, lease, transfer, exchange or otherwise dispose of, any such property, both real and personal, that the objectives and purposes of said corporation may require, subject to such limitations as may be prescribed by law;

borrow money and, from time to time, to make, accept, endorse, execute, and issue bonds, debentures, promissory notes, bills of exchange, and other

obligations of said corporation for monies borrowed or in payment for property acquired or for any of the other purposes of said corporation and to secure the payment of any such obligations by mortgage, pledge, deed, indenture, agreement, or other instrument of trust, or by other lien upon, assignment of, or agreement in regard to all or any part of the property, rights or privileges of said corporation, whether now owned or hereafter to be acquired, said borrowing not to exceed a period of 40 years;

employ consulting engineers, an executive director, superintendents, managers, and such other employees, agents and consultants as may be necessary in its judgment, and to fix their compensation. Employees of the corporation shall not be deemed to be employees of the town; provided, however, that the town and the corporation may in writing agree to allow employees of the corporation to participate in employee insurance, retirement or other benefit programs offered to town employees;

make and enter into all contracts and agreements necessary or incidental to the performance of its duties;

receive and accept from any federal agency, the Commonwealth or any political subdivision thereof any grants, loans or advances for or in aid of a development project or projects and to receive and accept contributions from any other source of either money, property, labor or other things of value, to be held, used and applied for the purposes for which such grants, loans, advances and contributions may be made;

invest any funds not required for immediate use or disbursement in certificate of deposit or in obligations of the government of the United States or in obligations the payment of the principal of, and interest on, which is guaranteed by the government of the United States; and subject to a specific vote of the board of directors, to invest funds in any fashion in which municipal funds may be invested pursuant to the provisions of chapter 44 of the General Laws;

own and manage real property;

make loans to any person, firm, corporation, joint stock company, association or trust located or doing business in the town of Plymouth for the purposes of promoting and developing business, industry, or tourism;

acquire improved and unimproved real estate for the purposes of developing, demolishing, constructing or reconstructing commercial, industrial, residential, institutional, or other establishments thereon, or of developing, redeveloping or constructing public facilities, or for the purpose of disposing of such real estate to others for the development, redevelopment, demolition, construction, operation or management of commercial, industrial, residential, institutional or other establishments, or of public facilities, as the objects and purposes of the corporation may require; provided that nothing contained herein shall be construed to grant the corporation the power of eminent domain;

acquire, demolish, construct, reconstruct, alter, maintain, sell, convey, transfer, mortgage, pledge or otherwise dispose of commercial, industrial,

residential or business establishments or other property as the objects and purposes of the corporation may require;

acquire, subscribe for, own, hold, sell, assign, transfer, mortgage, pledge or otherwise dispose of the bonds, debentures, notes or other securities and evidence of interest in, or indebtedness of, any person, firm, corporation, joint stock company, association or trust, and while the owner or holder thereof, to exercise all of the rights, powers and privileges of ownership;

make relocation payments to persons and businesses displaced as a result of carrying out a development project under this act, in accordance with chapter 79A of the General Laws;

provide such advisory services and technical assistance as may be necessary or desirable to carry out the purposes of this act;

prepare or cause to be prepared plans, designs, drawings, specifications and estimates of cost for the construction, reconstruction, development, redevelopment, rehabilitation, remodeling, alteration or repair of development projects and from time to time modify such plans, designs, drawings, specifications and estimates;

designate property for development projects, except that where any such property is owned by the town, the designation and use shall have the concurrence of the Board of Selectmen;

procure insurance against any loss in connection with its property, other assets and operations, and in relation to insuring the payment of principal and interest for bonds issued pursuant to Section 9, in such amounts and from such insurers as it deems desirable;

arrange or contract with the town for the planning, replanning, opening, grading or closing of streets, roads, alleys or other places or for the furnishing of facilities or for the acquisition by the town of property or property rights or for the furnishing of property or services in connection with a development project or projects;

manage or lease any development project, whether owned or leased by the corporation, and to enter into agreements with the Commonwealth or the town or any agency or instrumentality thereof, or with any person, firm, partnership or corporation either public or private for the purposes of causing any development project to be managed;

prepare and amend plans to advance economic development goals within the entire development zone and defining necessary development projects to achieve these goals;

establish subsidiary or affiliate legal entities convenient or necessary to advance the purposes of the act;

establish and collect fees for the use of any properties owned or leased by the corporation, or for the provision of infrastructure, facilities, services and amenities;

act with respect to one or more development projects as a corporation organized under chapter one hundred twenty one A of the General Laws;

carry out any other public purposes designated by the Board of Selectmen; and

do all acts and things necessary or convenient to carry out the powers expressly granted in this act.

The corporation shall not participate in or intervene in any political campaign on behalf of any candidate for public office, or publish or distribute any statements with respect thereto. Notwithstanding any other provision herein contained, neither the members, directors, officers, shareholders, nor said corporation, participate in any of the "prohibited transactions" as defined in section 503 of the Internal Revenue Code, as the same may, from time to time, be amended, nor shall said corporation accumulate income or engage in any activities if the accumulation of income or the activities so engaged in are or would be within the prohibitions of section 504 of the Internal Revenue Code as the same may be, from time to time, amended, nor shall said corporation be operated at any time for the primary and sole purpose of carrying on a trade or business for profit.

SECTION 4. The principal office of the corporation shall be located in the town of Plymouth.

SECTION 5. For the purposes of chapter thirty B and section 11 of chapter thirty A of the General Laws, the corporation shall be a governmental body. The corporation shall not be subject to section sixteen of chapter thirty B of the General Laws.. Redevelopment or improvement of any property owned by the corporation or leased by the corporation to another party, including design, development, construction and operation, shall be subject to sections thirty eight A through thirty eight O, inclusive, of chapter thirty B; section thirty-nine M of chapter 30; and sections forty-four A through forty-four M, inclusive, of chapter one hundred forty nine of the General Laws, when customized improvements exceed the thresholds contained therein, except to the extent that the corporation enters into a ground lease which provides that title to such improvements remain with the lessee. For the purposes of clause six of section seven, chapter four of the General Laws, and chapter sixty-six of the General Laws, the records of the corporation shall be public records. Chapter 31 of the General Laws shall not apply to any person employed or engaged by the corporation under this act. For the purposes of chapter two hundred sixty-eight A of the General Laws, the corporation shall be considered a municipal agency. The members of the board of directors and employees of the corporation, together with any person who performs professional services for the corporation on a part-time, intermittent, or consultant basis, such as those of an architect, attorney, engineer, planner, or construction, financial, or real estate expert, shall be special municipal employees.

The corporation shall be subject to all local by-laws and regulations of the town, including the zoning by-law, by-laws concerning the protection of foreshores

and wetlands in the town, and historic district regulations where applicable. The corporation shall also be subject to sections twenty-three A through twenty-three C, inclusive, of chapter thirty-nine of the General Laws.

SECTION 6. The corporation shall not be subject to any of the provisions of chapter sixty-three of the General Laws, nor shall said corporation be liable for any taxes based upon or measured by income. The securities and evidences of indebtedness issued by said corporation shall be free from taxation by the Commonwealth.

SECTION 7. The corporation shall be managed by a board of directors consisting of seven members, appointed by the board of selectmen. At least one member of the board of directors shall be a nominee of the Plymouth Economic Development Foundation, and the board of directors as a whole shall include persons with education and experience in the fields of law, finance, real estate, architecture or planning, tourism, and local government. A majority of the board of directors shall be residents or owners of property or business establishments within the development zone defined under Section 1. Each of the seven members shall be sworn by the Plymouth Town Clerk to the faithful performance of his official duties as a director of the corporation. A majority of the seven members shall constitute a quorum for the transaction of any business, but any action of the board of directors shall require the affirmative vote of a majority of the entire board.

The original members of the board of directors shall be appointed within 60 days following the effective date of this act. Of the members of the board of directors first appointed, one shall be appointed to serve for a term of one year, one for a term of two years, one for a term of three years, two for a term of four years, and two for a term of five years. All terms thereafter shall be for five years. Upon the expiration of the term of office of any member of the board of directors, or any subsequent member of the board of directors, the successor of such member shall be appointed for a term of five years. In the event of a vacancy on the board of directors, a successor member shall be appointed to complete the term of service for the member whose term has not expired. Unless reappointed, no member of the board of directors shall hold office after the expiration of his term. At its discretion, the board of selectmen may reappoint members to the board of directors of the corporation.

The first meeting of the corporation shall be called by the chairman pro tem, who shall be designated by the Board of Selectmen when the initial appointments to the board of directors are made. There shall be elected by and from the board of directors a president, treasurer, secretary/clerk, and any other officers deemed necessary by said board.

Any member of the board of directors of the corporation may be removed by the board of selectmen for malfeasance, misfeasance, or willful neglect of duty, but only after reasonable notice and a public hearing by the board of selectmen, unless the notice and hearing are in writing expressly waived by the member of the board subject to removal.

The members of the board of directors shall not receive compensation for the performance of their duties hereunder, but each member shall be reimbursed by the corporation for expenses actually incurred in the performance of his duties. Every such reimbursement shall be open to public inspection from and after the requisition therefor.

The board of directors shall have the powers to set a fiscal year for the operation of the corporation and to make, amend, or repeal the bylaws in whole or in part.

SECTION 8. The board of directors shall adopt a corporate seal for the corporation and designate the custodian thereof. The board of directors shall cause at all times accurate accounts to be kept of all receipts and expenditures of the funds of the corporation; and shall make a report annually to the board of selectmen, containing an abstract of such accounts and detailed information of all receipts and expenditures, including prices paid for property acquisition, contracts for construction of facilities and for the leasing thereof, and such other detailed information as may be helpful. The corporation shall cause an audit of its books and accounts to be made at least once in each fiscal year by certified public accountants and the cost thereof shall be treated as a current expense. Except as otherwise provided for in this act, the corporation shall have the full power to exercise care of its property and the management of its business and affairs. The treasurer shall give bond for the faithful performance of his duties, with a surety company authorized to do business in the commonwealth as surety, in such sum as the board may determine, the premium thereof to be paid by the corporation.

SECTION 9. The corporation is hereby authorized to provide by resolution, one time or from time to time, for the issuance of revenue bonds of the corporation for the purposes of paying all or any part of the cost of a development project or projects. The principal of and interest on such bonds shall be payable solely from the funds herein provided for such payment. The bonds of each issue shall be dated, shall bear interest at such rates and shall mature at such time or times not exceeding forty years from their date or dates, as may be determined by the corporation, and may be redeemable before maturity, at the option if the corporation, at such price or prices and under such terms and conditions as may be fixed by the corporation prior to the issuance of the bonds. The corporation shall determine the form of the bonds, including any interest coupons to be attached thereto, and the manner of execution of the bonds, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest, which may be at any bank or trust company within the Commonwealth. In case any officer whose signature or a facsimile of whose signature shall appear on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. The bonds may be issued in coupon or registered form or both, as the corporation may determine, and provision may be made for the registration

of any coupon bonds as to principal alone and also as to both principal and interest. The corporation may sell such bonds in such manner and for such price, either at public or private sale, as it may determine to be for the best interests of the corporation.

The proceeds of such bonds shall be used solely for the payment of the cost of the development project or projects, and shall be disbursed in such manner and under such restrictions, if any, as the corporation may provide. Prior to the preparation of definitive bonds, the corporation may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds have been executed and are available for delivery. The corporation may also provide for the replacement of any bonds which shall become mutilated or shall be destroyed or lost. Revenue bonds may be issued under the provisions of this act subject only to those proceedings, conditions or things which are specifically required by this act.

The corporation is hereby authorized to provide by resolution for the issuance of revenue refunding bonds of the corporation for the purpose of refunding any revenue bonds then outstanding and issued under the provisions of this act, including the payment of any redemption premium thereon on any interest accrued or to accrue to the date of redemption of such bonds and, if deemed advisable by the corporation, for the additional purpose of construction or reconstructing and extensions or improvements of the development project. The issue of such bonds, the maturities, and other details thereof, the rights of the holders thereof, and the duties of the corporation in respect of the same shall be governed by the provisions of this act insofar as the same may be applicable.

While any bonds issued by the corporation remain outstanding, the powers, duties or existence of the corporation shall not be diminished or impaired in any way that will affect adversely the interests and rights of the holders of such bonds.

Revenue and revenue refunding bonds issued under the provisions of this act, unless otherwise authorized by law, shall not be deemed to constitute a debt of the Commonwealth or the town, or a pledge of the faith and credit of the Commonwealth or of the town, but such bonds shall be payable solely from the funds herein provided therefore from revenues. In the event that the corporation or the town or Commonwealth is not obliged to pay said revenue or revenue refunding bonds, then and in that event, all such revenue and revenue refunding bonds shall contain on the face thereof a statement to the effect that neither the corporation nor the commonwealth nor the town shall be obliged to pay the same or the interest thereon except from revenues, and that neither the faith and credit nor taking power of the Commonwealth or of the town is pledged to the payment on such bonds.

All revenue and revenue refunding bonds issued under the provisions of this act shall have and are hereby declared to have all the qualities and incidents of negotiable instruments as defined in sections three through one hundred four of chapter one hundred six of the General Laws.

SECTION 10. In the discretion of the corporation such revenue bonds or revenue refunding bonds may be secured by a trust agreement by and between the corporation and a corporate trustee, which may be any trust company or bank having the powers of a trust company within the Commonwealth. Such trust agreement may pledge or assign the revenues to be received, but shall not convey or mortgage any development project or part thereof.

Either the resolution providing for the issuance of bonds or such trust agreement may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including without limiting the generality of the foregoing provisions defining defaults and providing for remedies in the event thereof, which may include the acceleration of maturities, and covenants setting for the duties of and limitations on the corporation in relation to the acquisition, construction, improvement, enlargement, alteration, equipping, furnishing, maintenance, operation, repair, insurance and disposition of property, the custody, safeguarding, investment and application of moneys, the use of any surplus bond or note proceeds and the establishment of reserves. Such resolution or trust agreement may also contain covenants by the corporation in relation to, among other things, (a) the establishment, revision and collection of such rents and charges for services of facilities furnished or supplied by the corporation as shall provide revenues sufficient with other revenues of the development project, if any, to pay (i) the cost of maintaining, repairing and operating the project and of making renewals and replacements in connection therewith, (ii) the principal of and the interest on said revenue bonds as the same shall become due and payable, (iii) payments in lieu of taxes, betterment and special assessments, and (iv) reserves for such purposes, (b) the purpose or purposes of the proceeds of the sale of the bonds will be applied and the use and disposition thereof, (c) the use and disposition of the gross revenues of the corporation from the development project, any additions thereto and extensions and improvements thereof, including the creation and maintenance of funds for working capital and for renewals and replacements to the project, (d) the amount, if any, of additional revenue bonds payable from the revenues of the development project and the limitations, terms and conditions on which such additional revenue bonds may be issued, and (e) the operation, maintenance, management, accounting and auditing of the development project and of the income and revenues of the corporation.

It shall be lawful for any bank or trust company incorporated under the laws of the Commonwealth to act as depository of the proceeds of the bonds or of revenues, and to furnish such indemnifying bonds or to pledge such securities as may be required by the corporation. Such trust agreement may set forth the rights and remedies of the bondholders and of the trustee, and may restrict the individual right of action by bondholders as is customary in trust agreements or trust indentures securing bonds and debentures of corporations. In addition to the foregoing, such trust agreement may contain such other provisions as the corporation may deem reasonable and property for the security of the bondholders. All expenses incurred in carrying out the provisions of such trust

agreement may be treated as a part of the cost of the operation of the development project. The pledge by any such trust agreement or resolution shall be valid and bonding from the time when the pledge is made; the revenues or other moneys so pledged and then held or thereafter received by the corporation shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act; and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the corporation, irrespective of whether such parties have notice thereof. Neither the resolution nor any trust agreement by which pledge is created need be filed or recorded except in the records of the corporation, and no filing need be made under chapter one hundred six of the General Laws.

SECTION 11. Revenue bonds and revenue refunding bonds issued under the provisions of this act are hereby made securities in which all public officers and public bodies of the Commonwealth and its political subdivisions, all insurance companies, trust companies in their commercial departments and within the limits set by section fourteen of chapter one hundred sixty seven E of the General Laws, banking associations, investment companies, executors, trustees and other fiduciaries, and all other persons whatsoever who are now or may hereafter be authorized to invest in bonds or other obligations of a similar nature may properly and legally invest funds, including capital in their control and belonging to them; and such bonds are hereby made obligations which may properly and legally be made eligible for the investment of savings deposits and income thereof in the manner provided by section two of one hundred sixty seven E of the General Laws. Such bonds are hereby made securities which may properly and legally be deposited with and received by any state or municipal officer or any agency or political subdivision of the Commonwealth for any purpose for which the deposit of bonds or other obligations of the Commonwealth is now or may hereafter be authorized by law.

SECTION 12. To provide funds for the general purposes of the corporation, including working capital, the corporation may from time to time issue debentures which, unless otherwise authorized by law, shall not be deemed to constitute a debt of the Commonwealth or of the town, or a pledge of the faith and credit of the Commonwealth or of the town, and shall be subordinated to all other obligations of the corporation and shall be payable at such time and in such installments, if any, as the corporation shall determine, but solely out of the net assets of the corporation; and the holders thereof shall be entitled to interest thereon, but only out of the net earnings of the corporation, and in no event at a rate higher than the rate specified therein.

Such debentures may be secured by a trust agreement by and between the corporation and a corporate trustee, which shall be located within the Commonwealth and shall be a trust company or bank having the powers of a trust company. The trust agreement shall contain such provisions for protecting and

enforcing the rights and remedies of the debentureholder as may be reasonable and proper and not in violation of law. It shall be lawful for any bank or trust company incorporated under the laws of the Commonwealth which may act as a depository under such trust agreement to furnish such indemnifying bonds or to pledge such securities as may be required by the corporation. Such trust agreement shall set forth the rights and remedies of the debentureholders and of the trustee, and may restrict individual right of action by debentureholders. In addition to the foregoing, such trust agreement may contain such other provisions as the corporation may deem reasonable and proper for the security of the debentureholders. All expenses incurred in carrying out the provisions of such trust agreement may be treated as an item of current expense.

Debentures may be issued under the provisions of this act without obtaining the consent of any department, division, office, commission, board, bureau or agency of the Commonwealth or the town, and without any other proceedings or the happenings of any other condition or things other than those proceedings, conditions or things which are specifically required by this act.

SECTION 13. Any holder of bonds or debentures issued under the provisions of this act or of any coupons appertaining thereto, and the trustee, except to the extent the rights herein given may be restricted by the trust agreement, may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights under the laws of the Commonwealth or granted hereunder or under the trust agreement, and may enforce and compel the performance of all duties required by this act or by the trust agreement, to be performed by the corporation or by any officer thereof.

SECTION 14. Notwithstanding any rule at common law or any authorization, limitation or any such other provision of any general or special law, or any provision in their respective charters, agreements of associations, articles or organization, or trust indentures, all domestic corporations organized for the purpose of carrying on business within the Commonwealth, including without implied limitation any electric or gas company as defined in section one of chapter one hundred sixty four of the General Laws, railroad corporations as defined in section one of chapter one hundred sixty of the General Laws, financial institutions, trustees and the town of Plymouth are hereby authorized to acquire, purchase, hold, sell, assign, transfer, or otherwise dispose of any bonds, securities or other evidence of indebtedness of said corporation and to make contributions to said corporation, all without the approval of any regulatory authority of the Commonwealth.

Any contribution made under this section to the corporation shall be in addition to any contributions authorized by section twelve C of chapter one hundred seventy of the General Laws, and by other provisions of general or special law.

SECTION 15. Except as herein provided, rents and charges for services or facilities furnished or supplied by the corporation shall not be subject to

supervision or regulation by any department, division, commission, board, bureau or agency of the Commonwealth or the town, and if derived from a development project in connection with which revenue bonds have been issued, shall, with all other revenues derived from the project, except such part thereof as may be necessary to pay such cost of maintenance, repair and operation, and to provide such reserves therefore as may be provided for in the resolution authorizing the issuance of the bonds or in the trust agreement, but including such part thereof as may be necessary to provide such reserves for the payment of the principal of and the interest on said revenue bonds as may be provided for in such resolution or trust agreement, and including also the proceeds of any and all sales by the corporation of property for or in connection with a development project, be set aside at such regular intervals as may be provided for in such resolution or trust agreement, in a sinking fund which is hereby pledged to and charged with the payment of (1) the interest upon such bonds as such interest shall fall due, (2) the principal of the bonds as the same shall fall due, (3) the necessary charges of paying agents for paying principal and interest, and (4) the redemption price or the purchase price of bonds retired by call or purchase as therein provided.

SECTION 16. The corporation shall be liable in contract and in tort in the same manner as a municipal corporation. The directors, employees, officers and agents of the corporation shall be liable as such in contracts and tort, in the same manner as municipal employees under the General Laws. The corporation shall indemnify its employees under sections nine and thirteen of chapter two hundred thirty eight of the General Laws as public employees. The property or funds of the corporation shall not be subject to attachment or to levy and sale on execution, but if the corporation refuses to pay a judgment entered against it in any court of competent jurisdiction, the Plymouth division of the superior court department may direct the treasurer of such corporation to pay such judgment. The real estate owned by the corporation shall not be subject to liens under chapter two hundred fifty four of the General Laws, but the provisions of sections twenty eight and twenty nine of chapter one hundred forty nine of the General Laws shall be applicable to any construction work by the corporation.

SECTION 17. The corporation shall make reports of its condition not less than annually to the board of selectmen and secretary of state, which report shall be published in a newspaper of general circulation in the town of Plymouth within 60 days of the close of the corporation's fiscal year. The state secretary shall make copies of such reports available to the commissioner of insurance and to the commissioner of banks, and said corporation shall also furnish such other information as may be required by the state secretary from time to time.

SECTION 18. Notwithstanding any other general or special law to the contrary, the town, acting through the board of selectmen, may lease for a term not to exceed 60 years any land or land with improvements owned by the town within the development zone, upon such terms and conditions as the board of

selectmen shall determine, for public purposes consistent with this act. The terms and conditions of any such lease or sale shall be determined by the board of selectmen. All leases shall provide that the corporation may not encumber property owned by the town, or the corporation's leasehold interest therein, without approval of the board of selectmen.

The town shall not incur any financial obligation as a result of any action by the corporation, absent a two-thirds vote of town meeting.

Notwithstanding the provisions of any general or special law to the contrary, the corporation shall establish a maintenance reserve fund from any lease revenues obtained from development projects carried out on publicly owned property, sufficient to meet the expenses of maintaining said projects in a fully operational state, including, but not limited to, routine and non-routine maintenance and the maintenance of any and all improvements.

SECTION 19. No development project shall be undertaken until a public hearing relating to the project has been held by the corporation after due notice. Due notice of public hearings shall be given by the corporation to the general public through a legal notice in a newspaper having a general circulation in the town, published no later than two weeks prior to the hearing date.

SECTION 20. The real estate and tangible personal property of the corporation shall be deemed public property used for essential public and governmental purposes and shall be exempt from taxation by the commonwealth or any subdivision thereof and from betterments and special assessments; provided, however, that in lieu of such taxes, betterments, and special assessments, the town may determine a sum to be paid to it annually in any year or period of years, such sum to be in any year not in excess of the amount that would be levied at the then current tax rate upon the average assessed value of such real estate, including buildings and other structures, for the three years preceding the acquisition thereof, the valuation for each year being reduced by all abatements thereon.

The town may, however, agree with the corporation upon the payments to be made, or the corporation may make and the town may accept such payments, the amount of which shall not in either case be subject to the foregoing limitation.

Nothing in this act shall be construed to prevent the taxation, to the same extent and in the same manner as other real estate is taxed, of real estate sold or otherwise transferred by the corporation pursuant to a development project, or the taxation to the same extent and in the same manner as real estate of the commonwealth is taxed, of real estate acquired by the corporation pursuant to a development project and thereafter leased by the corporation; provided, however, that real estate so acquired by the corporation and sold or leased to an urban redevelopment corporation or other entity operating under chapter one hundred twenty one A, one hundred twenty one B, and one hundred twenty one C of the General Laws shall be taxed under said chapters.

The corporation and the debentures issued under the provisions of this act, their transfer and the income therefrom, including any profit made on the sale

thereof, shall at all times be free from taxation by the Commonwealth or any subdivision thereof.

SECTION 21. Upon two-thirds vote of town meeting, the town may expand the geographic boundaries of the development zone defined in Section 1 or enter into agreements with the corporation to carry out development projects consistent with the purposes of this act outside the development zone.

SECTION 22. The corporation is hereby designated as a community-based development organization (CBDO) for purposes of carrying out community or economic development projects with federal financial assistance.

SECTION 23. The town may raise and appropriate or may borrow under section eight of chapter forty four of the General Laws or otherwise as appropriate, or may agree with the corporation or with the federal government or the commonwealth to borrow or as otherwise appropriate, in aid of the corporation, such sums as may be necessary to carry out the purposes and powers of the corporation, including defraying part of the development, acquisition and operating costs of any development project. Indebtedness of the town authorized under this section shall be outside the limit of indebtedness prescribed in section ten of chapter forty four of the General Laws and shall be payable within 40 years, and otherwise subject to sections sixteen through twenty seven, inclusive, of chapter forty four of the General Laws; provided, however, that the total amount of indebtedness of the town outstanding at any one time under this section and clauses one, two and four of section twenty of chapter one hundred twenty one B shall not exceed five per cent of the town's equalized valuation as defined in section one of said chapter forty four notwithstanding the provisions of section twenty one of said chapter one hundred twenty one B. Indebtedness incurred under this act shall also be subject to approval under section twenty two of said chapter one hundred twenty one B, in like manner as indebtedness incurred under said section twenty.

SECTION 24. The corporation may, upon the affirmative vote of two-thirds of its members, petition for its dissolution by order of the supreme judicial or superior court, in the manner provided in section eleven A of chapter one hundred eighty of the General Laws.

SECTION 25. If the town shall modify its charter, or if it shall adopt a new charter, then without amendment of this act, those provisions of this act which refer to specific municipal officials or municipal bodies shall be understood, upon the charter change, to refer to those who under such change exercise the same or equivalent functions.

SECTION 26. This act, being necessary for the welfare of the commonwealth and the town and its inhabitants, shall be liberally construed to effect the purpose thereof.

SECTION 27. The provisions of this act are severable, and if any of its provisions shall be held unconstitutional by any court of competent jurisdiction, the decision of such court shall not impair any of the remaining provisions.

SECTION 28. This act shall take effect upon its passage.

Mr. MacKenzie moved to extend the time limit for Mr. Martini. The motion PASSED.

Mr. George Parker moved to delete from Section 3, subsection f all words from "provided" to the end of the subsection.

Mr. Howe moved the previous question. The motion FAILED.

Mr. O'Reilly moved the previous question. The motion PASSED.

On Mr. Parker's motion to amend, the motion failed with 51 in favor, 52 in opposition, and 2 abstentions.

The Moderator called a recess at 9:24 P.M.

The Moderator returned the meeting to order at 9:39 P.M.

Ms. DeCoste moved to reconsider the motion to set adjourned sessions. The motion FAILED.

Ms. Kingsbury moved the previous question on Article 10. The motion PASSED.

On the main motion of Article 10, the motion PASSED.

Timothy Grandy moved to reconsider Article 2. The motion FAILED. .

Randolph Parker moved to take Article 36 out of order at this time. The motion PASSED.

ARTICLE 36: Mr. Ricardi moved that that Town vote to amend Chapter 23, Section 22 of the Town Bylaws by inserting the following new paragraph at the conclusion of the section: Notwithstanding any other provision of this section to the contrary, the display (including, but not limited to, animal acts and performances, animal rides, and competitive animal races) of non-domesticated (wild or exotic) animals for public entertainment or amusement in circuses, carnivals, or similar entities on property owned by the Town of Plymouth, on Town-owned property under lease, or on private property, excluding exhibits approved by "The New England Wildlife Center, Hingham, MA" or "The Massachusetts Society for the Prevention of Cruelty to Animals," is banned.

Mr. Howe moved to limit non-residents to two minutes on this motion. The motion FAILED.

Ms. Longo moved to limit debate initially to four non-residents on each side on this motion. The motion PASSED.

Mr. Gomes moved the previous question. The motion PASSED.

On a roll call the motion FAILED with 13 in favor and 91 in opposition.

Mr. Ricardi moved to adjourn at 10:58 P.M. until Thursday, October 24, 2001 at 7:30 P.M. in the auditorium of Plymouth North High School. The motion PASSED.

ANNUAL FALL TOWN MEETING

22 October 2001

Adjourned Session of 25 October 2001

The Moderator opened the meeting at 7:30 P.M. Upon notice from the Town Clerk, Mr. Pizer, that a quorum was present, the Moderator called the meeting to order at 7:32. P.M.

ARTICLE 11: There was no motion. Town Meeting took no action.

ARTICLE 12: Mr. Ricardi moved that the Town vote to authorize the Board of Selectmen to petition the General Court to enact legislation authorizing and directing the Division of Capital Asset Management and/or other appropriate agency of the Commonwealth to convey to the Town of Plymouth:

- 1) perpetual easements for highway purposes in that parcel of land shown as PE-01 on a plan entitled "Proposed Layout Alteration of a Portion of Long Pond Road, Plymouth, Massachusetts", dated January 23, 2001; and
- 2) temporary easements for highway construction purposes in that parcel of land shown as TE-20 on the above-said plan;

And further, to authorize the Board of Selectmen to petition the General Court for approval of such change in use, transfer and conveyance of easement under Article 97 of the Amendments to the Massachusetts Constitution, if such approval is deemed by the Board of Selectmen to be needed; provided that the General Court may vary the form and substance of the requested legislation within the scope of the general public objectives of this petition.

The motion PASSED.

ARTICLE 13: Mr. Ricardi moved that the Town vote to accept the layout of a public sidewalk adjacent to and abutting the sideline of Long Pond Road in the Town, said layout having previously been adopted by the Board of Selectmen, pursuant to G.L. c.82, §33, as shown on a plan entitled "Proposed Sidewalk Layout of a Portion of Long Pond Road"; said plan being filed with the Town Clerk; and further to vote to authorize the Board of Selectmen to acquire by gift, purchase, or eminent domain pursuant to G.L. c. 79 interests in land shown on said plan, upon such terms and conditions as it shall determine appropriate, for

all purposes for which public sidewalks are used in the Town of Plymouth, and to fund such acquisition from the funds appropriated under Article 18 of the April 10, 2001, Annual Town Meeting.

The motion PASSED unanimously.

ARTICLE 14: There was no motion. Town Meeting took no action.

ARTICLE 15: Mr. Ricardi moved that the Town vote to authorize the Board of Selectmen to acquire by gift, purchase or eminent domain pursuant to G.L. c. 79 long Clifford Road for highway and utility purposes, as shown on the plan titled, "Replacement of the Clifford Road Bridge Culvert, Right of Way Plan Clifford Road, Plymouth, Massachusetts"; said plan being filed with the Town Clerk, and to fund such acquisition from the borrowing authorized by Article 9, Item C-1 of the April 10, 2001, Annual Town Meeting.

The motion PASSED.

ARTICLE 16: There was no motion. Town Meeting took no action.

ARTICLE 17: There was no motion. Town Meeting took no action.

ARTICLE 18: There was no motion. Town Meeting took no action.

ARTICLE 19: Mr. Ricardi moved that the Town vote to transfer from the Board of Selectmen for water supply purposes to the Board of Selectmen for all purposes for which public and private ways are used in the Town of Plymouth a strip of land 100 feet in depth along the northeasterly lot line of the land identified on Town Assessors Map 102 as Lot 12D, as shown on the plan titled "Form B Subdivision Preliminary Development Plan for an Industrial Park Connector Road Prepared for Atlantic Properties & the Town of Plymouth", filed with the Town Clerk, and authorize the Board of Selectmen to grant a temporary easement for such purposes until the way is laid out and accepted as a public way;

And further, to authorize the Board of Selectmen to petition the General Court for approval of such change in use, transfer and conveyance of easement under Article 97 of the Amendments to the Massachusetts Constitution, if such approval is deemed by the Board of Selectmen to be needed.

The motion PASSED by a margin greater than two-thirds.

ARTICLE 20: Mr. Ricardi moved that the Town vote to amend its Zoning Bylaw, Section 401.23 "Rural Density Development" in accordance with the "FINAL REPORT AND RECOMMENDATIONS OF THE PLANNING BOARD ON THE PROPOSED AMENDMENT TO THE ZONING BYLAW", as it relates to lot size and dimensions.

FINAL REPORT AND RECOMMENDATION OF THE PLANNING BOARD

ON THE PROPOSED AMENDMENT TO THE ZONING BYLAW SECTION
401.23 – “RURAL DENSITY DEVELOPMENT” AS IT RELATES TO LOT SIZES
OR TAKE ANY OTHER ACTION RELATIVE THERETO

DATE OF PUBLICATION OF PUBLIC HEARING: AUGUST 9, 2001
AUGUST 16, 2001

DATE OF PUBLIC HEARING: AUGUST 27, 2001

VOTE: On Monday, August 27, 2001, the Planning Board voted
unanimously (4-0) to recommend approval of the following
amendment to Town Meeting.

PROPOSED AMENDMENT:

Bracketed words deleted []

Bolded/underlined words added **The**

Section 401.23 Rural Density Development (RDD)

E) Location and Density

A RDD may be established only in the Rural Residential (RR) District by Special permit issued by the Planning Board (which for the purposes of this section is designated as the Special Permit Granting Authority), provided that all RDD's shall comply with the standards of Environmental Design Review (Section 205.03). The density of a RDD can not exceed one dwelling unit per 120,000 square feet. The **minimum** dimensional requirements for single-family dwellings within a RDD are as follows:

<u>Minimum</u> <u>Lot Size</u>	<u>Minimum</u> <u>Lot Width</u>	<u>Minimum</u> <u>Front Yard</u>	<u>Minimum</u> <u>Side Yard</u>	<u>Minimum</u> <u>Rear Yard</u>
40,000	100	70	25	50]

Single-family Dwellings Dimensional Requirements

<u>Minimum</u> <u>Lot Size</u>	<u>Minimum</u> <u>Lot Width</u>	<u>Minimum</u> <u>Front Yard</u>	<u>Minimum</u> <u>Side Yard</u>	<u>Minimum</u> <u>Rear Yard</u>
<u>20,000 SF</u>	<u>50</u>	<u>20</u>	<u>10</u>	<u>25</u>

The Planning Board may waive RDD dimensional requirements when deemed appropriate based upon siting and design considerations unique to the specific site development. A minimum of 60,000 square feet of open space is required for every proposed residential unit.

NEED & JUSTIFICATION:

The Zoning Bylaw categorizes specific lot sizes for zoning districts. The Rural Residential Development special permit was created to allow flexibility in design of residential subdivisions. The reduced lot size provides an opportunity to construct a subdivision that is sensitive to the natural environment and incorporates the natural features of the property.

EFFECT:

The effect of this amendment would be to reduce the current lot size requirement of 40,000 SF down to 20,000 SF and reduce the dimensional setback requirements. The density of one dwelling unit per 120,000 SF **will not** change.

INTENT:

The amendment is intended to decrease the residential lot size and incorporate the remaining land area into the amount of open space preserved within the development. The amendment would also provide residential developments the flexibility to incorporate building footprints into the natural environment.

ARTICLE 21: Mr. Ricardi moved that the Town vote to amend its Zoning Bylaw, Section 500.02 "Residential Development Phasing", in accordance with the "FINAL REPORT AND RECOMMENDATIONS OF THE PLANNING BOARD ON THE PROPOSED AMENDMENT TO THE ZONING BYLAW", as it relates to the issuance of building permits for age restricted dwelling units.

2001 Fall Town Meeting Article 21

FINAL REPORT AND RECOMMENDATION
OF THE PLANNING BOARD

ON THE PROPOSED AMENDMENT TO THE ZONING BYLAW SECTION
500.02 – "RESIDENTIAL DEVELOPMENT PHASING" AS IT RELATES TO THE
ISSUANCE
OF BUILDING PERMITS FOR AGE RESTRICTED DWELLING UNITS
OR TAKE ANY OTHER ACTION RELATIVE THERETO

DATE OF PUBLICATION OF PUBLIC HEARING: AUGUST 9, 2001
AUGUST 16, 2001

DATE OF PUBLIC HEARING: AUGUST 27, 2001
SEPTEMBER 10, 2001

VOTE: On Monday, September 10, 2001, the Planning Board voted
unanimously (5-0) to recommend the following amendment to
Town Meeting.

PROPOSED AMENDMENT:

Bracketed words deleted []
Underlined and **bolded** words added

Residential Development Phasing

Rural Service Areas – Issuance of building permits by the Building Inspector for new dwelling units in the Rural Residential Zoning district shall be limited in any

calendar year to the percent of the total units in land parcels as defined above or to the applicable number of units, whichever is greater, in accordance with the following schedule. Density is calculated at or less than the referenced square footage.

Rural Service Areas – Phasing Schedule

If a definitive plan, or a preliminary plan followed within seven months by a definitive plan, was submitted to the Planning Board for approval under the subdivision control law, and written notice of such submission has been given to the Town Clerk before November 14, 1995, the land shown on said plan shall be governed by the following phasing schedule, notwithstanding the fact that the land shown on such plan may be located in different zoning districts or may be developed under different special permits for different zoning districts:

Density/(Sq.Ft.)	Percent/Year	Units/Year
60,000	6.25%	5
80,000	9%	7
100,000	17%	13
120,000	100%	

For all other subdivisions the following phasing schedule shall apply such schedule may vary as provided for in paragraph 3.

Density/Sq. Ft.	Percent/Year	Units/Year
120,000	12.5%	10

3. Phasing Schedule - Permits shall be issued here under in a manner consistent with a schedule approved by the Planning Board and recorded with the approved subdivision plan. The Planning Board may vote to authorize two times the number of units per year specified above, provided that 50% of the units in the development are age restricted by deed to at least one occupant that is 55 years or older. The Board may authorize one and one-half times the number of units provided that 25% of the units have such an age restriction.

NEED & JUSTIFICATION:

It has been clearly documented that the Town of Plymouth has been experiencing significant growth pressure for the past three decade. Demands for public services and facilities, including public schools, too often cannot be met in a timely and cost effective manner. There is a need to manage periods of accelerated residential growth without disrupting the capital improvement process or adversely affect public safety.

In sum, there is a need to promote the creation of age restricted new dwelling units in the residential zoning districts.

EFFECT:

The effect of this amendment is to increase the number of building permits that may be issued per development within a calendar year for age restricted new dwelling units and to direct residential growth in a more positive and beneficial manner by allowing age restricted dwellings to be constructed more quickly than typical single-family dwellings.

INTENT:

The intent of this amendment is to provide an alternative for developing residential property while regulating the amount of permits issued per calendar year for an individual project.

OF THE PLANNING BOARD

FINAL REPORT AND RECOMMENDATION OF THE PLANNING BOARD

ON THE PROPOSED AMENDMENT TO THE ZONING BYLAW
SECTION 201 – “BUILDING AND ZONING PERMITS” AS IT RELATES TO
FILING SCHEMATIC PLANS IN THE PERMIT PROCESS
OR TAKE ANY OTHER ACTION RELATIVE THERETO

DATE OF PUBLICATION OF PUBLIC HEARING: AUGUST 9, 2001
AUGUST 16, 2001

DATE OF PUBLIC HEARING: AUGUST 27, 2001
SEPTEMBER 10, 2001

VOTE: On Monday, September 10, 2001, the Planning Board voted unanimously (5-0) to recommend the following amendment to Town Meeting.

PROPOSED AMENDMENT:

Bracketed words deleted []
Underlined bolded words added **word**

201.02 Procedures for Zoning Permits

A Application Plan – Formal application for a zoning permit shall be made in four (4) copies on standard forms provided by the Building Inspector, and shall include four (4) copies of a plan of the proposed development. This Application Plan shall be drawn to a useable scale, normally not smaller than 1" = 10' for small proposals, or 1" = 40' for large proposals. Such plan shall show:

+++Location Map;

+++Actual Size and Shape of Lot;

+++Existing conditions and characteristics of the lot including contours at five (5) foot intervals, trees and other natural features (see Section 301 Natural Features Protection Requirements), and roads and structures;

+++Existing conditions on adjacent lots including generalized topography, tree coverage, and distance of existing structures from lot lines;

+++**Schematic plan of** proposed uses of land and exact size, shape and location of all proposed structures, including walls and fences;

+++Parking, screening, landscaping and any other site elements required under this bylaw;

+++Proposed finish grading at two (2) foot contour intervals, and all provisions for drainage affecting the site or adjacent properties;

+++Such other information as the Building Inspector may reasonably required, including a plan of the entire subdivision in the case of single-family homes.

201.03 Procedures for Special Permit Uses.

A Initial Submission to Building Inspector. For any use or structure requiring a Special Permit, the applicant shall first make application to the Building Inspector for a zoning permit as normally required, at which time the Building Inspector shall advise the applicant as to the particular requirements of the Zoning Bylaw regarding the proposed use.

B [Optional] Schematic Plan

1) In the case of Special Permit uses, and Special Permit uses which are subject to Environmental Design Conditions prescribed in Section 205, a schematic plan **shall** [may] be submitted to the Building Inspector **with the Zoning Permit application** which may be less detailed than the Preliminary Plan required for formal submission to the Board of Appeals (see Section 205). This [optional] schematic plan is intended to save the applicant time and expense in preparing plans which will be suitable for submission to the Board of Appeals.

The schematic plan is intended to be a clear presentation of the Preliminary Plan concept and the basic character of the proposed development. It is not intended to be a detailed or final drawing with engineering calculations or explicit architectural designs.

The application for a Zoning Permit and the schematic plan shall be filed in **four (4)** [three (3)] copies.

NEED & JUSTIFICATION:

The Zoning Bylaw does not currently require a preliminary or schematic plan to be submitted to the Building Inspector for review. Rather the Bylaw requires that plans be submitted for final approval by various Town boards. It is necessary to

work earlier in the process with an applicant in order to reasonably address the concerns and issues regarding their projects.

EFFECT:

The effect of this amendment is to provide the Building Inspector the opportunity to review and comment on development plans prior to a formal submission. Also, additional emphasis would be placed upon the need for consistency with the Master Plan in Special Permit findings.

INTENT:

It is not intended to constrain the granting of Special Permits but to more clearly define the type of use as it relates to the Master Plan and the stated goals of the community. Proposed is additional review of special permit projects to assure consistency with Town Meeting adopted plans and regulations.

The motion PASSED on a roll call vote with 80 in favor, 12 in opposition, and 1 abstention.

ARTICLE 22A: There was no motion. Town Meeting took no action.

ARTICLE 23: There was no motion. Town Meeting took no action.

ARTICLE 24: There was no motion. Town Meeting took no action.

ARTICLE 25: There was no motion. Town Meeting took no action.

ARTICLE 26: Mr. Ricardi moved that the Town vote to transfer the following parcels of land, said transfers to be effective upon the determination of the respective boards that said parcels are no longer needed solely for their present purposes: to transfer from the Conservation Commission for conservation purposes to the Conservation Commission for conservation purposes and for the purpose of conveying conservation restrictions that portion of the so-called "Briggs Land" shown as Lots 2A and 2B on Assessors Map 74 and Lot 4-819 on Assessors Map 72; to transfer from the Board of Selectmen for town forest purposes to the Board of Selectmen for town forest purposes and for the purpose of conveying conservation restrictions the land shown as Lot 1 on Assessors Map 87; Lots 7-6 and 43 on Assessors Map 88; Lot 1 on Assessors Map 89A; Lots 2B, 2C, 3 and 7 on Assessors Map 91 and to authorize the Conservation Commission with the approval of the Board of Selectmen, and the Board of Selectmen, respectively, to convey conservation restrictions and easements to the Commonwealth of Massachusetts with respect to all or any portion of said parcels on such terms and conditions and for such monetary compensation as the Board of Selectmen shall determine, and further to authorize the Board of Selectmen with respect to that portion of the so-called "Briggs Property" now held for general municipal purposes shown as Lots 5, 5B, 7, 8, 8A and 14 on Assessors Map 70; Lots 1 and 1B on Assessors Map 72; Lots 1 and 1C on Assessors Map 73; Lots 1, 1-25A and 2C on Assessors Map 74 to convey conservation restrictions and easements to the Commonwealth of Massachusetts with respect to all or any portion of said parcels on such terms and conditions and for such monetary compensation as the Board of Selectmen shall determine, whereby said lands would be restricted for such conservation, forestry, agriculture, horticulture, open space and outdoor recreation purposes as permitted in such conservation restrictions or as approved by the Secretary of the Executive Office of Environmental Affairs.

And further, to authorize the Board of Selectmen to petition the General Court for approval of such change in use, transfer and conveyance of conservation restrictions and easements under Article 97 of the Amendments to the Massachusetts Constitution, if such approval is deemed by the Board of Selectmen to be needed.

Mr. Randolph Parker moved to amend by adding after the words, "such monetary compensation as such boards shall determine": "excepting any portion therein zoned R 25."

Mr. Ferguson moved to extend Mr. Randolph Parker's time by two minutes.
The motion PASSED.

The motion to amend PASSED.

The motion PASSED by a margin of greater than two-thirds.

The Moderator called a recess at 9:16 P.M.

The Moderator returned the meeting to order at 9:31 P.M.

ARTICLE 27: Mr. Ricardi moved that the Town vote to accept Sections 3 to 7, inclusive, of Chapter 44B of the General Laws, otherwise known as the Massachusetts Community Preservation Act, by approving a surcharge on real property for the purposes permitted by said Act, including the acquisition, creation and preservation of open space, the acquisition and preservation of historic resources, the acquisition, creation and preservation of land for recreational use, the creation, preservation and support of community housing, and the rehabilitation and restoration of such open space, historic resources, land for recreational use and community housing that is acquired or created as provided under said Act; to determine the amount of such surcharge on real property shall be one and one-half percent (1.5%) of the annual real estate tax levy against real property; and that the Town accept the following exemption permitted under Section 3(e) of said Act.

(1) property owned and occupied as a domicile by a person who would qualify for low income housing or low or moderate income senior housing in the Town.

Mr. Bosen moved to amend the motion by deleting the words; "and that the Town accept the following exemption permitted under Section 3(e) of said Act.

(1) property owned and occupied as a domicile by a person who would qualify for low income housing or low or moderate income senior housing in the Town.

Mr. Beauregard moved to extend the time for debate by not counting responses of town officials and town counsel against time limits in discussion. The motion FAILED.

Mr. Gomes moved the previous question on the motion to amend. The motion PASSED.

On Mr. Bosen's amendment, the motion PASSED with 47 in favor and 39 in opposition.

Mr. Motta moved the previous question. The motion PASSED.

Mr. Beauregard moved to fix the method of voting by roll call. The motion FAILED.

On the main motion, the motion PASSED with 61 in favor, 24 in opposition, and 1 abstention.

Mr. Vandini moved to remove the 10:30 deadline for taking up new motions. The motion PASSED.

ARTICLE 28: Mr. Ricardi moved that the Town vote to adopt a bylaw as Chapter 41, as it appears in the Finance Committee Report, creating a Community Preservation Committee pursuant to Section 5 of the Community Preservation Act (the "Act") for the purposes of assessing the resources and needs of the community relative to the objectives of the Act and to make recommendations to Town Meeting regarding the disbursement of community preservation funds. Said Committee shall include, but not be limited to one member of the Conservation Commission, Historical Commission, Planning Board, Board of Selectmen, Housing Authority and four at large citizens.

Community Preservation Committee By-law

Chapter 1: Establishment

There is hereby established a Community Preservation Committee, consisting of nine (9) voting members pursuant to the provisions of G.L., c.44B, §5. The composition of the committee, the appointing authority and the term of office for the committee members shall be as follows

- (1) One member of the Conservation Commission as designated by the Commission;
- (2) One member of the Historical Commission as designated by the Commission;
- (3) One member of the Planning Board as designated by the Board;
- One member of the Housing Authority as designated by the Authority;
- (5) One member of the Board of Selectmen (inasmuch as the Board of Selectmen has responsibility for the duties of the Board of Park Commissioners), as designated by the Board of Selectmen;
- (6) – (9) Four members to be appointed by the Board of Selectmen.

Initially, each member designated by the Conservation Commission, Historical Commission and Planning Board will serve a three year term, the members designated by the Housing Authority and the Board of Selectmen and one of the members appointed by the Board of Selectmen will serve a two year term, and the other three members appointed by the Board of Selectmen will serve a one year term, or until the member no longer serves in the position or on the board or committee as set forth above, whichever is earlier. Thereafter, each member of the Committee shall serve for a term of three years or until the person no longer serves in the position or on the board or committee as set forth above, whichever is earlier.

Should any of the officers, boards, authorities, or committees who have appointing authority under this by-law be no longer in existence for whatever reason, the Town Manager shall appoint a suitable person to serve in their place.

Any member of the Committee may be removed for cause by their respective appointing authority after hearing.

Chapter 2: Duties

(1). The community preservation committee shall study the needs, possibilities and resources of the town regarding community preservation. The committee shall consult with existing municipal boards, including the conservation commission, the historical commission, the planning board, the department of public works, and the housing authority, or persons acting in those capacities or performing like duties, in conducting such studies. As part of its study, the committee shall hold one annual public informational hearing, or more at its discretion, on the needs, possibilities and resources of the town regarding community preservation possibilities and resources, notice of which shall be posted publicly and published for each of two weeks preceding a hearing in a newspaper of general circulation in the town.

(2). The community preservation committee shall make recommendations to the Town Meeting for the acquisition, creation and preservation of open space, for the acquisition and preservation of historic resources, for the acquisition, creation and preservation of land for recreational use, for the creation, preservation and support of community housing and for rehabilitation or restoration of such open space, historic resources, land for recreational use and community housing that is acquired or created as provided in this section. With respect to community housing, the community preservation committee shall recommend, wherever possible, the reuse of existing buildings or construction of new buildings on previously developed sites.

(3). The community preservation committee may include in its recommendation to the Town Meeting a recommendation to set aside for later spending funds for specific purposes that are consistent with community preservation but for which sufficient revenues are not then available in the Community Preservation Fund to accomplish that specific purpose or to set aside for later spending funds for general purposes that are consistent with community preservation.

(4). In every fiscal year, the community preservation committee must recommend either that the legislative body spend, or set aside for later spending, not less than 10% of the annual revenues in the Community Preservation Fund for (a) open space (not including land for recreational use), (b) historic resources; and (c) community housing.

Chapter 3: Requirement for a quorum and cost estimates

The community preservation committee shall comply with the provisions of the Open Meeting Law, G.L. c.39, §23B. The committee shall not meet or conduct business without the presence of a majority of the members of the community preservation. The community preservation committee shall approve its actions by majority vote. Recommendations to the Town Meeting shall include the committee's anticipated costs.

Chapter 4: Amendments

This by-law may be amended from time to time by a majority vote of the Town Meeting, consistent with the provisions of G.L. c.44B.

Chapter 5: Severability

In case any section, paragraph or part of this by-law be for any reason declared invalid or unconstitutional by any court, every other section, paragraph or part shall continue in full force and effect.

Chapter 6: Effective Date

Provided that the Community Preservation Act is accepted at the 2002 Annual Town election, this by-law shall take effect upon approval by the Attorney General of the Commonwealth, and after all requirements of G.L. c.40, §32 have been met. Each appointing authority shall have thirty days after approval by the Attorney General to make their initial appointments.

John Beauregard moved to amend by adding the following at the end of the motion: "No person shall be appointed by the Selectmen to serve on the Community Preservation Committee who is exempt, for any reason, from paying this surtax." AND to insert in the bylaw in Section (6)-(9) "four members to be appointed by the Board of Selectmen."

Mr. Ferguson moved the previous question. The motion PASSED.

On the amendment, the motion FAILED.

On the main motion on a roll call vote, the motion PASSED with 74 in favor and 12 in opposition.

ARTICLE 29: Mr. Ricardi moved that the Town will vote to accept G.L. c. 40, §42K to allow the assessment of betterments for the construction and connection of water mains and services by a uniform unit method and will vote to amend Chapter 191, Article I, Section 191-2 of the General Bylaws of the Town by inserting at the owners of land which abut on Lookout Point Road, Wamsutta Avenue, King Philip Road and the portion of Ellisville Road between station 359+0 and station 375+0 shall pay a proportional part of the whole of the cost based upon the uniform unit method provided by G.L. c. 40, §42K.

The motion PASSED.

ARTICLE 30: There was no motion. Town Meeting took no action.

ARTICLE 31: There was no motion. Town Meeting took no action.

ARTICLE 32: Mr. Ricardi moved that the Town vote to amend Chapter 30, Section 3 of the General Bylaws of the Town by adding "No horses or dogs shall be allowed on any public beach between Memorial Day and Labor Day."

And further vote to amend Chapter 30, Section 2 of the General Bylaws of the Town by deleting "No horse shall be allowed on any public beach between Memorial Day and Labor Day."

Mr. Randolph Parker moved to add the word "inland" before public beach.

Mr. Gomes moved the previous question. The motion PASSED.

On Mr. Parker's motion to amend, the motion FAILED.

Mr. Gomes moved the previous question. The motion PASSED.

On the main motion, on a roll call vote, the motion FAILED with 42 in favor and 44 in opposition.

ARTICLE 33: Mr. Ricardi moved that the Town vote to amend Chapter 134, Section 3 of the General Bylaws of the Town by adding "and White Island Pond" after the reference to Great Herring Pond in the first sentence; and further to amend the first clause of the second sentence to read, "On these Great Ponds."

The motion PASSED unanimously.

ARTICLE 34: There was no motion. Town Meeting took no action.

ARTICLE 37: Mr. Ricardi moved that the Town will vote to authorize the Selectmen to grant, insofar as they have the right to do so, to COMMONWEALTH ELECTRIC COMPANY, its successors and assigns, or any licensee from it, (hereinafter called the Grantees), with Quitclaim Covenants, the perpetual right and easement to located, relocate, erect, construct, reconstruct, install lay, dig up, operate, maintain, patrol, inspect, repair, replace, alter, change the location of, extend or remove transformers, transformer enclosures, manholes, handholes, and all apparatus, equipment and fixtures deemed necessary for the purposes specified above, under, above, along, upon, and over that certain parcel of Town owned land, namely:

Said premises known as the Savery Pond Pumping Station, for description see deed dated November 30, 2000 recorded in Book 19123 Page 244 and Plan #818 of 2000 recorded in Book 44 Page 26 in the Plymouth County Registry of Deeds.

The motion PASSED unanimously.

The Moderator announced dissolution of Town Meeting at 11:12 P.M.

BOARD OF SELECTMEN

The year 2001 will forever remain in our memories. It is still difficult for us all to comprehend how the events of September 11, 2001 happened and more importantly, why? But even at that most critical moment, human spirit and pride in our country pulled us through in New York City, Washington DC, Pennsylvania, and here in Plymouth. In a way, what we list below as our accomplishments seems insignificant with what happened. But they aren't. The fact that our town was progressing before September 11th, during September 11th and thereafter is a testament to Plymouth's great resolve. And so with great pride, the Board of Selectmen presents its annual report for the year ending December 31, 2001.

In Two thousand and one the annual town election returned Selectmen David Malaguti and David Rushforth to the Board of Selectmen joining Selectmen Kenneth Tavares, Richard Quintal, Jr. and Christopher Lombard. Selectman Tavares was re-elected as Chairman and Selectman Malaguti was re-elected as Vice Chairman. Among the Board of Selectmen's accomplishments in 2001 were:

BUDGET GUIDELINES

With growth issues and a slowing economy as major factors, the Board of Selectmen, in conjunction with town management developed a budget that maintains quality services to residents and addresses the reality of decreasing state aid and tax revenue from Pilgrim Nuclear Power Plant. For fiscal year 2003, the Board adopted guidelines that limit the overall budget increase to 3%.

ECONOMIC DEVELOPMENT

2001 saw the unveiling of the RKG economic development report and the formation of a taskforce. Together, the report, its accompanying computer generated community services model, and the Selectmen/Town Manager initiated implementation taskforce will help both government and industry plan for Plymouth's future.

In addition, through the efforts of the town's Department of Economic Development and with the support of the Plymouth Area Chamber of Commerce, formation of an Economic Development Corporation was passed by Town Meeting for the downtown/waterfront area. With that same cooperation, Economic Target Areas ("ETA") have been established in Plymouth to facilitate more commercial and industrial growth in targeted areas.

2001 also brought about the creation of the Plymouth Regional Economic Development Foundation, an entity formed by the Town, the Chamber of Commerce and the Plymouth Development and Industrial Commission (PDIC) to enhance Plymouth's economic development strategy through the collective experience of dedicated economic development practitioners.

Finally, Plymouth welcomed a new educational partner to town, the University of Massachusetts, Boston. Now located at Cordage Park, UMass will assist residents in continuing their education and encourage residents and businesses from other communities to invest in Plymouth.

EMERGENCY MANAGEMENT

The tragic events of September 11, 2001 caused us all to reflect on security and emergency response. No one could have predicted what happened that day or how strongly we all united in the wake of the attacks. With a tremendous amount of support and cooperation much was accomplished to ensure that Plymouth was, is, and will continue to be a safe place. Such accomplishments include:

- At the Town's request, the deployment of members of the National Guard to Pilgrim Nuclear Power Plant to enhance existing plant security
- Establishment of a federal, state and local working group headed by Congressman William Delahunt and including the Board of Selectmen, Plymouth's state legislative delegation and representatives from the Federal Aviation Administration, Nuclear Regulatory Commission, Coast Guard, Governor's Office, Plymouth's public safety departments, the Town Manager's Office, Plymouth Municipal Airport, and Entergy. The purpose of this group is to share the town's security and emergency response concerns directly with decision makers at the federal and state levels.
- Review of the Town's emergency response plan

ENTERGY NEGOTIATIONS

The deregulation of the electric industry brought uncertainty to Plymouth's financial future. Yet with a successful agreement negotiated with Boston Edison, Plymouth's financial future has become clearer. In 2001 a second agreement was negotiated, this time with Pilgrim Nuclear Power Plant's new owner, Entergy. This agreement further allows Plymouth to predict, with more certainty, the impact that the devaluation of the plant will have on Plymouth's tax base and therefore allow the town to plan its economic future. The agreement also allows for increases in payments if Entergy makes capital improvements and upgrades.

MEMORIAL HALL

2001 brought about the start of the Memorial Hall restoration project. Once reconstructed, Memorial Hall will serve as a major cultural center, not only for Plymouth but also for the region and the state as a whole. Moreover, with its upgraded systems and enhanced structural improvements, Memorial Hall will continue to stand as a permanent memorial to Plymouth's veterans for years to come.

JOINT MEETINGS

The Board of Selectmen convened a considerable number of joint meetings in 2001. These included meetings with our state legislators, Senator Therese Murray and Representatives Vinny deMacedo and Tom O'Brien on matters including the state budget, local aid, and emergency management. The Board of Selectmen also met jointly with the School Committee on budget issues and facilities needs, with the Planning Board on development and growth issues and with representatives of the Finance Committee on FY 03 state aid.

CULTURAL ACTIVITIES

Statues, torches and twinning agreements were the order of the day in 2001. After many months of fundraising and design, the Cultural Council realized their dream of a statue dedicated to Plymouth's immigrants. The Immigrant Statue that rests in Brewster Garden was unveiled with great success and continues to generate enormous pride throughout Plymouth's diverse communities.

2001 also saw the formalization of a 381-year relationship between Plymouth's namesake, Plymouth, England and "America's Hometown". A delegation from the Town of Plymouth including Selectmen Tavares and Malaguti and Town Manager Eleanor Beth traveled to Plymouth, England, to participate in the "twinning" a ceremony creating formal relations between our two communities.

Continuing our Shichigahama, Japan, relationship the Town received two exchange students from our sister-town in 2001. The exchange students spent the entire school year living with Plymouth host families and attending Plymouth's Public Schools.

Finally, and with great honor, the Town of Plymouth received the Olympic Torch on December 27, 2001 as it passed through town on its way to Salt Lake City, Utah for the 2002 Winter Games. Through the efforts of the Olympic Torch Committee, the torch was welcomed to town by patriotic students and carried by two of Plymouth's residents Lisa Cline and Curt Gessler.

TOWN MANAGER

2001 was another challenging year for the Town of Plymouth. The events of September 11 effected everyone in town government as they affected all Americans. Here in "America's Hometown," we mourned the lost lives and tried to find better ways to maintain and improve the feeling of security of our citizens. Foremost in these efforts, we worked hard with our federal and state legislative delegations to increase our sense of security regarding the Pilgrim Nuclear Power Station.

While that event changed us all forever, town government continued to dedicate itself to our commitment to provide high quality services to this growing community while striving to minimize the tax burden imposed on residents and business owners. 2001 was the first year that saw the payment from Boston Edison decrease – by \$2.2 million – so the economic challenges are substantial. Some of the notable events of 2001 are:

- **Economic Development:**

The comprehensive economic study by RKG Associates Inc. was completed and we have begun to implement its recommendations. The Cost of Community Services model is designed to assist the Town in analyzing the positive and negative financial impacts on the Town of potential residential and commercial developments. A task force has been appointed to ensure that this model remains current and usable.

As part of the recommendations for development strategy, the Town formed a partnership with the Chamber of Commerce and the Plymouth Industrial Development Corporation to create the Plymouth Regional Economic Development Foundation. The Foundation's goal is to provide programs that will retain or increase local tax revenues, provide new employment opportunities and foster business in Plymouth.

The Fall Annual Town Meeting also voted to petition the Massachusetts legislature to create an economic development corporation to assist in the development and management of public development initiatives, such as improved parking in the downtown/harbor area.

- **Renovation of Memorial Hall**

The renovation of Memorial Hall was further delayed in 2001 while the Town dealt with many design and financial issues relating to this project. The hall was closed in June and the renovation is now well underway. It is hoped to be reopened in 2002 and should be well worth the wait.

- **New Senior Center**

The Town also began renovations of the former CURA Visiting Nurse building at 89 Court Street for use as a senior center. Design and funding problems also plagued that project but it is now underway and the Town can look forward to a new facility for its seniors which will provide three times as much useable space in a handicapped accessible building.

- **Entergy Agreement**

While 2001 saw the first decrease in revenues from the payment in lieu of taxes agreement with BECO, the Town was able to negotiate another payment in lieu of taxes agreement with Entergy Inc., the new owners of Pilgrim. This agreement will provide a stable guaranteed flow of revenue to the Town while allowing the payments to increase if Entergy makes expected capital improvements to this plant or any other substantial additions. This agreement was approved by the Fall Annual Town Meeting.

- **Communication Towers and Antennae**

The Town is negotiating lease arrangements with four telecommunication carriers for space on several Town properties, including the Lantern Lane and Cedarville Water Tanks, the Manomet Recreation Field, South High School and the Memorial Hall cupola. These agreements will generate about \$6 million in revenue over the 25-year life of the leases.

- **Other non-residential property tax revenue**

The Town remains dedicated to increasing revenue to the Town through sources that do not place an additional tax burden on the residents. In addition to revenue from the providers of wireless communication services, there have been other areas in which we have been successful:

- **Grants:**

The Town is always fortunate to receive many grants from multiple sources. Virtually all departments from the Council on Aging, the library, the police and fire departments, the airport, community development, emergency management, and

public works have all received grant funding to assist with providing important town services. Some notable grants received in 2001 include \$416,000 in Community Development Block Grant funds, \$50,000 to restore the Herring Run at Jenney Pond, \$25,000 from Mass Development to assist in our town pier planning project and the funding for a pump out boat and facility for the town wharf.

- **Sale of Surplus Real Estate**

Through the efforts of many town employees, a very successful auction of surplus real estate was held in May. This brought \$429,000 in revenue to the Town, including \$235,000 for the old South Street fire station and \$170,000 for a house on Goddard Court that the Town had acquired through non payment of taxes. Not only did the Town receive one time revenue from the sale of these properties, but the sale returns the real estate to the property tax rolls, thus increasing the Town's revenue every year.

- **Crematory**

The Massachusetts legislature has given the Town permission to construct a crematory on the grounds of the Vine Hills cemetery. This facility will assist the Town in dealing with the issue of decreasing cemetery space as well as bring needed revenue to the Town.

- **Twinning Agreement with Plymouth England**

The government of Plymouth, England reached out to the Town of Plymouth, Massachusetts to establish a twin (or sister) city relationship. This idea was embraced by the Board of Selectmen. After all, what more appropriate connection between communities could there be than between the two original Plymouths? At the invitation of the Lord Mayor of Plymouth, England, Selectmen Chair Kenneth Tavares, Vice Chair David Malaguti and Town Manager Eleanor Beth and their spouses visited Plymouth, England in June. Many governmental and business connections were made between the two towns and it is hoped that this is the beginning of a long and fruitful relationship between the two communities.

There were also many personnel changes in 2001. Notable among those were the resignation of Lee Hartmann as Assistant Town Manager and the hiring of Mark Sylvia to replace him. Mark had worked for the Town Manager's office previously and the selectmen and town manager are delighted he decided to return to public service. Harbor Master Ralph Savery retired as Plymouth's Harbor Master to be replaced by Joe Ritz, long time Assistant in that department. And Doug Gray, long time Superintendent of Parks and Forestry, also retired. Owen Muise, the Town's Natural Resources Officer, was appointed to fill that position. We will miss all those who left town service but welcome those who replace them.

Through the efforts of our elected and appointed officials, town employees and the residents of Plymouth, we are continuing to work together to ensure the Town's future financial stability, provide quality services for the public, protect our environment and our historical heritage and create opportunity for our commercial and industrial partners. With ongoing efforts in all these areas we will help Plymouth continue to be a wonderful place to live and work.

TOWN CLERK

The mission of the Plymouth Town Clerk's Department is to maintain and produce the records of the Town of Plymouth and to provide copies of them for internal and external use. Also, it serves the public by directing them to appropriate offices within town government through the switchboard and mail services. It works closely with the Board of Voting Registrars to maintain lists of town residents and to conduct elections.

The Clerk's office seeks to combine honesty, efficiency, and a pleasant demeanor in conducting its work to serve constituencies in the present and former citizens of Plymouth, the other offices of town government, offices in county, state and national government, and researchers around the world.

Big projects dominated the Town Clerk's Office agenda during 2001. The report of total population from the 2000 federal census (51,701) arrived in late March. Not only did the town have to even out its precincts, it had to add a new one, bringing the total to fourteen. By early May, the Clerk presented a map to the Board of Selectmen, and the Board accepted the new layout. The end of the year brought research to produce a new street map of the town, showing the new precincts. New subdivisions over the past three years complicated the process as ancient roads were overlaid with new streets. The best major project was the birth of Joie Leigh Daley to Administrative Assistant Deborah Daley.

Although the staff added only one new person, the year saw musical chairs. Joyce Farnkoff moved from the switchboard position to become Administrative Secretary, responsible for elections, registration, Uniform Commercial Code financing statements, business certificates, and more. Lisa Fornaciari moved to fill Joyce's old position of account clerk, responsible for switchboard, mailroom, and data entry of all sorts of records into the office's computers. The new staff member was Emily Wendel, who began her tenure as the census data entry clerk and finished the year as the replacement for Deborah Daley during her maternity leave. Laurence Pizer, the Town Clerk, was elected president of the Massachusetts Town Clerks' Association, the first time in the seventy-nine year history of the organization that a Plymouth clerk has held that position.

One long term process was eliminated from the office at the beginning of July when state law transferred responsibility for Uniform Commercial Code financing statements from local clerk's offices to the Corporations Division of the Secretary of the Commonwealth.

During the year the Town Clerk's Office processed the following:

1116	Birth Certificates
341	Marriage Certificates
756	Death Certificates
99	Vital Record Amendments
4150	Dog Licenses
286	Business Certificates
790	Shellfish licenses
567	Sporting Licenses
8	Homestead Certificates
175	Nomination Petitions
1051	Issue Petitions
103	Underground Storage Permits
1085	Meeting Postings
324	Uniform Commercial Code Filings

HUMAN RESOURCES

PART I: MISSION STATEMENT

The mission of the Human Resources Department is to contribute to the achievement of the Town's goals and objectives by increasing organizational effectiveness; to promote positive employee relations through improved communication and a team approach to resolving issues; to provide fair and equitable systems for hiring, promotion, compensation and classification; to provide assistance and advocacy to employees and retirees through the management of benefit programs; to encourage the professional development of employees through education and training programs; to assist managers and supervisors in improving employee relations and effective contract administration; and to provide a fair and open working environment which encourages collaboration.

PART II: SUMMARY OF ACTIVITIES

The major training program this year was "Interventions and Strategies for Workplace Violence". This was an intensive program developed and implemented in collaboration with the towns of Duxbury, Mashpee, Kingston, and Falmouth and directed by James Hardeman. The program began with "Awareness and Education" for supervisors and all other employees. This was followed by "Train the Trainer" programs with selected employees participating who will provide continuing education for employees on an annual basis. More follow-up programs will be offered in 2002. In addition, there was training for a Critical Incident Team who would respond to untoward and unexpected incidences of violence in the workplace. This, too, was a selected group of interested employees who were willing to participate in this important activity.

The Town and School have been working closely with the Insurance Advisory Committee exploring options to reduce health care costs to both the town and the employees. A special sub-committee was formed with assistance from the town's Health Insurance Consultants to work in greater detail on the issue. In the next fiscal year, it is expected some important changes will be recommended.

This fiscal year was a period of stability for current town employees. New hires kept pace with retirements and resignations. While the numbers of new hires and retirements are small, this is not expected to continue as the employee

population is aging and more retirements will become effective in the ensuing years. The statistical summary below demonstrates these changes and trends.

PART III: STATISTICAL INFORMATION

Service Level	FY00 Actual	FY01 Actual	FY02 Est.	FY03 Est.	Service Level	FY00 Actual	FY01 Actual	FY02 Est.	FY03 Est.

► AIRPORT COMMISSION

The Mission of the Plymouth Airport Commission is to promote, foster, advance and improve the common interests and conditions of General Aviation in this community and in the local areas; To promote the airport as a gateway into Plymouth for companies and individuals to conduct business in the Town of Plymouth and to be and integral part of a National Transportation system; To provide a location for business and recreational flight operations, flight schools, air charter, avionics shops, maintenance facilities, and other compatible aviation and industrial uses; To enhance the safety of flight as directed by the Federal Aviation Administration and the Commonwealth of Massachusetts, along with local rules and regulations governing flying operations.

The Plymouth Airport strives to be one of the best maintained and operated facilities of its class in the State of Massachusetts. The Airport Commission's primary goal is to operate the airport in the safest, most efficient and compatible manner possible. The Plymouth Airport is a General Aviation Airport providing the local residents and businesses access to the National Air Transportation system. As a gateway to the community, the airport offers an entrance point for business, recreation and tourism. Many of the major businesses in the area and their customers utilize the airport for their transportation needs. Most of the aircraft using the facility are 4-12 seat single and twin engine aircraft types. The activity is estimated to be approximately 72,000 aircraft movements per year and has been steady for several years.

The Plymouth Airport is home to some 155 aircraft, used for business, recreation and public safety. Boston MedFlight Helicopters continues to be a very active tenant on the airport, providing emergency medical helicopter service to area residents in times of medical emergencies. MedFlight operates an average of 4-6 flights per day responding to the emergency medical needs of the residents of the Plymouth and the Southeastern Massachusetts area. The Plymouth Airport is also the headquarters for the Massachusetts State Police, Air Wing, with three based helicopters and one airplane. The Air Wing is active in air search, air rescue and interfaces with various Federal, State and Local law enforcement agencies. The Air Wing is a welcomed addition to the Plymouth Airport and contributes to the security of both airport and the entire community. The Plymouth County Fire plane is also based and operated from the Plymouth Airport, providing critical assistance to the local fire departments during periods of high fire danger to locate forest fires within the county. This service has proved most valuable, as Plymouth county has become more built up in recent years by reducing the response time for fire personnel to forest fires and greatly reduces the danger to life and property. The airport is home to 19 private businesses, employing more than 160

persons. These businesses offer services ranging from flight schools, aircraft maintenance, aircraft sales, corporate flight crews etc.

The Airport Commission and Airport Staff continues to work diligently to operate the airport in the most environmentally compatible manner possible as a good neighbor and an asset to the Town of Plymouth. For the coming year the Airport Commission has several proposed projects including: Additional security fencing and gate controlled access to minimize access to the airport. The Airport is constructing a small package sewage treatment plant to address the septic needs of the airport. The treatment plant should come on line during the Summer of 2002. As part of the Commission's continuing commitment to operate a safe and environmentally sound operation, the Airport has installed 15 ground water monitoring wells located around the Airport property to monitor the aquifer on airport property. These test wells are tested periodically to best protect the Town property.

The airport staff is very active in providing tours for school groups and other civic groups. The airport is very popular for sightseeing flights by helicopter, airplane or glider. Along with the many corporate operations that are conducted at the airport many persons from all over the country arrive here to support the local business and tourist industry. The airport is maintained by a small but highly motivated, professional staff. The Plymouth Airport Commission is particularly proud of being financially self sufficient and will continue to work diligently to operated the Municipal Airport in a manner which the Town can be proud of. The Airport Commission offers an open invitation for any citizens of Plymouth to visit and tour your local airport.

DEPARTMENT OF FINANCE

► FINANCE AND ACCOUNTING DIVISION

The mission of the Finance & Accounting Division of the Department of Finance is to provide accurate accounting services to the Town's employees and outside vendors in a timely and efficient manner; to treat employees and vendors with respect, thereby establishing a cooperative and friendly atmosphere; and to provide a reliable informational resource to fellow employees and the community at large.

Fiscal Year 2001 brought many challenges to the Finance and Accounting Division. Capital projects such as the Wastewater Treatment Facility Construction and School Renovations required greater involvement with state agencies including the Massachusetts Water Pollution Abatement Trust (MWPAT) and the School Building Assistance Board (SBAB). Both alliances proved beneficial, as the Town received over fifteen million dollars in low interest or no interest loans from MWPAT and nearly one million dollars in school construction reimbursements from SBAB.

Many departments were successful in attracting state and federal grants to fund programs that would otherwise not be available in the Town's operating budget. During FY 2001, the Town received more than six million dollars in grants. All of this resulted in increased workloads to assure that funds were accounted for properly as well as making sure the process complied with all Massachusetts General Laws.

The division's staff, however, was up to the task and should be commended for keeping pace with these increased expectations, continuing to provide a service and a product that the division can take pride in.

Annual Data

I hereby submit this annual data for the Fiscal Year ended June 30, 2001.

In order to comply with MGL Ch41, s58 and MGL Ch41 s61 I have provided the following financial statements:

- June 30, 2001 Combined Balance Sheet,

- June 30, 2001 Schedule of Authorized and Unissued Debt with FY 2001 activity,
- June 30, 2001 Summary of Available Borrowing Capacity,
- June 30, 2001 Operating Budget with FY 2001 activity,
- June 30, 2001 Schedule of General Fund Revenue.

Detailed documentation relating to any of the summary data provided herein, as well as copies of the FY 2001 independent auditors' report are available at the Finance and Accounting Division office located in Town Hall.

► ADVISORY AND FINANCE COMMITTEE

In August the Advisory and Finance Committee began the preparation for the Fall Town Meeting by reviewing the articles in the warrant. As with the previous year, zoning changes and the outlook of reducing the town's expenses while maintaining the present level of service to the Town would occupy the majority of the Committee's time. To review all of the articles diligently and make the best recommendations to the town meeting members - twenty-one days prior to town meeting is a difficult task. However, this was accomplished through the dedication and determination of the Committee.

Immediately following the Annual Fall Town Meeting the Committee began the review process for the 2002 budget. The Committee broke into sub-committees, reviewed the budgets on departmental level and then again with the entire committee. The Committee set aside many supplemental requests by department managers for further review in March. Unfortunately, at that time many department budgets were reconsidered but the Finance Committee could not justify any further spending because it would put the overall budget beyond the 3% increase directed by the Board of Selectmen. A 3% increase in the overall budget barely maintains level funding for town services. The review process is similar to walking a tight rope. Leaning towards the side of increased services will bring higher taxes. Leaning towards the side of budget cuts will reduce services and have an adverse effect on property values.

The Committee did approve the allocation of \$1.7 mil from free cash to fund the construction of a new fire station on Pinehills Road. The Committee is of the opinion that the timing was right to build the fire station with free cash on land that had been donated to the town rather than borrow money to construct the station in the near future on land which would need to be purchased.

The FY2002 budget was passed quickly at the Annual Spring Town Meeting mainly due to the fact that a 3% overall increase does not allow any room for excess waste. The town departments will be challenged to maintain services with less money, using creative fiscal management.

There were few changes to the membership of the Committee. The Committee is now comprised mostly of experienced members, who are all committed to the challenge of the many nights of meetings from January to March. The Committee expresses a special gratitude to Pamela Borgatti, the Finance Committee Administrative Assistant who has worked admirably in her first year with the Committee and proved to be invaluable.

► ASSESSING DIVISION

The mission of the Assessing Division is to value all property fairly and equitably; to educate our customers about the rules and regulations which we must abide by; to work as a team; to treat all customers the same, with professionalism and respect and to make the Assessing Division the best managed division in the Town of Plymouth.

The Board of Assessors consists of five appointed members: Katherine Rebell, Chairman; Laurien Enos, Gerald Kelleher, James Sullivan and Robert Leonard.

The office has undergone several personnel changes this past year. The Division welcomed Marion Hartnett as a new member of the clerical staff.

It is the responsibility of the office to maintain real and personal property values each and every year. Every third year the values are certified by the Commonwealth Department of Revenue (DOR), Bureau of Local Assessment. This year the revaluation was completed in a timely manner and the values then certified by the DOR. The Board of Assessors has again increased the assessed values to reflect the increase of values in the local real estate market.

The database of the Assessors Office has now been made available on the Internet. This new service is saving individuals trips to the Town Hall to obtain information about properties. Property record cards are online for every parcel and these records can be printed. The town also has a built-in feature that allows people to send email to the assessor. This is helpful if the taxpayer finds an error. The goal of using the Internet technology is to improve service to the Plymouth taxpayers.

The office staff has worked diligently to meet all deadlines and to assist and serve the residents of the Town of Plymouth.

FY2002 values are used in the following data. The tax rate for FY2002 is \$14.26 per thousand dollars in value.

ANNUAL DATA FY2002		
CLASSIFICATION	ASSESSED VALUE	%OF TOTAL
Residential	\$3,692,997,296.00	68.9354
Open Space	686,300.00	.0128
Commercial	418,715,762.00	7.8160
Industrial	38,247,824.00	7.1912
Personal	859,542,200.00	16.0446

► DATA PROCESSING DIVISION

The mission of the Data Processing Division is to provide technical computer service to town personnel in order to maintain data integrity and computer literacy, through support, training and knowledge. Also to evolve as a team player to all departments with an open communication policy; to utilize all resources efficiently and effectively with regard to computer hardware and software to benefit the Town of Plymouth.

The Goals of the Division are:

- To maintain a wide area network connecting all town buildings.
- To train town personnel on the use of new computer technologies.
- To support and maintain the town's wide area network.
- To eliminate the mainframe computer and migrate to network based applications.

This Division continues to be responsible for 130 workstations throughout the Town. Eighteen buildings are connected by either cable or modem access.

The division continues to use Microsoft Office 97 for office automation software and Microsoft Windows NT for the Operating System.

The migration from the Prime mini-computer system to DataNational is in its final stages. The department is just one step away from unplugging the Prime.

In order to cut costs, all of the maintenance of workstations is done by the Data Processing staff. Until this year the staff contracted this work out.

The Town of Plymouth enhanced its presence on the World Wide Web. The Town has added more departmental information, most notably adding the Assessor's data. The Town's web address is www.townofplymouth.org
<<http://www.townofplymouth.org/>>.

Anthony Martel was hired as Network Technician.

► PROCUREMENT DIVISION

The mission of the Procurement Division is to procure goods and services on behalf of the Town in an efficient, ethical, and impartial manner while ensuring compliance with the Massachusetts General Laws related to procurement.

The Town has a centralized purchasing system to contract for standard services and supplies used by many departments/divisions, thereby, taking advantage of the low prices obtained through bulk purchasing. The Procurement Division is responsible for all activities related to acquiring these services and supplies for all departments/divisions. This responsibility includes overseeing the solicitation, opening and evaluation of bids and proposals, recommendation of contract award(s) to the Town Manager, and contract development and execution. This division ensures that contracting practices are in compliance with State laws.

In 2001, of the thirty-one bids produced by this office, the most notable were construction of the Pinehills Fire Station, renovations to Memorial Hall and construction of the Standish Avenue water mains. In addition to posting bids on the Town's website at TownofPlymouth.org, the division has subscribed to an Internet-based procurement system at www.municipalnet.com. This system allows the town to notify all vendors electronically within their system and the vendor can then download a bid document, review bid results, and access prior bid history.

The division is progressing with the inventory, appraisal, and property control system for fixed asset accounting, property records and insurable items in preparation for compliance with the Government Accounting Standards Board (GASB) Statement 34.

► TREASURY/COLLECTION DIVISIONS

It is the mission of this office to serve the public in a professional manner while maintaining the important cash flow to the Town. The Treasurer/Collection Division is responsible for collecting real estate, personal property and excise taxes as well as fees for water and sewer use, trailer park usage, municipal lien certificates and in lieu of tax payments due the Town. The Treasurer/Collector Division banks and reports cash receipts. Funds are released when properly authorized. The Treasurer/Collector division receives and provides for the custody of the Town's cash with strict consideration to safety, liquidity, and earnings. The Treasurer/Collector borrows funds for authorized projects only as needed and at the least possible cost to the Town. The Treasurer/Collector Division maintains and pursues the collection of delinquent taxes in a manner that is sensitive to the needs of the individual and the community as a whole.

Treasury/Collection recorded a total of \$210,730.551.46 of receipts and \$208,232,678.89 of disbursements during fiscal year 2001. The cash needs of the Town were maintained without the use of any borrowing in anticipation of revenue. All funds are continually invested in various short-term instruments with the exception of the Town's Trust Funds that, by law, are allowed to be invested on a longer basis.

The largest committed revenue source of the Town is the real estate and personal property tax. The committed amount for fiscal 2001 was \$75,198,526.92. As of June 30, 2001, 97% of this amount has been collected. The office continues with an aggressive collection policy as allowed by law. Liens and court action are used when necessary for real estate and personal property taxes. The water shut off policy is pursued for delinquent water/sewer accounts and the Registry of Motor Vehicles is notified for non-renewal of licenses for delinquent excise taxes.

DEPARTMENT OF INSPECTIONAL SERVICES

► BUILDING DEPARTMENT

The Mission of the Town of Plymouth's Building Department is to enforce all applicable codes in order to ensure a safe environment for the community, along with presenting a caring and efficient team that understands the needs of the residents of the Town of Plymouth. Staying updated on all pertinent literature gives the department the ability to provide professional and non-conflicting answers and information for the general public and fellow employees.

The year 2001 was a tremendously busy year in the department. Approximately 271 new houses were built, but the total number of permits for all sections of the Inspectional Service Department was approximately 7,380. For the third year in a row, the amount of money brought in by the Inspectional Service Department was twice the amount that was appropriated to run the department.

Although a greater portion of the permits issued were residential, there was also an increase in commercial and industrial development. New commercial and industrial development included an expansion at the Home Depot site, a new Pinehills clubhouse and golf course, health club, CVS store and many additions to existing industrial buildings.

The Inspectional Services Department oversees an important aspect of town government. The department encourages the citizens of Plymouth to address their questions and concerns anytime. The department works best protecting the citizens interest when the public is well informed.

BUILDING DEPARTMENT

	2000	2001
Total number of building permits issued	1,882	1,815
Total receipts from building permits	\$965,374.00	\$1,024,796.00

DEPARTMENT OF PLANNING AND DEVELOPMENT

The mission of the consolidated Department of Planning and Development is to coordinate all planning, community, and economic development activities of all Town government agencies. This department is to provide a comprehensive vision of the Town's long-range goals, and to administer local development controls in a fair and equitable manner consistent with those goals. Specific programs are to be designed and implemented to achieve these ends.

This department seeks to balance the overall public good with individual rights and interests. As professional support staff, reliable guidance and assistance is to be provided to boards, agencies, citizens, and other Town departments. This department served as staff to seventeen local committees throughout this year, consisting of 128 volunteer members.

The year 2001 was the ninth full year of operation for this consolidated department. Responsibility includes supervision and coordination of town agencies related to subdivision control, land acquisition, conservation, redevelopment and revitalization, zoning appeals, design review, historic preservation, affordable housing, and economic development. This was the seventh full year operating with a consolidated budget, demonstrated to be an effective means of assuring fiscal accountability and efficiency.

Working under the direction of the Director of Planning and Development, individual boards and agencies continually strive to work together more closely. Of additional significance this year was progress made working in conjunction with our neighboring cities and towns. Plymouth joined with other southeastern Massachusetts communities in working as part of Vision 2020 Task Force. The Town also continued as an active participant in work with Wareham and Carver in regard to the future of the mammoth Makepeace Property holdings along the tri-town boundaries.

► CEDARVILLE STEERING COMMITTEE

The Cedarville Master Plan is a long range plan. This shall be the principal basis for capital investment, growth management, community development, and economic development for the village. The Cedarville community has stated that Cedarville should remain a relatively small rural center primarily providing basic services to the surrounding residential neighborhoods. And to boldly go where no Steering Committee has gone before...

The year 2001 has been a busy and productive one for the Cedarville Steering Committee (CSC).

The Committee acknowledges and thanks Bob Gogan for creating and maintaining our website <http://www.caMod.net/~rgogan/steerinci.html>. The CSC understands it is the envy of every other Steering Committee.

The CSC was able to convince the town not to close the Cedarville Transfer Station.

The CSC held a number of meetings with Andy Cimbron, who wishes to build a Power House Gym in the Village Center. Construction will continue until halted by the winter weather. All of the committee's concerns were addressed. The committee forwarded recommendations to the Planning Board and the Zoning Board of Appeals (ZBA).

Edward Angley represented CVS at a number of meetings with the CSC to discuss a plan to construct a CVS in Cedarville. Construction has been completed, the store is up and running. All of the committee's and neighbors' concerns were addressed, and recommendations were forwarded to the Planning Board and the ZBA.

The committee held many meetings with Bill Shaw, representing Brad Cushing for Wadsworth Estates on Herring Pond Road. All concerns of the neighborhood have been addressed, and construction may start in the spring of 2002.

Attorney Robert Devin represented Cedarville Hill LLC. They wished to construct an affordable housing project in Cedarville. The committee felt that it did not comply with the Cedarville Master Plan and was not in the best interests of the village.

The committee participated in two public works projects, Carter's Bridge Road repairs, and Long Pond Road sidewalk construction. The negotiations on these projects are still ongoing.

The Committee met with Bill Shaw representing, Christos Beligiannidis, who hoped to construct a storage facility on Hedges Pond Road. Construction is scheduled to begin in the spring of 2002. Many concerns were discussed and changes were made. The committee forwarded recommendations and comments to the Planning Board and the ZBA.

Two new members were added to the committee, Gerre Hooker and Philip LaPointe. They are replacing Margie Bleau and Jim Mason. We thank Margie and Jim for their years of commitment to the committee.

► OFFICE OF COMMUNITY DEVELOPMENT

The mission of the Community Development Office (OCD) is to secure and administer state and federal grants that will further the Town's planning and development objectives. To accomplish this mission, OCD must seek out and coordinate Town department, outside agency, and public participation in the process by which grant-funding programs and projects are identified, developed and implemented, including the leveraging of Town and private dollars wherever required or appropriate; achieve technical proficiency and creativity among staff; increase internal awareness of and respect for discretionary grant dollars and their benefit to the community at large; and ensure that Plymouth's community development programs are the most comprehensive and best managed among Massachusetts cities and towns.

The Office of Community Development successfully completed its first year of operation as an "Entitlement Program" under the Department of Housing and Urban Development. The Housing Services Program, housing rehabilitation for low and moderate income owners, completed twenty-seven rehabilitation projects during 2001. The program was offered town-wide and the individual projects were distributed among the village areas in the following manner: West Plymouth – 6; Manomet – 8; Plymouth Center – 5; North Plymouth – 3; and Cedarville/South Plymouth – 5. 11 units involved septic repair/replacement.

The Town continued the Title V Betterment Loan Program through the Office of Community Development and assists homeowners in environmentally sensitive areas of town to repair failed septic systems. A total of forty-six systems have been upgraded or replaced so far. Town Meeting in October approved funding a third round of funding, and more systems will be done in 2002.

► OFFICE OF COMMUNITY PLANNING

The mission of the Office of Community Planning is to provide professional staff support and guidance to the Planning Board, thereby enhancing their ability to manage the physical, economic, and environmental development of the Town. The office also strives to serve as a clearinghouse of information on local, state, and federal projects. There is also a responsibility for reviewing development plans to assure that they comply with the Town's land use regulations and are consistent with the long-range vision of the town.

The Office of Community Planning is a community resource for information on many issues. The office through the master plan process is responsible for creating coordinated long-range vision of the community and functions as liaison between various public and private entities and to mitigate conflicts. Customers include the Planning Board; various other local, state, regional, and federal boards, departments, and agencies; neighborhood groups; developers; and citizens.

A primary obligation is to advocate for needs of the residents of Plymouth. The office also promotes innovative measures to manage growth and protect the environment. In addition, we are obligated to remind the community of the long-range consequences of decisions made today.

The membership of the Planning Board once again changed in the year 2001. In May, Planning Board member Mary Mulcahy decided not to run for election. Larry Rosenblum was elected to the unexpired term that Ms. Mulcahy was appointed to upon the previous year's death of H. Judson Terzian. Paul McAlduff was appointed as associate member. The office thanks Ms. Mulcahy for her years of service, and welcome the newest members.

The Board held a total of thirty-eight regularly scheduled meetings, and met additionally with the Selectmen and other boards as a cooperative participant in the Department of Planning and Development.

Subdivision Control

In administering its duties under the Massachusetts Subdivision Control Law, the Board reviewed sixty-two Approval Not Required Plans. There were six Definitive Subdivision Plans approved in 2001, creating one hundred-two residential building lots and seven commercial lots. The board reviewed six preliminary plans and numerous conceptual plans.

Zoning Bylaw

With a leveling economy and a continued rise in housing costs, southeastern Massachusetts has been a target for new homebuyers and developers. The Pinehills project welcomed its first residents in June. The workload and responsibility of the Board and its staff continued to increase in 2001.

The Board also issued Special Permits under the Rural Density Development Bylaw and made recommendations on fifty-four Board of Appeals cases. In addition, seven industrial and commercial site plans were reviewed, including Rockland Trust, Temple Christ Messiah Church and the Clear Pond Condominiums.

Zoning Bylaw Amendments

The Planning Board supported and Town Meeting approved several important changes to the Zoning Bylaw this year. At the Annual Town Meeting in

April, the Town supported the amendment to change Light Industrial zoned property to Mixed Commerce, allowing greater flexibility in development of the land adjacent to the new Route 44 roadway. Also in April, the Board supported changing the Zoning Bylaw to include Steering Committees in the review process and to allow campgrounds more flexibility in increasing the retail component of large campgrounds.

In October, Town Meeting continued its support of the Board by amending the Zoning Bylaw to decrease the lot size in Rural Density Development projects from 40,000 SF to 20,000 SF while still maintaining the same density. Town Meeting also supported an elderly component to the Phasing Section of the Bylaw. The final amendment supported at the Fall Annual Town Meeting included adding the Planning Board to the review process of zoning applications.

Master Plan Update

This year the Town secured funding for the purpose of hiring a Community Master Planner to work with both the Planning Board and the Master Plan Committee. The final Work Program completed late in 2000 will be the outline for the future master plan. The Master Plan Committee will be meeting regularly throughout the new year with the assistance of the new Long Range Planner.

Special Projects

The Office of Community Planning served as lead agency this year on important projects including the following:

Reviewing the Town's first Chapter 40B Comprehensive Permit submitted in several years, containing over 300 residential units. The site was located on Hedges Pond Road in Cedarville.

Securing State funds for the hiring of a Long-Range Planner.

Managing the Downtown/Waterfront Study, which includes the Town Wharf and a parking component for the downtown area.

Overseeing the GIS Implementation work for the Townwide system.

Successful recertifying by federal government of community's beneficial flood insurance rate reduction.

► CONSERVATION COMMISSION

The mission of the Conservation Commission is to protect wetlands and resources in the Town of Plymouth through acquisition, management, education, and regulation; to act as a liaison between the public and other governmental agencies in protecting our natural resources, and to become an educational resource for the public and Town agencies both through a library of literature and through the collective knowledge of the Conservation Commission members.

A healthy natural environment improves quality of life, property values, and tourism. The citizens of Plymouth have a right to air, land, and water free of poisons and safe for passive and active recreation. But people also have a right to improve their property, sometimes resulting in jobs and a stronger tax base for the Town. A rich, healthy web of wildlife can withstand the rigors imposed upon it by the rapid pace of development now underway in Plymouth. The laws protecting the environment and the rights of the developer are complex, and the knowledge of what makes a healthy environment is equally complex. The Conservation Commission is set up to administer the Wetlands Protection Act and other local, state, and Federal laws to ensure that development protects and enhances Plymouth's natural environment, rather than destroying it.

The Commission is charged with several duties including the protection of inland and coastal nature resources, and the acquisition of land for management. Benefits provided to the town afford protection of our clean water supplies, protection from storm damage, flood damage control, the promotion of wildlife diversity, and recreational opportunities. It must also follow its mandate under the Town of Plymouth Wetlands By-law and the Massachusetts General Laws, Chapter 131 s40 *et seq.* The Commission holds public hearings on Monday nights, as scheduled.

Pursuant to its mandate, the Commission acted on eighty-three Notices of Intent (permit requests for activity within areas subject to Commission jurisdiction) and eighty-five Requests for Determination of Applicability (to determine whether a proposed activity is likely to impact a resource area). Other opinions and decisions were made as requested. Occasionally enforcement orders were issued and fines were levied and collected.

One of the biggest threats to Plymouth's natural beauty is the rapid pace of local property development. Valuable resource areas that protect cranberry bogs are especially endangered as the widespread and prolonged downturn in cranberry prices forces many farmers to seek other uses for their land. The high value of land for single-family homes in wooded areas makes these upland spaces and their associated wetlands particularly attractive to developers.

It is paradoxical that the rural beauty that makes people want to live in Plymouth results in its own greatest threat. Many homeowners new to the area want a rustic setting, but also desire a classic suburban green lawn sloping down to a manicured shore. The fertilizers and pesticides required to maintain such a lawn are bad for the health of the pond, poisoning beneficial creatures and causing unpleasant eutrophication. The manicured edges so popular on a shady tree-lined street are out of place along a waterfront, depriving the local inhabitants of much-needed shelter, food, and nesting materials.

The Massachusetts Wetlands Protection Act protects the inhabitants of the wetlands by requiring a buffer zone around sensitive areas. The Plymouth Conservation Commission wants homeowners to enjoy their waterfront property, and can provide ideas for creating an attractive natural setting for a human home while still protecting the homes of the creatures that share the waterfront setting.

The Conservation Commission consists of seven volunteer members appointed by the Board of Selectmen and ably assisted by a full-time Conservation Secretary. Linda Kunhardt departed from the Commission after 8 years of dedication and experience while protecting Plymouth's environment.

► DESIGN REVIEW BOARD

The mission of the Design Review Board is to assist the Planning Board and Zoning Board of Appeals in reviewing applications and plans for Special Permits. This includes both new construction and enlargement of residential and commercial buildings. In addition, the Board reviews applications and plans at the request of the Building Inspector. All decisions and reports are advisory only.

The Board assists property owners with the fit of their buildings to their surroundings. The Board encourages appropriate landscape treatment to soften the appearance of parking areas and buildings from the public street. The Appearance Code focuses on design principles that encourage harmony and compatibility. Considered are exterior issues like colors, materials, landscaping, lighting, signs, location, and overall appearance. The Board reviews larger projects subject to Environmental Design Conditions in accordance with those criteria.

Five appointed professionals, including two architects, a graphic artist, a landscape architect, and an historian, make up the Board.

This year's project list included many significant commercial and residential developments, and the Board looks forward to another busy year as we witness continued economic growth.

► OFFICE OF ECONOMIC DEVELOPMENT

The mission of the Plymouth Office of Economic Development is to assist the expansion of existing businesses and encourage new companies to relocate to Plymouth creating additional tax revenues and new employment opportunities for area residents.

On December 27th the Olympic Torch passed through the Town for the first time in Plymouth's history. It was a fitting ceremony for a year filled with significant economic development accomplishments. At the end of the year, the University Massachusetts-Boston announced the opening of its Corporate Business and Distance Learning Center at Cordage Park. This was a major step in the goal of making Plymouth a "college town" with all its economic and community life-style benefits.

The RKG Report was finalized and delivered to the Town in 2001. As a result, Plymouth now has a computerized tool to evaluate the benefits and costs of proposed developments in the Town. The Report also outlined what the Town needs to do in order to hasten the increase of property tax revenues necessary to offset the future loss of revenues from the Pilgrim Plant revaluation. Many of the recommendations are already being implemented.

At the Annual Fall Town Meeting, the creation of the Plymouth Development Corporation was approved. This will be a valuable tool in addressing the Town's parking and certain other infrastructure needs such as the Town Wharf. It was also announced that the renovation of Memorial Hall should be completed ahead of schedule permitting its use by many area organizations.

During the year the Town signed an agreement with the Plymouth Area Chamber of Commerce and the Plymouth Industrial Development Corporation establishing the Plymouth Regional Economic Development Foundation as the principal economic development organization in Plymouth. The concept is to leverage the financial and human resources of the public and private sectors to advance the goals of creating additional tax revenues and quality employment opportunities for Plymouth more quickly. The Plymouth Industrial Development Corporation has pledged \$125,000 a year for this effort. The Foundation has been organized and is actively working to further its Program of Work.

In November, the Town received designation by the Commonwealth as an Economic Target Area. This will permit the Town to offer a number of business incentives to companies seeking to relocate or expand in Plymouth. As a result, the Town will be more competitive with other cities and towns in Massachusetts and other states in the search for new business investment.

This year several Plymouth Industrial Park buildings were sold. The Mass Highway Department's project for the relocation of Route 44 is reported to be on schedule. At completion, the project will align Route 44 from Cherry Street in Plymouth to Route 58 in Carver, providing improved access to Interstate 495, and Routes 3, 24, 25 and Interstate 195 for the Plymouth Industrial Park and the surrounding communities. The highway project will spur development at the interchange.

The Office of Economic Development during 2001 continued working with the Southeastern Economic Development (SEED) Corporation to provide loan funds to Plymouth businesses. SEED provides loans under the U.S. Small Business Administration and Massachusetts Ready Resource Grant funding programs.

The Office of Economic Development provided staff support to two Town committees, the Plymouth Development and Industrial Commission (PDIC) and the Visitor Services Board (VSB). In addition, the Office of Economic Development staff works directly with the Plymouth Industrial Development Corporation, private developers and businesses, the Plymouth Area Chamber of Commerce, the Plymouth Center Commerce Committee, Plymouth County Development Council, and other local and regional organizations. The common goal is to promote Plymouth as a business site and to develop employment opportunities for the community and our residents. One of Office's added responsibilities, commencing in 2001, is to provide staffing for the newly created Plymouth Regional Economic Development Foundation.

► HISTORIC DISTRICT COMMISSION

The mission of the Plymouth Historical Commission is to preserve, protect, and document the historic architectural heritage of the Town of Plymouth. Legislated protection is provided for historic buildings located in the Plymouth Historic District in the downtown-harbor area. The Historic District is a local and national treasure of our country's architecture with a variety of excellent examples spanning three centuries.

The Historic District Commission met on the first and third Wednesday of the month in Town Hall reviewing forty-nine proposals for commercial signage and residential/commercial façade renovations within the District. In addition, the Commission maintains an inventory of Historic Properties within the entire community, kept on file at the Town Hall and Library, and available for regular public consultation.

Commission members for this year included Wesley Ennis, Chairman; William Rudolph, Vice Chairman; Robert Dawson, David Crawley and Peggy Baker.

► MANOMET VILLAGE STEERING COMMITTEE

The Manomet Village Steering Committee's mission is to support the goals and objectives of its Master Plan. Meetings continue to be held at the Manomet Library on the last Thursday of every month at 7:00 p.m.

Current Membership includes:

Lee J. Anderson, Committee Chairperson

Mary Jane Calhoun, Secretary

William Franks

Jay Ferguson

New members welcomed were:

Ellen Burgio

Robert Bielan

Dan Hicks

This year brought positive changes for the Steering Committee in Manomet. It has had a successful year of pursuing and acquiring full membership through the Planning Board and the Board of Selectman as well as the perseverance of its Chairperson, Lee Anderson.

The Chairperson has also been extremely active in collaborating with the Planning Board. All proposals for development in our area are requested to be brought to the public through the Committee for review and suggestions. This has resulted in the Committee hosting several proposals. Included in these have been The Village Crossing development project and the Bartlett Pond Pastures proposal. Many other development plans have also been addressed through discussion. Committee members have attended various planning meetings to be kept abreast of any changes. Due to the dynamic participation of its members, the Manomet Steering Committee is being recognized more fully for its leadership and support of its community.

Additionally, many other issues have been addressed throughout the year. As a result of the concern for increasing traffic issues as well as the ever-growing village population, the intersection at Manomet Point Road and State Road has been an ongoing question of consideration. This has been diligently pursued at the state level and funding has recently been scheduled in the budget. However, this is still two years away and the committee continues to aim for the acquisition of a traffic light and reconstruction of this dangerous intersection.

Our Committee Secretary has sought to obtain signs that will welcome all to the village on both the north and south ends on State Road. These signs will be funded through the town. The committee is dedicated to the elevation of the presence of Manomet. These signs will represent the pride that the town holds for its village.

Other issues have been addressed including the completion of the sidewalk loop down Taylor Avenue. This project has been an ongoing priority of the implementation of the Master Plan. Its completion is contingent upon its precedence in the budget. The procurement of a new location for the Manomet Library has also been discussed at length and many ideas have been brought forward. The Manomet Steering Committee strongly supports the Manomet Library due to its huge contribution and wide use of its community members.

In accordance with the Manomet Master Plan, this committee will continue to place its focus on the future development of Manomet. The following will be the committee's priority agenda items throughout the coming year:

- To complete of the Sidewalk Loop on Taylor Avenue
- To acquire of the signs for entering Manomet
- To obtain a website for the Steering Committee to assist the public further in understanding its role and to increase the residents' knowledge of their village and its most pressing issues.
- To discuss and explore development of more businesses/ in our village proper.

Again, this year has brought changes, and with it a new commitment to increasing Manomet's citizen participation, to ensuring that Manomet continue to grow in its pride and identity, and to support the favorable growth of its community.

The public is always welcomed and encouraged to attend the Manomet Steering Committee meetings.

► NORTH PLYMOUTH STEERING COMMITTEE

The North Plymouth Steering Committee, working with the Planning Board and the Board of Selectmen, assists in the implementation of the North Plymouth Master Plan of 1992 and advocates for the needs of the area. Seven members are appointed for staggered three-year terms; meetings are held on the second Wednesdays of the month.

Throughout the year the Committee has met with individuals and groups seeking comments on and approval of proposed commercial or residential uses which would affect the community. This has become increasingly important as the little remaining open space in the area continues to undergo development. As appropriate, suggestions and /or endorsements have been conveyed in writing to the Planning Board or Zoning Board of Appeals. Also of particular interest is the planning for the rehabilitation and utilization of the long-dormant Cordage Park property. The Committee and its members, in close association with the very

active Neighborhood Watch, have continued to serve as a sounding board for neighborhood concerns, with subsequent involvement with appropriate town or state agencies.

Also in conjunction with Neighborhood Watch, a tree-lighting ceremony was initiated this year at the new park which was created as part of the Court Street reconstruction project, and wreaths were provided for the new ornamental street lamps. Other long-term projects continued to progress toward completion. The Seaside Trail inched forward through several more requisites and approvals and is still assured of eventual completion. The Loring Community Center restoration project shows visible progress as the former Reading Room is now secured to its new foundation and exterior work is underway. The re-building of Exit 7 (new Route 44) has created several problems and concerns which have been reiterated to the Board of Selectmen and Department of Public Works and forwarded to appropriate state officials.

Members continue to serve in other town or community capacities, either as representatives of the Steering Committee or as individual citizens, thereby providing opportunities to learn from and contribute to a larger frame of reference than that of the Village Center.

► PLYMOUTH REDEVELOPMENT AUTHORITY

Since its establishment in 1959, the Plymouth Redevelopment Authority has continuously worked with the citizens and governing body of the Town for the betterment of home and community. In retrospect, the Authority feels that it has and continues to succeed in this task. It is therefore the intent of the Plymouth Redevelopment Authority to continue to be a people-oriented agency, to continue to seek out the best possible loan and grant programs that will enable families and individuals in the Town of Plymouth to acquire, and/or through housing rehabilitation programs, to live in decent, safe, and sanitary housing.

ANNUAL REPORT

During the year 2001 the Plymouth Redevelopment Authority continued to follow its Mission Statement of helping to provide decent, safe, and sanitary housing for the citizens of Plymouth by expanding and adding loan and grant programs. The PRA continues to administer loan programs offered by the Massachusetts Housing Finance Agency (MHFA). The Home Improvement Loan Program and the Get the Lead Out Program continue to be important loan programs for homeowners of Plymouth. Several homebuyers utilized the MHFA Purchase and Rehab program to purchase and rehabilitate substandard homes. The Redevelopment Authority continues to administer HUD HOME

funds that are used by qualified citizens of Plymouth for down payment and closing cost assistance for the purchase of their first home. Funds are distributed on a first come first serve basis as a zero per cent loan with one-fifth of the principal forgiven for each year of residency. The PRA was awarded an additional \$125,000 in February 2001, having expended a previous award of \$125,000. For the first time this year, the Authority was granted \$40,000 of Lead Safe funds. These funds are used to delead homes in the HOME program. These funds are also forgiven over a five-year period. The Redevelopment Authority administers the Massachusetts Housing Partnership Soft Second Loan program and has received its third award of funds. Through the program, over \$74,000 of public funds have been used by first time homebuyers in Plymouth. Funds are used to subsidize and guarantee loan funds for first time homebuyers. The PRA had a very successful second year as a partner with the USDA Rural Housing Service and Salem Five Mortgage Company in the Rural Housing Loan Partnership Program. As partners, the USDA, Salem Five, and the PRA again provided more than \$1,200,000 in loan funds for home purchases in Plymouth at subsidized rates. The Authority will again participate in the program in 2002.

Summer Street Urban Renewal Area: The Trustees of 48 Summer Street continue their exterior renovations of that property and plan an extensive renovation for 2002. The Jenney Grist Mill re-opened in the spring as a Museum, and milling operations recommenced.

The Authority diligently reviews all other properties within the area and has contacted and worked with owners and investors in facilitating compliance with maintenance standards.

Counseling Programs: In December of 1999 the PRA received certification from HUD as a Comprehensive Counseling Agency. The Authority was certified to provide basic housing, delinquency and foreclosure avoidance, and reverse equity mortgage counseling. In this year alone we counseled more than 180 individuals including first time homebuyers and others with housing problems. Our first time homebuyer seminar series is ever popular. Families and individuals completing the course become eligible for low interest mortgages through MHFA, the HOME program, the Soft Second Loan Program, the USDA Rural Housing Loan Partnership, and various other institutional loan programs. In addition, and just as important, the course makes first-time homebuyers aware of the pitfalls encountered and the responsibilities required in buying and owning their first home.

To support its counseling activities, the Redevelopment Authority received its second HUD grant this year and also continues to receive generous private donations. Town funds are not expended on this program.

General PRA Administration: During 2001, the Authority staff responded to approximately 1500 inquires regarding programs administered by this office.

The PRA Board of Directors held thirteen meetings in the process of administering Authority business. An Access Database system was developed and refined for tracking loans and clients. A Web page is in the final stages of completion.

The Authority held its Annual Meeting and election of officers in December. The results of the election were as follows:

CHAIRMAN:	Robert Wollner
VICE CHAIRMAN:	Steven Grattan
SECRETARY:	Dean Rizzo
TREASURER:	Chester Bagni

The Authority welcomed as its newest Board member Paul T. Curtis. He replaces John Droege, who did not stand for reelection. Mr. Droege served on the Board for twenty-eight consecutive years during which time he served as the Chairman for nineteen consecutive years. At the Annual Meeting he was honored by both the Town and the Authority for his dedication and generosity.

► VISITOR SERVICES BOARD

The Visitor Services Board of Plymouth, Massachusetts serves as an advisory board to the Town Manager and Board of Selectmen. The seven-member board is charged with the management of the Town Promotion (tourism) Fund, which is funded wholly by a percentage of the local/motel rooms tax. The Visitor Services Board awards funds and grants for promotional and marketing materials, information delivery, events, activities and infrastructure betterment in an effort to maximize the quality of Plymouth's tourism industry for the benefit of residents and visitors alike.

The Visitor Services Board continued to work with town departments, the local business community, historic organizations, and event organizers to sustain, improve, and promote Plymouth as a tourist destination.

The Visitor Services Board, through the Town Promotions Fund helped to finance many Special Events, including Pilgrim Progress, the July 4th parade, fireworks, and entertainment, the Waterfront Festival, Plymouth Guild's Art Show, the Antiquarian Society's Pilgrim Breakfast, the Musician's Union Concert Series, the Family Fair, Christmas in Historic Plymouth, the First People's Pavilion, Run to the Rock, and Race to the Rock.

In addition, the Visitor Services Board contributed additional funding towards the Honor Roll of Plymouth Veterans sponsored by the Plymouth Veteran's

Council. The Board also supported the Plymouth Philharmonic Orchestra, Project Arts, the high schools' Robotics competition, and the American Legion. The Visitor Services Board provided funding for the gift of a Town Chair to the Lord Mayor of England, as a symbol of our sister city status.

The Board entered in to a three-year contract with Destination Plymouth for Town Promotion and the Waterfront Information Center.

The Visitor Services Board continues to review Plymouth's infrastructure programs, working in conjunction with the Director of Public Works and the Director of Parks and Forestry. Street lighting continues to be installed. The Signage program for the Historic Downtown District and the Waterfront continues to move forward, with approval of conceptual design and preliminary approval of locations in order of priority.

► WEST PLYMOUTH STEERING COMMITTEE

In January 2001, Michael Rothberg was voted Chairman, Allan Cotti Vice Chairman, Timothy Payson the new Secretary of the West Plymouth Steering Committee (WPSC). The WPSC continued to operate while not being at full capacity throughout the year. Marcia Lay resigned from the Committee and Joseph Prall and Bob Morgan were welcome additions. The long term service of outgoing Chairman Marc Garrett is greatly appreciated by the WPSC. His energy and determination on the many issues he faced with WPSC helped continue to make West Plymouth a very desirable place and live and/or begin a business. Ken Howe continues to be an important member of the Committee and his service is appreciated.

Throughout 2001, the major concentration of West Plymouth Steering Committee (WPSC) continued to be on two major projects; the multiple properties owned in and around the new Route 44 and the Commerce Park LLC. Since these areas will have a dramatic impact on the makeup of West Plymouth, the WPSC will continue to be a strong and active voice in the community and with the developers. The WPSC will work tirelessly to ensure that West Plymouth realizes quality projects. These large projects will be no exception. The WPSC will strive to gain cooperation with the developers and if or when this cannot be done the Selectmen, Planning Board, Zoning Board of Appeals (ZBA), Town Meets Representatives. etc. will be advised.

There were a number of individual projects brought before the WPSC. The WPSC heard from many of the individual petitioners and advised the Planning Board, ZBA, and Selectmen when needed. The projects are listed as follows:

1. David Gesmundo – The Chatham Refinishing Co. Aldrich Bldg. South Meadow Road.
2. Gary Darman – Final site plans presented for property along new Rte. 44, with easement and trucking routes.

Cooperation on the buffers and easements between Mr. Darman, Mr. Angley, and the WPSC was appreciated.

3. Robert and Barbara Brodeur, R&B Realty Trust, Clear Pond Motel conversion to 55+ Townhouses.
*Chair Michael Rothberg visited the site and the Brodeurs presented their plans to the WPSC. The Brodeurs' cooperation was appreciated by the WPSC, and the conversion project is a welcome addition to the community.
4. Ron Ferioli – preliminary plans for Grey Oaks (housing development) on Rte. 80 were presented. The WPSC looks forward to working with Mr. Ferioli on this project and have appreciated his input to date.
5. Augustino Diodato– presented by Bill Shaw of Associated Engineers of Plymouth. Aero Park Drive Storage facility off South Meadow Road. The WPSC appreciated Mr. Shaw's multiple presentations on this project.

Town Meeting brought about a few issues of discussion and concern. Discussion on the smoking ban and proposed animal ban occasioned lively debate. Mr. Bill Burke discussed the future of the Plymouth Airport and an article for a land swap. In closing, the WPSC appreciates the Selectmen, the Planning Board and the ZBA for their efforts at maintaining our inclusion into the process.

► ZONING BOARD OF APPEALS

The Zoning Board of Appeals (ZBA) is an appointed volunteer board that meets twice monthly at the Town Hall. The Board regularly considers petitions filed under Plymouth Zoning By-laws and the Massachusetts General Laws Chapter 40A of the Zoning Act. The Board renders decisions based on the information presented and the facts discussed. Any person aggrieved by a decision of the Board of Appeals has the right to appeal such decision to State Courts.

In 2001, the ZBA had another productive year, holding thirty meetings. There were fifty-four cases filed this year.

The following are some examples of decisions made in 2001:

- Cedarville Hill Housing was denied a request for a Comprehensive Permit to construct affordable housing, located on Hedges Pond Road in Cedarville. This decision was appealed to the Housing Appeals Committee and is still pending.
- Brewster Park Building was granted a Special Permit to construct an Italian specialty store and restaurant on Main Street Extension.
- Henry A. Stout, Trustee Atlantic Middleborough Trust was granted a Special Permit to excavate material for the extension Armstrong Road and to construct an industrial building.
- Shaw's Supermarket was granted a Modification of a Special Permit to construct a 13,380 square foot addition to the existing Shaw's Supermarket on Pilgrim Hill Road.

The ZBA consists of five regular members and two alternate members that are appointed by the Board of Selectmen.

PUBLIC SAFETY

► FIRE DEPARTMENT

The mission of the Plymouth Fire Department is to protect the general public's life and property in the safest and most efficient manner; to educate the public and earn respect through our professional actions and deeds; to foster an open, honest and willing line of communication with and through management to help solve and/or eliminate problems making for a more harmonious and efficient work place, thus benefiting not only the employees, but also the Town of Plymouth.

The department continues to experience the impact of new growth. This past year the department responded to an all time high of **4685** emergency incidents and our contract ambulance service to **4720** medical incidents.

Construction of the Pinehills Fire Station is completed. The department is truly grateful for the dedicated efforts of the Fire Station Building Committee members; David Westcott, Chairman; Steve Sawyer and Roberta Grimes.

The eventual operation of this station will fill a significant void in the fire protection provided to a larger geographical area of central Plymouth. This area of Town has experienced significant growth, which is expected to continue in the future.

The department remains concerned regarding recent proposals for further significant developments in the southern section of Town. While Plymouth has been able to expand services in this area, it will be unlikely that it will be sufficient to provide for any future growth.

S.A.F.E. Program

During the past year, the Plymouth Fire Department's **S.A.F.E. Program** continued to fulfill its mission of educating students within the Plymouth Public School system. The goals of the *S.A.F.E. Program* are to encourage participants to practice fire prevention, personal health, and safety throughout the year. This is accomplished through instruction in identifying fire hazards, demonstration of fire prevention methods, discussion of proper reactions to take in the event of an emergency, and making healthy choices and decisions, such as, choosing not to smoke. The anti-tobacco component of the program is one of the primary topics focused upon in school lessons, because smoking materials continue to be among the leading causes of ignition in household fires. These fires result in personal injuries, burns, death and property loss. In addition, smoking is

responsible for long term, adverse health effects. Curriculum topics include, *Planning and practicing home fire escape drills, Stop, drop & roll, Home safety and hazard inspections, Dangers and health risks associated with tobacco products, and How to use the 911 system.*

A statistical analysis of fire incident reports in Plymouth, during the past five years, supports the hypotheses that “the S.A.F.E. Program has a positive effect in reducing fires and injuries among children by teaching safety and fire prevention behaviors”. During the period studied, 1996 to 2000, fires involving children misusing or playing with fire showed a steady decrease, as a percentage of total number of incidents.

In 1996, 5.5% of the total fires reported were classified as “children playing with heat of ignition” or “children playing with, misuse of material ignited”. This percentage decreased to 2.9% in 1999 and 2.5% in 2000! If we look at all types of fires involving children, grass, brush and structures for this time frame, we see a decline from a high of 27% in 1997 to only 9% in 2000. Incendiary and suspicious fires also mirrored these results, going from 68 instances in 1996 down to 32 in 1999 and 32 in 2000.

While these results are encouraging, the department continues to see an increase in the number of fires related to the use of candles in the home. The S.A.F.E. program and the students at the Nathaniel Morton Elementary School observed the second “Candle Safety Day” in December, in order to raise public awareness concerning the risk of fires resulting from the improper use of candles.

Public education in fire prevention and safety continues year-round, with displays of fire apparatus, equipment and safety literature, at community events such as the Early Childhood Fair, Chamber of Commerce Waterfront Festival, Plymouth Chowder-Fest, and during Fire Prevention Week in October. Total attendance at these public events is in excess of 75,000. In addition, firefighters visit day care centers, nursery schools and community centers to teach children and parents about the duties of “being a firefighter”. Fire Station tours for local civic groups, such as Girl and Boy Scout troops are conducted on a continuous basis.

The Town of Plymouth’s permanent population now exceeds 50,000 residents and swells to 100,000 during the summer. The school system has over 9000 students located in 2 high schools, 2 middle schools and 9 elementary schools. **Lack of adequate funding, from State and Municipal government, in support of the S.A.F.E. Program continues to be a major obstacle.** As residents become more aware of the program, requests for participation in events and presentations to group increase. Unfortunately, with a limited budget, the department has been unable to meet the needs of all our students and accommodate as many people as we would prefer.

The continued success of the SAFE Program, is due to the efforts of the members of the Plymouth Fire Department, in cooperation with other municipal departments and the generosity of those local business merchants, who help support our fire prevention and safety efforts through the donation of educational materials for distribution to our citizens.

FIRE PREVENTION DIVISION

The Fire Prevention Office employs one Captain and one Lieutenant.

It is the job of the Fire Prevention Division to enforce the fire codes of the Commonwealth and the by-laws of the Town through inspections, plan review, and permitting.

During the year each Fire Prevention Officer completes many hours of training at meetings and seminars to achieve and maintain certification as a Fire Inspector, keeping current with changes in the State fire prevention regulations and building codes, and to achieve and maintain certification as a Fire Inspector.

The Fire Prevention Division is also responsible for coordinating public fire-safety education activities, which include station tours, presentations to pre-schools, civic groups and clubs, and a full range of presentations to our children in the school system coordinated with the Fire-Safety Education (S.A.F.E.) Grant Program Officer.

It is the responsibility of the Fire Prevention Division to review the plans for all new construction within the Town, making sure that all Fire Safety requirements are met. These include Automated Fire Sprinklers, Fire Alarm Systems, and adequate access to water supply for fire fighting. Repeated inspections are made during construction to assure that the work complies with fire prevention standards and codes.

In addition to new construction, it is also their responsibility to conduct periodic inspections, as required by law, of the hospital, schools, nursing homes, and garages. They also provide the certification of compliance for smoke detectors for the sale of any residential units and conduct inspections of oil fired equipment, including all above and underground tank installations and removals, self service gas stations, hood suppression systems.

The Fire Prevention Division is also charged with investigating and resolving Fire Code complaints within the town.

The division assists the Building Department with inspections for the renewal of the Certificate of Occupancy for restaurants, churches, camps, nursing homes, schools, hospital, etc.

Annual inspections are conducted at the Plymouth County Correctional Facility, MCI-Forestry Camp, Group Homes, Schools, Educational Facilities and Day Care Centers. Quarterly inspections are conducted at Jordan Hospital, Nursing Homes and Mental Health Facilities.

TRAINING DIVISION

The Training Division employs one Captain, who is responsible for the development, implementation, and coordination of all fire and emergency medical training within the Plymouth Fire Department. Part of the training responsibilities includes record keeping and documentation through State agencies including the Office of Emergency Medical Services. He is also the Departments' Safety Officer and, serves as the state mandated Infection Control Officer.

Because of the nature of fire fighting, some skills may be seldom used, but when needed the firefighter must be able to perform flawlessly. This ability can only be maintained through continual hands-on training.

In addition to routine in-service training, the Training Officer also serves as the drill instructor for all newly hired firefighters. The three-week recruit-training program introduces all probationary firefighters to the basic skills necessary to survive and function in the extreme hostile environment of structural or forest fires. This program gives each recruit the minimum knowledge to function, under supervision, as a member of an engine company. Four new members were trained in 2001: Shawn D. Harmon, Michael T. Darbyshire, Christopher M. McLoud, and Jason B. Pierce.

FIRE ALARM DIVISION

Growth continues in the use of the municipal fire alarm systems, for automatic notification to the fire department of alarm conditions in industrial and commercial properties. These systems are installed at no cost to the taxpayer and employ existing fire alarm circuits throughout the Town. Many alarms are received by the automatic activation of detection devices that are connected to the municipal fire alarm system. Most of the alarms are trivial in nature because of this early detection and reporting. However, the potential for considerable reduction in fire loss is great, and this system reduces the operating expense for the department. The chance of loss of tax base and employment within the community is also reduced.

NEW APPOINTMENTS:

Shawn D. Harmon	- Permanent Firefighter - April 2, 2001
Michael T. Darbyshire	- Permanent Firefighter - July 9, 2001
Christopher M. McLoud	- Permanent Firefighter - July 9, 2001
Jason B. Pierce	- Permanent Firefighter - October 22, 2001

PROMOTIONS:

- Lieutenant Daniel C. Braley - Promoted to Captain
- June 25, 2001
- Provisional Lt. -G. Edward Bradley - Promoted to Lieutenant
- May 20, 2001
- Provisional Lt. - Michael Meehan - Promoted to Lieutenant
- May 20, 2001
- Firefighter David V. Malaguti - Promoted to Lieutenant
- May 21, 2001
- Firefighter Douglas A. Pigeon - Promoted to Lieutenant
- May 21, 2001
- Firefighter Jeffrey M. Carter - Promoted to Provisional Lieutenant
- July 12, 2001
- Firefighter John J. Callahan - Promoted to Provisional Lieutenant
- September 6, 2001

RESIGNED:

Allen P. Hoyt - Appointed to the Fire Department on February 15, 1981; promoted to Lieutenant on July 8, 1987; promoted to Captain on March 6, 1995. Resigned to become Chief of Hanson Fire Department on June 9, 2001. Served with pride and dedication to his fellow fire fighters and the Town.

RETIRED:

Lieutenant Paul A. Asiaf - Appointed to the Fire Department on October 5, 1969; Promoted to Lieutenant on June 19, 1978. Retired on March 31, 2001. Served with pride and dedication to his fellow fire fighters and the Town.

Lieutenant Michael T. Furtado - Appointed to the Fire Department on August 17, 1975; Promoted to Provisional Lieutenant on January 13, 1980; Promoted to Permanent Lieutenant on January 8, 1981; promoted to Provisional Captain on October 23, 1983; promoted to Permanent Lieutenant on August 16, 1984. Retired on July 27, 2001. Served with pride and dedication to his fellow fire fighters and the Town.

Firefighter Paul F. Foley - Appointed to the Fire Department on February 10, 1981; retired on March 1, 2001. Served with pride and dedication to his fellow fire fighters and the Town.

Call Fire Captain Peter B. Gellar - Appointed to the Manomet Call Force on May 1, 1960 Promoted to Lieutenant on October 9, 1974; Promoted to Captain on July 1, 1992. Retired on December 31, 2001. Served on the Call Force for 41 years with pride and dedication to duty.

Call Fire Lieutenant David Small - Appointed to the Bourne Road Station Call Force on October 1, 1979; Promoted to Lieutenant on April 14, 1988. Retired on December 31, 2001. Served on the Call Force for 22 years with pride and dedication to duty.

Call Firefighter Clifton Felton - Appointed to the Manomet Call Force on June 19, 1970. Retired on December 31, 2001. Served on the Call Force for 31 years with pride and dedication to duty.

Call Firefighter Peter B. Geller III - Appointed to the Manomet Call Force on July 1, 1985. Retired on December 31, 2001. Served on the Call Force for 16 years with pride and dedication to duty.

Call Firefighter Philip LaPointe Jr. - Appointed to the Cedarville Call Force on May 2, 1977. Retired on December 31, 2001. Served on the Call Force for 15 years with pride and dedication to duty.

Call Firefighter Anthony Schena -Appointed to the Cedarville Call Force on April 10, 1988. Retired on December 31, 2001. Served on the Call Force for 13 years with pride and dedication to duty.

Call Firefighter Edward Gellar - Appointed to the Manomet Call Force on April 15, 1990. Retired on December 31, 2001. Served on the Call Force for 11 years with pride and dedication to duty.

Call Firefighter Steven Elwell - Appointed to the Bourne Road Station Call Force on September 27, 1992. Retired on December 31, 2001. Served on the Call Force for 9 years with pride and dedication to duty.

Call Firefighter Rodney Finlay - Appointed to the Manomet Call Force on July 26, 1992. Retired on December 31, 2001. Served on the Call Force for 9 years with pride and dedication to duty.

Call Firefighter Kevin Hannon - Appointed to the Manomet Call Force on September 23, 1992. Retired on December 31, 2001. Served on the Call Force for 9 years with pride and dedication to duty.

Call Firefighter Jeremiah Richmond -Appointed to the Manomet Call Force on September 4, 1994. Retired on December 31, 2001. Served on the Call Force for 7 years with pride and dedication to duty.

New Fire Alarm Boxes 2001

- 1554 – Plymouth Country Correctional Support Building
- 1548 – Sewer Plant - 131 Camelot Drive
- 312 – Rockland Trust - Court Street

Activity in the Fire Alarm Office for 2001

- 4685 – Fire Emergency Responses
- 4720 – Ambulance Emergency Responses
- 9405 – Total combined responses

- 141 – Box Alarms
- 1920 – Still Alarms
- 1866 – Burning Permits Issued

At this time there are in excess of 63,000 devices connected to the municipal fire alarm system that automatically detect fire and transmit alarms by fire alarm box to Fire Headquarters.

New Construction

The Court Street project is completed. The Fire Alarm wire from Clifford Road to Elliot Drive in Manomet was replaced this year. The underground wire to the new County Correctional Building was installed, eliminating the overhead wires. The wire on Water Street has been replaced.

New Planned Construction

The second phase of Long Pond Road and the Route #44 projects are still on going projects.

Other members of the Fire Department have rendered this Division valuable assistance. Many projects would still remain incomplete without this aid.

► EMERGENCY MANAGEMENT AGENCY

The office is mostly a volunteer organization that becomes the hub of information for all Town Departments and the media during an emergency. Volunteer staff assist with shelters as well as supplying back up manpower for Town Departments. The safety of the citizens of Plymouth is the primary reason for the agency's existence.

The office made a major change this year with a temporary move to Town Hall due to renovations at Memorial Hall.

The office continues to train in order to be prepared for any emergency that may affect the safety of our citizens as well as assist in the various Town and privately sponsored functions during the year.

The September 11 attacks on New York and Washington has kept the office on standby and ready to respond if the need arises.

The office did open a shelter for a major snow and windstorm this year. No one needed to use the shelter.

Listed below are some of the events that our department has been involved with in the past year:

The MS Walkathon
The July 4th Parade
The Pilgrim Road Race
The Waterfront Festival
The 25th Annual Wheelchair Picnic
The "Run to the Rock"

This division is very grateful to the many dedicated volunteers that have assisted our division during emergencies as well as during various functions that occurred during the year.

► POLICE DEPARTMENT

The mission of the Plymouth Police Department is to provide for the safety of the public, the protection of life and property, to serve with integrity, to provide a well trained professional department to the public, to treat all members of the public and all employees with respect, and to strive to ensure that the Plymouth Police Department is the finest law enforcement agency in the Commonwealth.

September 11

The Plymouth Police Department, community and nation were deeply affected by the attacks of September 11th. In the days, weeks, and months that followed we have worked together with Federal, State and local Police departments and agencies to ensure that our community remains safe.

Community Policing

The Plymouth Police Department has continued its commitment to community policing. This emphasizes the partnership between the police and the community. The needs of the community drive the priorities of the Police Department. Specific examples of community policing practices in use are:

- Walking beats in the downtown, waterfront and North Plymouth areas
- "Park and walk" patrols in specific neighborhoods
- The *Cops in Shops* program
- The Citizens Police Academy
- Neighborhood Watch programs
- Traffic education and enforcement

Grants

In 2001, the Plymouth Police Department received a state Community Policing grant that has allowed us to continue several programs. These programs included:

- The *Cops in Shops* program
- The Citizens Police Academy
- Support for Neighborhood Watch programs

In addition, this grant allowed us to replace an outmoded telephone system so as to better communicate with the public. The system allows us to offer features like our Special Event line and our Radar Request line.

Citizen Surveys

In 2001 the Plymouth Police Department continued its Citizen Survey in order to solicit feedback from the community we serve regarding the delivery of police services. A sample of persons reporting incidents, witnesses, and victims, were contacted by the Department and asked to rate their interaction with different facets of the Department. The Plymouth Police Department is pleased to report that our survey continues to be well received and the results of those surveys continue to be extremely positive.

Cops in Shops

The Plymouth Police Department and all of the retail liquor establishments in Plymouth participate in this valuable program that places Plymouth Police Officers posing as employees in these stores. In its fourth year, the program focuses on deterring the purchase of alcoholic beverages for, or on behalf of, youths. In 2001, enforcement, publicity through printed materials, and media reports acted as a deterrent to underage purchasers of alcohol.

Citizens Police Academy

In 2001, the Plymouth Police Department graduated its second and third Citizens Police Academies. These Academies allow everyday citizens the opportunity to learn about the inner workings of the Plymouth Police Department and the criminal justice system. Citizens attend weekly classroom sessions on topics such as Criminal Law, Traffic Investigations, Narcotics, Patrol Procedures, Homicide Investigations, Court Procedures and Communications. Participants are also afforded demonstrations of traffic radar, alcohol breath testing equipment, the Department's Firearms Training Simulator and a tour of the Plymouth County Correctional Facility.

Neighborhood Watch

The State Community Policing grant allowed the Plymouth Police Department to award four small sub-grants in support of four Neighborhood Watch programs: Downtown Historic Neighborhood Watch, North Plymouth Neighborhood Watch, Algonquin Heights Neighborhood Watch and the Plymouth Housing Authority Neighborhood Watch. These programs promote the cooperative partnership between the police, citizens and community officials.

Traffic Education and Enforcement

The Plymouth Police Department continues to strive to maintain safety on the roads within the Town of Plymouth. We have continued to deploy our traffic radar trailer as an educational tool. In conjunction with education, we have placed an added emphasis on traffic enforcement. By increasing efforts in both areas we plan to enhance road safety even with an ever-increasing number of vehicles on the roadways. In 2002, we plan on deploying a second traffic radar trailer unit.

Are You OK?

During 2001 the Plymouth Police Department and the Plymouth County Sheriffs Department continued to partner in jointly offering senior residents the opportunity to participate in the "Are You OK?" program. "Are You OK?" is a computerized telephone calling system that calls seniors at home. In coordination with the Plymouth Council on Aging, many seniors now participate in this program.

► HARBOR MASTER

The mission of the Harbor Master’s Department is to provide a safe and enjoyable experience to the public in and upon Plymouth’s waterways. The department is dedicated to the protection of life, property, and the natural resources of our town. The staff continually strives to remain the best Harbor Master’s Department on the East Coast. The staff will continue to provide effective emergency responses, law enforcement, and safety inspections to make the waterways safe and enjoyable for people in this community and protect all of our natural resources for the enjoyment of future generations. The staff will recognize and reward the best efforts of teams and individuals and continuously seek to improve, not only by doing things right, but by challenging whether we are doing the right things. This department is committed to providing a positive professional impact upon the people it serves and to continued headway toward initiatives that advocate the highest quality of life for residents and visitors of our community.

FULL TIME PERSONNEL

- Harbor Master - Joseph Ritz
- Assistant Harbor Master - Richard Furtado
- Assistant Harbor Master - Timothy Routhier

SEASONAL/INTERMITTENT HARBOR MASTER’S ASSISTANTS

Russell Govoni , Derryl Lawrence, Christopher Tibbetts, Joseph Detrani, Eric Lippincott, David Cribbie, Barnaby Bosanquet, Gregory Morse and Robert O'Brien

The Harbor Master’s Department is responsible for all operations in the harbor area and waterways throughout the Town. Some of the duties and responsibilities:

- Regulating all foot and vessel traffic on and around the harbor and pier area.
- Protecting of all vessels in the harbor and buildings on the pier.
- Protecting of life and property on all waterways in the Town of Plymouth. (ocean, ponds and rivers)
- Providing permitting for all moorings, temporary floats/rafts and docks.
- Maintaining all Herring runs located in the Town.
- Enforcing the following laws:
 - A. Chapter 90B—State Boating Laws.
 - B. Chapter 102—Special Harbor Master powers.
 - C. Chapter 130—State Marine Fisheries regulations.
 - D. Chapter 131—State Inland Fish and Game regulations.
 - E. Plymouth Town by-laws
 - 1. Harbor by-laws
 - 2. Shellfish by-laws
 - 3. Pond by-laws

HARBOR STATISTICS

2001

Response to Medical Emergencies	13
Overdue Boat Calls	9
Boats Towed	121
Valuation of Vessels Rescued	\$ 2,500,000.00
Boats Reported Missing/Stolen	7
Boats Recovered.	2
Boats Pumped	16
Boat Fires	2

Boats Jump Started	17
Arrests	2
Deaths	0
Boat accidents	3
Dragger Trips logged out	2,000
Visiting Boats Logged in	8,500
(Including Marina and Yacht Club facilities)	
Boats Launched at Boat Ramp (estimated)	11,000
Moorings in Harbor	633
Charter Boats Using Wharves	14
Fishing Vessels Using Wharves	58
Parking Violations Issued	862

SHELLFISH

Commercial Blue Mussel Permits	0
Resident Shellfish Permits	1040
Resident Shellfish Permits over 62 years of age (no charge)	181
Non-resident Shellfish Permits	75
Commercial Soft-shell permits	0
Family Scallop Permits	0
Eel Permits (family)	0
Sea Worm Permits	8

REVENUE FROM HARBOR

Dockage	\$ 15,000.00
Mooring and Tender Fees	\$ 69,500.00
Shellfish Permits	\$ 14,150.00
Parking Violations	\$ 8,620.00

Ralph Savery retired in June after 14 years of service as the Harbormaster. Assistant Harbormaster Joseph Ritz was appointed the new Harbormaster in July. Timothy Routhier was also appointed in July as the new Assistant Harbormaster.

The Harbormaster Department took delivery of a new 24-foot rigid hull inflatable patrol boat. This boat proved to be a tremendous asset to the Department and boating community due to its size, speed, and many other attributes. This patrol boat has played a vital role in providing fast response to security concerns on the Town's waterways.

Arrangements have been made for the Harbormaster Department to manage the State boat ramp during the boating season. The new management plan will begin in May of 2002.

The department recently secured two State grants for a pump out boat and a shore side pump out facility. Both the boat and facility will assist in cleaning up the harbor and should be up and running this coming spring.

The Harbormaster Department in conjunction with the Massachusetts Environmental Police held the second annual boating safety class this year and plans to hold another class this spring. These boating safety classes have been well attended and appreciated by all involved.

The commercial fishing industry had its ups and downs this year. Despite a slower year, the lobstermen were able to keep Plymouth as one of the States top three ports for lobster landings. The dragger fishermen had a good year, landing more fish this year than the past ten years. The whale watching, party fishing and sport fishing boats all had a good season as well.

DEPARTMENT OF PUBLIC WORKS

► ADMINISTRATION

The Department of Public Works mission continues to be that of coordinating all work and planning for Public Works projects within the community. This coordination with the divisions of Public Works will encourage the most efficient utilization of resources and allow administration to act as the liaison between the divisions and the public and/or other public agencies.

The first year of construction under the Town's Infrastructure Management Plan was very successful. Over twenty roadways were paved, eleven streets had new sidewalks installed, and ten drainage improvements were made throughout the Town.

The Town's new wastewater treatment plant has been constructed and operation will begin during February 2002, with full compliance by April 2002. Credit must go to the engineers and contractors who have completed the project on time and within budget, and with no loss of time due to injuries. The Department looks forward to working with U.S. Filter Operating Services over the next year, and now will provide sewer services to residents and business as needed.

Construction of the Town's golf course is on schedule with play scheduled for the summer of 2002.

► CEMETERY DIVISION

The overall purpose of the cemetery division is to provide the community with the best possible service and care.

The cemetery division would like to be recognized as an efficient and resourceful division that believes in being helpful and friendly to customers.

The division has an obligation to all customers (families and friends of the deceased, employees, and the public) to work together to keep the cemeteries as neat and clean as possible.

There are 33 known cemeteries in the Town of Plymouth.

The D.P.W. cemetery division maintains and services 26 of these, 16 town owned and 10 smaller cemeteries with veterans buried in them.

In 2001 the Cemetery Division:

- Sold a total of 159 grave lots, Vine Hills 122, Manomet 21, Oak Grove 4, Cedarville 2, Chiltonville 10.
- Interred 181 human remains 115 full, 66 cremates, with 17 known veterans.
- 33% of these were cremates. (66)
- 20 % of these were Saturday, Sunday or after hours interments. (32)
- Installed 64 foundations for monuments / grave stones. Vine Hills 36, Manomet 17, Oak Grove 1, Chiltonville 7, Cedarville 1, So. Pond 1 .
- Installed 26 veteran markers, (stones) and put out over 100 veteran flag holders and flags.
- Shaped dirt road from XX section to Y section Vine Hills cemetery.
- Added more fill to K section Vine Hills for more graves.
- Replaced 17 damaged water faucets through out the town cemeteries Vine Hills, Oak Grove, Manomet.
- Helped out other divisions 47 times this year

► ENGINEERING DIVISION

The mission of the Engineering Division is to provide quality engineering services and technical support for the Town of Plymouth, its residents, agents and providers: to establish an atmosphere of courtesy, efficiency and dedication, while maintaining a professional work environment that will foster, encourage, and nurture personal excellence, leadership and growth.

The Engineering Division, and indeed the entire DPW, continue to refine and improve services. This year the division converted its technical software. The new

software will be compatible with all consulting firms with which we exchange technical data, and it will have less maintenance cost and better and improved client based services, plus it will enable us to work more efficiently.

The acquisition of a "Global Positioning System (GPS)", through the approval of the Spring 2001 Annual Town Meeting will allow the division to use such system to establish precise control , enable the division to upgrade the existing Plymouth Assessors Maps, be more effective, and responsive to the growing needs for GIS services. The GPS is a mapping and data collection tool, which reduces field and office time, and also is an essential component of the data maintenance and updating for the Town's Geographic Information System (GIS).

A Roadway Management Software System (Road Manager) has been implemented to assist with the inventory and development of long term maintenance program for public roadways and sidewalks.

It is the long-range goal of the Engineering Division to expand the scope of services provided and ultimately to maintain a readily retrievable inventory of all municipal resources available in the town. The division strives to provide the best possible service utilizing experience, well-trained personnel, and state-of-the-art equipment within budgetary constraints to the residents of Plymouth.

James G. Thomson, Civil Engineer was the recipient of this year's "Length of Service" Award. He was recognized for his twenty years of service to the Town.

The following outlines the summary of 2001 activities:

A. Assessors Maps Revisions

321 Parcels on 66 Maps

B. Street Layout Acceptance (7 Layouts totaling 15,245 Linear feet)

Pine Mountain Drive, entire length thereof;

Buckskin Path, entire length thereof;

Great Woods Road, entire length thereof;

Quail Run, entire length thereof;

Yvonne Circle, entire length thereof;

Ship Pond Road, a portion thereof;

Camelot Drive, a portion thereof;

C. Road Layout Alteration/Re-establishment (1)

Long Pond Road - from Route 3 (vicinity of Home Depot) to Drew Road (7,300 feet).

D. DPW Projects (Field Survey and Design Projects that are conducted/prepared by the In-house personnel of Engineering Division)

Alden Street - The construction was completed on or about October 2001. Scope of Project: Drainage improvement system.

Bourne Road (from Halfway Pond Road to Bourne Rd. Elementary School) -The construction was completed on or about October 2001. Scope of Project: Road widening, cement concrete sidewalk, and drainage improvements.

Castle Street, Atlantic Avenue and Atlantic Street - The construction was completed on or about October 2001. Scope of Project: Drainage improvement system.

College Pond Road - Field survey was completed and design is in progress. Scope of Project: Designing the drainage system to control and manage the street flooding during the rainfall events.

Lancaster Road - Field survey was completed and design is in progress. Scope of Project: Drainage improvement system.

Long Pond Rd. Sidewalk -from Herring Pond Road to Tananger Road (1,700 Linear Feet)

The Town Meeting Members at the Spring/Fall ATM voted the authorization of Eminent Domain Taking Actions, and also the LAYOUT of the public sidewalk. Field Survey was completed and design is in progress.

Nathaniel Morton School - The construction was completed on or about Aug. 2001. Scope of Project: Providing an alternative route for school buses, to alleviate the traffic on Lincoln Street.

Nickerson Street - The construction was completed on or about October 2001. Scope of Project: Full reconstruction and drainage improvements of the entire roadway.

Ship Pond Road (from Columbia Road to Early Red Circle) - The construction was completed on or about October 2001. Scope of Project: Full roadway reconstruction to include drainage improvement system.

Stephen's Field - Field survey was completed, and design is in progress.

Scope of Project: Drainage improvement system, erosion control, and improving the water quality of stormwater runoff by providing leaching catch basins/structures (Best Management Practices/BMP).

Taylor Avenue (from Manomet Point Road to White Horse Road) - Field Survey was completed, and design is in progress. Scope of Project: Full reconstruction of the entire roadway including drainage improvements and sidewalk.

Westerly Road - The construction was completed on or about October 2001. Scope of Project: Drainage improvement system.

The in-house personnel with their positive innovations and willingness, conducted site survey, construction layout, prepared design/construction plans and specifications, provided contract administration, and drafted required documents/permits on all of the above projects.

E. DPW Projects (Administration of DPW Projects that involve Engineering/construction services by any consultant/contractor).

River Street Bridge Replacement - The Town Meeting Members at the Spring ATM voted the authorization of Eminent Domain Taking Actions. Construction contract documents and plans are at 100% design phase. The project was advertised for construction on or about November 2001.

South Street at Sandwich Street Traffic Signal - Construction contract documents and plans are at 100 % design phase.

Long Pond Road - Route 3 (vicinity of Home Depot) to Drew Road, and also Camelot Drive for a distance of 1,650, feet from Long Pond Road easterly. Town Meeting Members at the Spring Annual Town Meeting voted the authorization of Eminent Domain Taking Actions. Construction contract documents and plans are at 100% design phase for the full roadway reconstruction, and drainage improvements.

Warren Cove Flood Mitigation Project - Seawall and revetment repair/reconstruction. Construction documents and plans are at 100% design phase. The project was advertised for construction on or about December 2001.

Carter's Bridge Road - Box culvert replacement, including roadway, and drainage improvements. Construction contract documents and plans are at 100% design phase. The Town is seeking the approval of Environmental Permits.

Clifford Road - Box culvert replacement, including roadway and drainage improvements. Construction contract documents and plans are at 100% design phase. The Town Meeting Members at the October Annual Town Meeting voted the authorization of Eminent Domain Taking Actions. The Town is seeking the approval of Environmental Permits.

School Zone Flashers at four (4) locations. Construction contract documents and plans are at 100% design phase.

F. State Construction Projects -

Coordinating the Town's concerns/issues with Massachusetts Highway Department (MHD) or other State Agencies.

Route 3A - Stage B Reconstruction (Court Street from Rte 44 to Kingston Town Line). Construction started - December 1998 (ongoing)
Route 44 Relocation - Ongoing

H. Plan Reviews (51)

Planning Board (23); Zoning Board of Appeals (10); and Building Dept. (18)

I. Miscellaneous

- Zoning Maps revised to reflect new zoning changes, and also redrafted on CAD system, which was submitted to the Planning Board for their review and comments.
- Pedestrian Safety Improvement Program - Established a set of criteria for providing new sidewalks in various locations.
- Prepared display and locus plans for various departments and Town Meeting Warrant Articles (i.e. Police Department).
- Submitted grant reimbursement request for funding on projects through State Agencies
- Various field survey and report/plan preparation for various departments/divisions (i.e. Airport)
- Setting roadway bounds - seven (7) Roads, which were accepted as Public Ways (see the above "Street Layout Acceptances" for the list of roads), and also at 28 1/2 Centennial Street
- Over-the-counter services; House number and lot number assignments (e.g. Pinehills Development); provided information to the general public, realtors, engineers, and land surveyors.

J. Printing Services

37 sets of Assessors Maps (150 sheets each)

73 sets of Zoning Maps (9 sheets each)

Approximately 850 prints of various plans

These achievements are representative of the numerous accomplishments for the year 2001. The success and direction of the Engineering Division is attributable to an outstanding team of dedicated and conscientious staff.

► HIGHWAY DIVISION

As a Division of the Department of Public Works, the mission of the Highway Division is to provide for the construction and maintenance of Town accepted roadways and sidewalks as well as limited maintenance of private roadways. In the interest of maintaining the highest level of safety to the public, the Highway Division is also responsible for the Town's rapid response to adverse weather conditions, especially in the winter.

General construction and maintenance responsibilities of the Highway Division include asphalt application on accepted roadways and sidewalks, brushing, roadside mowing, line painting, basin cleaning, street and

sidewalk sweeping, municipal rubbish pickup, litter pickup, drainage, retention area cleaning, grading and calcium application on dirt roads and all signage on streets and parking lots.

It is because of the vast assortment of services that the Highway Division provides that it is able to assist all other Divisions in the Department of Public Works. Therefore, to insure the continual improvement of the quality service and efficiency of the Division, educational materials and classes in numerous areas are available to all employees.

STREET CLEANING

In mid-April 2001, two mobile sweepers started cleaning winter sand. The main roads, Main Street Main Street Extension and Court Street, and the waterfront are swept daily during the summer months and every other day the rest of the year. The side streets are swept in rotation. The second sweeper serviced Manomet, Cedarville, Chiltonville, the Long Pond Road area, Buttermilk Bay and private developments.

DRAINAGE AND DRAINAGE MAINTENANCE

The Division made repairs and installations to numerous catch basins in all areas of the town and completed the cleaning of drain lines and several retention areas.

To alleviate drainage problems, systems were installed at the following locations:

- | | |
|-------------------------------|---------------------|
| Archer Street | Nook Road |
| Atlantic St. at Atlantic Ave. | Old Beach Road |
| Cape Cod Avenue | Packard Street |
| Downey Street | Ship Pond Road |
| Great Wind Drive | Silver Birch Avenue |
| Jackson Street | Tamarack Road |
| Mildred Street | Worcester Street |
| Morton Park Road | Vine Hills Cemetery |

FENCES AND GUARDRAILS

The division repaired and painted fences, guardrails and cement posts and replaced sections of guardrail.

SIDEWALKS

Pavao, Inc. installed sidewalks on Alvin Road, Bourne Road, Centennial Street, Chestnut Street, Clyfton Street, Davis Street, Highland Place, Oak Street, Town Street, Town Boat Ramp/parking, and Vernon Street.

HIGHWAY CONSTRUCTION AND RECONSTRUCTION

Aggregate Industries completed paving work at the following locations:

Alvin Road	Lake Drive
Centennial Street	Nook Road
Cherry Street	Old Beach Road
Chestnut Street	Rocky Pond Road
Flintlocke Drive	Sandwich Road
Great Wind Drive	Ship Pond Road
Hedges Pond Road	South Cherry Street

Sealcoating, Inc. micro-surfaced and reinforced crackseals on Bonney Briar, Dorothy Drive, Freemont Street, Federal Furnace Road, Jordan Road, Justine Road, Justin Avenue, Linda Street, Long Pond Road, Lucy Path, Maureen Drive, Micajah Pond Road, Miller Drive, Nancy Road, Oaken Bucket Road, Paula Road, Sandra Drive, South Plymouth Fire Station, Standish Avenue, Stockade Path, Summer Street, and Union Street.

PATCHING OF TRENCHES

Felix A. Marino Co. completed the infrared heat patching of streets.

TRAFFIC AND STREET MARKING

Hi-way Safety Systems, Inc. and Markings, Inc. painted centerlines on various streets throughout the Town.

Parking areas, meter spaces, stop lines, school zones, directional arrows, handicapped areas, and personnel in the Highway Division painted crosswalks.

The Division produced and installed many signs during 2001. The Town expends a great deal of money to replace signs that are vandalized, stolen or destroyed by accidents. Included in this area is the constant maintenance of the traffic, warning and school lights.

MISCELLANEOUS

Other work done by the Highway Division included patching of roads; sidewalks and roadside mowing; grading and graveling dirt roads; application of calcium chloride on dirt roads; replacing parking meters; plowing and sanding; rubbish pickup removal of tree stumps and patching and pumping of poor drainage areas. The basin cleaner cleaned out catch basins throughout the year. This year the Highway Division enlisted the services of the Sheriff's Department by allowing prisoners to pick-up litter along the side of roads within the Town.

► MAINTENANCE DIVISION

The maintenance division is responsible for maintaining town-owned vehicles and buildings. While the division functions is primarily out of the public eye, it is firmly committed to its mission:

To provide the highest quality of service to town departments in a timely manner, whenever and wherever needed.

The division realizes that its success is dependent on communication and cooperation with the departments it serves on a daily basis.

The duties of the Maintenance Division are performed by two equally important groups:

The Vehicle Maintenance group is responsible for the service and repair of 150 pieces of equipment. The equipment ranges in size from automobiles assigned to department heads, to heavy equipment such as, sanders, plows, and rubbish compactors. This group also maintains Police Department vehicles. The Vehicle Maintenance group consists of five mechanics. In addition to performing routine maintenance they also perform emergency repairs, working around the clock when necessary.

The Division recognizes the high level of commitment the Vehicle Maintenance staff displays in the performance of their duties.

The Building Maintenance group provides primary repair and maintenance services for the approximate twenty-five Town-Owned buildings. These buildings range in size from the largest Town Office Building to the small pumping stations. Three building craftsmen perform varied types of repairs on and within these buildings, making adjustments and improvements when necessary. The Division prides itself on performing most of the needed repairs and maintenance by its in-house staff, greatly reducing the cost of these services to the Town.

The Division recognizes the high quality of work performed by the Building Maintenance staff and considers them a most valuable asset to their Division and the Town.

Also included in the Building Maintenance Group are the custodians assigned to Town Office Buildings and 130 Court Street . These individuals work diligently to provide a clean and pleasant environment for workers and visitors to their respective buildings.

► PARK & FORESTRY DIVISIONS

The mission of the Park Division is three-fold:

- **To provide and maintain safe recreational facilities, and,**
- **To provide and maintain aesthetic and environmentally functional areas which enhance our citizens' current and future needs, and,**
- **To plan and promote further recreational facilities, both passive and active, which reflect our citizens' current and future needs.**

The mission of the Forestry Division is to plant and/or maintain public shade trees along the town's public ways and on public land. These trees serve our citizens in many ways including:

- **Providing summer shade which helps cool our living and working environment, and,**
- **Helping to reduce air pollution, and,**
- **Adding to the aesthetic quality of our town, now and for the future.**

In the year 2001 the Park and Forestry Divisions underwent some notable personnel changes. With the retirement in March of Superintendent Douglass Gray, who had led the Park Division for twenty-five years, the town administration lost a most experienced, much loved, deeply respected and committed member. All who have had the privilege of working with Doug within the Divisions wish him the best in his future pursuits. New to the Park and Forestry Divisions since November is Natural Resources Officer, David Gould, who replaced Owen Muise in that position, after Owen moved into the Superintendent's position in August.

The Park Division continued its involvement in the community through a well diversified assortment of activities and programs. The daily work schedule included the maintenance of more than fifty individual facilities totaling over 640 acres throughout the town. These areas include parks, playgrounds, tennis courts, fields for youth and adult sports leagues, a skateboard park, in-town parking areas, coastal beaches, and pond facilities maintained for picnicking, swimming and boating. A new emphasis is being placed on the creation of a trail system to integrate various parks and natural areas throughout the town. The town received the first grant toward that goal from the Fields Pond Foundation this year.

The Division supported more than 60 concerts and community events by providing use of its concert trailer, portable stages, and sound system. These events, offered free of charge to the public, were very popular and were often sponsored by non-profit organizations for worthy causes. Division staff set up stages and equipment and were on hand during events to assist when needed. Material and advisory support was given for local Boy Scout Eagle projects such as repair and maintenance of parks facilities (Briggs Field, West Plymouth Recreation Area) and the erection of osprey breeding platforms in Plymouth Harbor and bat nesting boxes at various sites in town. Supplemental new playground equipment was installed at the Allerton and South Street playgrounds and funding has been obtained through Town Meeting for playground equipment at the new West Plymouth Recreation Area.

Of the two projects begun in 1999 to restore the Town Brook herring run, one was completed. The old non-functioning fish passage under the Newfield Street Bridge was replaced by a new aluminum Alaskan steeppass fishway. Planning and permitting for the removal of the Billington Street Dam has advanced so that the project can finally be completed after the herring run next summer. The Final Environmental Impact Report was completed and approved in 2001. Numerous state and federal agencies, non-profit foundations, and corporate donors have been supporting the town on this project with generous grants and professional expertise.

By the end of the year, engineering plans were 90% complete and the permitting process was underway for the restoration of Brewster Gardens, Plymouth's showcase park. The restoration has become necessary as the present drainage system is failing and causing large areas of the park to become too wet to manage or for the public to enjoy.

Plymouth Long Beach was a major focus of the Park Division's activities again in 2001. Negotiations were continued in an attempt to resolve issues regarding the appeal of the 1998 Management Plan by the Massachusetts Audubon Society and two beach property owners. The basis of the appeals is the question of adverse impact of four-wheel drive vehicles on this fragile resource area. As a result of this situation it became necessary to prohibit vehicles from driving on the beach at times when staffing is not present to enforce the conditions of the management plan. As prescribed in the 1992 and 1998 Management Plans, and enforced in the summer of 2001 for the first time, vehicles were not allowed to drive on the tidal flats. Vehicle access on the Cape Cod Bay side of the beach was restricted to a 50 foot corridor between the foot of the dunes and the mean high tide line. This new condition was generally accepted by beach-goers, many of who enjoyed the added safety of recreational activities in the vehicle-free tidal flats. The purpose of the Long Beach Management Plan is to provide for the preservation and protection of the barrier beach and its wildlife and wildlife habitat as well as for the unique recreational opportunities that can coexist with that natural resource protection.

The Forestry Division again hosted the annual Arbor Day celebration in April, giving away 1,008 seedlings to help local citizens keep Plymouth beautiful. The Division planted more than 30 trees throughout the town and assisted a Boy Scout volunteer planting of trees at the West Plymouth Recreation Area. Safety issues on roadsides, and along electric power lines required the removal of 86 hazard trees and the pruning of more than 400. The Division also oversaw a large amount of contracted tree work along power lines, pipelines and roadways. Because of the Town's commitment to tree planting, maintenance, and related educational activities, Plymouth received the Tree City U.S.A. award from the National Arbor Day Foundation for the 13th consecutive year.

Town Forest Committee

In 2001, Richard Stabile and Maureen Thomas were reappointed to the Town Forest Committee, while Mr. Parker Barnes was appointed to fill the slot that was vacated by Stacy Richter. Also, during the year, the town received its new Town Forest Management Plan which will help guide timber harvests and related activities through the year 2011. During the spring, the West Plymouth Steering Committee cosponsored a town forest cleanup that successfully removed several bags of trash and debris from the forest. It is expected that more such cleanups will be scheduled on an annual basis.

In 2002, the committee looks forward to continue working with the town and our residents to monitor activities within the forest, to oversee management activities, and to perform natural resource inventories of vegetation and wildlife and of any disturbances affecting the forest. The committee welcomes residents to its public meetings (as posted) and solicits their input on management of the forest for recreational use and for protections of its natural resources. We encourage everyone to visit and explore the forest.

► RECREATION DEPARTMENT

The mission of the Plymouth Recreation Department is to provide quality recreational programs and activities to the residents of the community; to promote fair play, teamwork, and clean living; to expand the scope of programs to include educational as well as physical activities; and to make the department a valued Town resource.

The Recreation Department offered a wide range of programs and activities during calendar year 2001.

In February a field trip was arranged to the Disney On Ice performance at the Fleet Center in Boston and a youth basketball free throw contest was held at

the Manomet Youth Center in conjunction with the winter basketball leagues conducted at the facility. Ladies' Aerobics, Cardio Kickboxing, and Body Toning programs were held all year long at the Manomet Youth Center. In addition to supervising and scheduling the Town's lifeguards, swimming lessons, playground programs, and beach and pond attendants, the department also conducted a host of activities during the spring and summer months which included: the Annual Fishing Derby, Tennis Clinics for children and adults, Baseball Leagues, Kayaking Workshops, Art Camps, Gymnastics Programs, Dance/Acrobatics Programs, Golf Clinics, Soccer Clinics, Ice Skating lessons at the Armstrong Rink, and for the first time offered a Speed Training Clinic for youngsters. The Department also was responsible for scheduling of the Town's 25 athletic fields.

► SEWER DIVISION

The mission of the Sewer Division personnel, through cooperative teamwork of the treatment operations, infrastructure maintenance and laboratory staff, is to protect the environment by minimizing health/pollution risks while effectively meeting the stringent criteria imposed by the U.S. Environmental Protection Agency and the MA Division of Environmental Protection regulations and permits by optimizing process control and long-term infrastructure integrity through a strategically planned and coordinated inspection, analysis, preventive maintenance, and scheduled replacement program in a professional cost-effective manner with emphasis on serving the needs of the sewer utility rate payer with minimal financial impact.

In February 2001, the Board of Selectmen approved US Filter Operating Services taking over the responsibility for the current treatment plant with all sewer personnel being leased to them for the continued operation of the facility. During the calendar year 2001, Sewer Division personnel endeavored to meet the compliance requirements mandated by both the Federal and State governments. In 2001, Collection System personnel videotaped and inspected approximately 4000 feet of sewer pipe as part of the Division's ongoing investigation to eliminate inflow and infiltration. All town buildings, including schools, fire stations and the airport, not on town sewer, had their septic systems pumped by Sewer Division personnel. Sewer personnel maintained and repaired all pumps and motors within the collections system throughout the year. Annual sampling and inspections of those industries permitted under the Town of Plymouth's Industrial Pretreatment Program were completed in compliance with the Attorney General's mandated Pretreatment Program in accordance with the Environmental Protection Agency's rules and regulations 40 CFR 403.

The Sewer Division has continued to implement the Sewer Bank Policy as established by the Board of Selectmen through MA DEP with the allocation of a

50,000-gallon bank. From January through December 2001, thirteen permits were issued for an additional usage of 8,050 gallons per day. Since the inception of the Policy in 1995, 113 permits for a total of 45,803 gallons have been issued. Collection system personnel installed seven new services as part of this program in 2001. DEP allocated another 50,000 gallons for a Sewer Bank that is being appropriated to new facilities. Three permits were issued from this category in 2001. To date, a total of 11,797 gallons have been issued from this category.

The Sewer Division is continuing to work closely with the Health Department to identify failed septic systems within the Town by monitoring the discharge/dumping by pumpers at the Night Soil Facility.

Sewer Division personnel continue to operate, monitor and maintain the South High School Wastewater Treatment Plant on a daily basis and collect samples for the monthly testing and quarterly well sampling required by DEP for the school's discharge permit.

US Filter has completed approximately 98% of the construction of the new treatment plant. It is anticipated that the move from the old treatment plant, now being converted by P. Gioioso & Sons, Inc into a pump station, will occur sometime in January or February 2002. P. Gioioso & Sons completed the construction of the force main from the old treatment plant to the new plant and also completed the return main back to the old treatment plant.

Between January and December 2001, the Wastewater Treatment Plant on Water Street treated 609,367,000 gallons of wastewater. This represents a decrease of 47,190,000 gallons over 2000, or a 7.19% decrease in flow. Included in this total are 4,646,060 gallons of septic waste from Plymouth residents, Town buildings and schools not on the collection system and received at the plant in 2001, a 34.25% increase over 2000. The septic flow was approximately 0.76% of the total sewer flow.

The combined domestic, commercial/industrial and septic waste was received, treated and discharged to the ocean with a reduction of solids present in the wastestream of 95%.

The belt filter press, which was removed from the facility in October 2001, processed 7,459,260 gallons of waste sludge. The belt press processed 3010 cubic yards of sludge cake with an average of 22.1% solids, which works out to a total of 481.28 dry tons of solids or 2137.10 wet tons that were taken under contract to the Yarmouth Septic Facility for disposal. The wastewater is now being hauled in liquid form to facilities in Fitchburg, MA and Cranston, RI. A total of 89.14 tons of grit and screenings were disposed of at the Town of Bourne Landfill.

► SOLID WASTE DIVISION

To provide the most cost effective waste collection along with accessibility for solid waste related services.

Summary of Services

This division is responsible for the operation of all four transfer stations in the Town of Plymouth.

The most significant change in the Solid Waste Operation this year was the approval by Town Meeting to operate as an Enterprise fund. The goal is to have this budget self-sustaining within a three or four year period.

There are several advantages to this type of budget:

- Only those who will actually be using the service will be paying for it.
- The Towns' credit rating is positively affected by the establishment of this fund.
- Capital Projects such as the renovation of the Cedarville Transfer Station will not compete with other Town projects, but rather will be built into the Solid Waste annual budget over a ten-year period.

The Town has once again received an "A" rating for the fourth year in a row on the State Recycling Report Card. This is the result of the hard work by Mary Farrell, the Recycling Coordinator, the Town's volunteer Recycling Committee, and the exceptionally hard work of the dedicated group of volunteers who have spent thousand of hours at the transfer stations. Without them the success of the program would not have been possible.

The Town has again received several grants to improve participation in the recycling program. These are part of the Department of Environmental Protection's annual recycling grant program.

The composting area at the Manomet Transfer site is now providing compost, which will be mixed with the screened street sweepings to provide a planting material to be used for DPW projects. The division hoped that eventually there will be surplus that could be made available to residents.

The following tonnages were collected during 2001:

- Municipal Solid Waste (MSW) – 13,015 Tons
- Various recyclable materials that include newspapers, cardboard, mixed paper, office paper, glass, plastics, cans, compostables, Christmas trees, tires, waste oil, batteries, paints, scrap metals, mercury containing products, and cathode ray tubes (CRT's) – 8,310 Tons

► WATER DIVISION

The mission of the Water Division is to provide the highest quality drinking water and fire protection at the lowest possible cost to the ratepayers. The goal of the division is to be recognized by the townspeople as one of the best departments within the town government. This can be achieved only if the department operates on the principle that doing good work is its own reward. The department must always be looking for ways to improve the quality of the water and the efficiency of the operation.

Capital Projects that were begun or continued were the Supervisor Control And Data Acquisition (SCADA) project and the development of the new Savery Pond Well in Cedarville, the Nook Road Booster Station and the engineering for the North Plymouth Well Filter Plant.

Water Quality Report: In conjunction with the United States Environmental Protection Agency (USEPA) and the Massachusetts Department of Environmental Protection (MADEP), the Town of Plymouth submitted its Second Annual Water Quality Report for calendar year 2001. The intent of this report is to inform the Towns people about their drinking water. The Town will provide this information on an annual basis.

The Department of Environmental Protection, Drinking Water Program was pleased to congratulate the Plymouth Water Department for receiving a score in the top 20% in the 2000 Public Water System (PWS) Compliance Evaluation Program statewide.

Scoring was based on a points system which was determined by compliance with the drinking water regulations, overall evaluation of statistical reports, and involvement with other DEP drinking water programs. The high score reflects the Plymouth Water System's ability to provide consistently high quality drinking water to its customers.

Ensuring that drinking water is clean and safe has never been an easy job. The Plymouth Water Department was commended for doing a great job knowing the many challenges water suppliers' face today.

The total rainfall for the year 2001 was 47.14 inches as compared to 52.99 inches for calendar year 2000.

The total water pumped from all sources was 1,927,212,305 gallons or 5,280,033 gallons per day. This represents an increase of 176,297,131 gallons from 2000 or an increase of 483,005 gallons per day, over an annual daily average. The town is part of a statewide drought.

For Fiscal Year 2001, \$5,025,719.93 was committed to charges (water bills) for the sale of water, service connections, various services rendered, etc.

The North Pine Hill Tank was cleaned and inspected in 2001. Since 1993 all tanks in the Plymouth Water system have been cleaned and inspected. We are on a five-year rotation with tank inspections.

CONSUMPTION OF WATER

Estimated Population Served:	42,375
Total Yearly Consumption:	1,927,212,305 gals.
Average Daily Consumption:	5,280,033 gals.
Gallons Per Day Per Capita:	114 gals.

CONSTRUCTION

New Installation of water main
Osprey Lane
Home Depot Drive Extended
Airport
Ship Pond Road
Jordan Road Extended
East Russell Mills Road
Sheriff's Department Extended
Phase 1 of Standish Avenue

DISTRIBUTION SYSTEM

Type of Pipe: Cement lined sheet metal (jacket pipe), cement lined cast iron, cement lined ductile iron, asbestos-cement and PVC.

Size Ranges:	2 to 20 inches
Linear Feet Extended:	28,000 L.F.
Total Linear Feet In Service:	1,087,480 (206 miles)
Total Linear Feet of 4" or Less In Service:	15,840 (3 miles)
Number of Hydrants:	1,868 EST.
Number of Gate Valves:	4,030 EST.

SERVICE CONNECTIONS

Type of Pipe: type K copper tubing, lead, SDR 9 PVC, cement-lined cast iron & cement lined galvanized

Service Taps Added:	44
Services Added by Builders	70 (estimated)
Total Number of Services:	12,722 Est.
Services Renewed	35
Service Leaks & Repairs	39
Services Abandoned	7
Curb Stops Replaced	20
Main Breaks	12
Main Taps	10
Main Cut & Caps	5

Meter Pits Installed	3
Hydrants Replaced/Installed	25
Hydrants repaired	18
Valves Replaced/Repaired	9
Cost of New Service:	\$1050.00
Shut Off Notices	\$25.00
Shut Off for Non Payment	\$100.00
Number of Meters in Service:	12,680 EST.
Meters Replaced	164
New Meters Added	141
Meters Repaired	76
Backflow Surveys	593
Water System Metered	99%

SUMMARY OF STATISTICS

POPULATION:	51,701
SUMMER POPULATION:	75,000 (est.)

DATE WATER DEPARTMENT ESTABLISHED: The Town purchased the water system from private owners in 1855. The first water system was established in Plymouth during in 1797. During the renovation of the Town Hall the original charter of the Plymouth Water Company was found. It was signed by Governor Samuel Adams, 7 February 1797. It is available for inspection at the Plymouth Public Library.

SOURCE OF SUPPLY: South Ponds Well #1 & #2, Lout Pond Well (inactive), Wannos Pond Well, Ship Pond Well, Ellisville Well, Bradford Well, Federal Furnace Well, North Plymouth Well and Darby Pond Well and Savery Pond Well.

STORAGE TANKS: Harrington, Samoset, North Plymouth, Stafford, Lout Pond, Chiltonville, Pine Hills, South Pine Hills, Indian Hill and Cedarville.

PUMPING	GALLONS
SOUTH POND WELL #1	359,620,000
SOUTH POND WELL #2	342,056,300
LOUT POND WELL	0
FEDERAL FURNACE WELL	208,130,800
DARBY POND WELL	173,948,100
NORTH PLYMOUTH WELL	181,236,300
SHIP POND WELL	154,107,700
WANNO'S POND WELL	116,335,700
ELLISVILLE WELL	255,857,900
BRADFORD WELL	133,925,505
SAVERY POND WELL	0
TOTAL	1,927,212,305

BOOSTER STATION RE-PUMPING

DEEP WATER STATION	15,921,000
PINE HILL BOOSTER STATION	46,872,000
CEDARVILLE BOOSTER STATION	100,857,600
NOOK ROAD BOOSTER STATION	21,010,500
TOTAL	184,661,100

PLYMOUTH WATER DIVISION

P.W.S. #4239000

1. Locked fences protect some of the sources and sites and all power failures are detected by telemetry. All pumping stations are monitored for loss of power or failure of surge control valve. All standpipes are monitored for high and low level situations.
2. Cedarville Booster Station and Rocky Hill Road Booster Station do not have stand-by power. We have a trailer mounted; diesel powered emergency pump to service these areas in the event of equipment failure or prolonged power outages.
3. Bradford Well has a new booster station as a backup for that system. In the event of a power failure, Nook Road Booster will run to service the area.

Source: Eleven wells as a source, nine with stand-by power for emergencies. Two do not have stand-by power.

Distribution: the system is divided into six pressure zones. Four zones have supply sources, the Rocky Hill Booster Station supplies the Pine Hills Zone with water from the Plymouth Center Zone and Ellisville/Cedarville is supplied by the Cedarville Booster Station with water from the Manomet Pressure Zone. The Bradford Zone is interconnected with the Plymouth Center Zone and the Pine Hill Pressure/Booster Zone is interconnected with the Manomet Pressure Zone through PRV devices. The West Plymouth Zone is interconnected with the Plymouth Center Zone at two locations with one not currently operational. The Plymouth Center Zone is interconnected with the Town of Kingston Water System on Route 3A with a 12-inch main.

Treatment: one source receives treatment beyond the above mentioned corrosion control. - The Bradford Well receives green sand filtration for iron/manganese removal and in the event of an emergency can be served with the Nook Road Booster Station with water from the Plymouth Center Zone.

Storage: the system has ten standpipes and is monitored for high and low level conditions. The loss of any one standpipe would not pose any particular problem with the exception of the Cedarville Standpipe and the Pine Hills Reservoir. If these tanks were lost for any reason their pressure zones would have to be supplied with direct pumping.

HUMAN SERVICES

► COUNCIL ON AGING

To pursue the goals set forth in Older Americans Act, Section 1, Title 101, to carry out the mandates for Councils on Aging established under Massachusetts General Laws, Chapter 40, Section 8b, Plymouth Council on Aging declares the following statement of purpose for the senior center's existence: to provide mobility to elders; to provide nutrition; to provide preventive health programs, to provide social and economic assistance; to provide educational programs; to provide socialization and recreation; to provide support for the homebound and to keep them out of institutions; to provide jobs and volunteer opportunities; to assist all who come with information and referral.

In a feature article contrasting the tragic attacks of December 7, 1941 (Pearl Harbor) and September 11, 2001 (World Trade Center), Patriot Ledger reporter Barry Smith interviewed several seniors of South Shore Towns. Plymouth seniors Augusta Waters and Mildred Dean responded, as did other seniors who lived through both events. All said that they felt devastated and angry. They thought the 9-11 attack was worse because the enemy's objective was thousands of innocent civilians.

The Council on Aging is a good place to find living history. Seniors who experienced wars and historic events can give flashbacks remembering how it was. The Council on Aging is also a good place for seniors to look with hope toward programs to remedy their economic, medical, emotional and spiritual needs.

Among new programs established this year to help seniors with current needs is the inauguration of the Prescription Advantage Plan. This helps elders and young people with disabilities to pay for their prescription drugs. Another new program established this year to help those who pay full price on their prescriptions is Citizens Health.

State legislators also voted the "Circuit Breaker" Tax Credit for seniors. This allows seniors who own property or rent to claim a credit equal to the amount their property tax payments exceed 10% of their total income.

On June 12, Plymouth Selectmen re-appointed Lucia Cummings and Lisa Moura to the Council on Aging; and appointed Jean Goggins and David Cohen. The new appointees replaced Rev. Gus Rakozy and Walter Reid.

There were some changes in staff. Beth Rollins was appointed to replace Pamela Borgatti as Administrative Secretary. The Community Development Grant ran out for Outreach Worker Rosemary DeFelice. Richard Skinner replaced Joseph Yellop on the State Elder Service Corps roster. Other members of the Elder Service Corps working in our Agency include Richard Baker, Leo McLoughlin, James Maxson, Sidney Shuman, Augusta Waters and Frank DeLappe. Our Senior Aides are Barbara Grefe, Millie Kelly and Robert Pelligrini.

The GATRA Dial-A-Ride bus logs of 2001 showed 16,490 rides given to elderly and disabled persons of Plymouth. GATRA personnel come to Plymouth on a bimonthly basis to provide photo ID and Access cards for seniors and disabled persons. These are good for reduced rates on all public transit systems.

On May 18, 2001, volunteers were honored with a luncheon at Handlebar Harry's Restaurant, Cordage Park, Plymouth. Certificates of appreciation were presented by State Legislators and the Office of U.S. Congressman Bill Delahunt to the following: Paul and Marge Fleming, James and Phyllis Maxson, Frank DeLapp, Leona Asker, Vivian Hinderscheid, Remington Reed, Carrie Hillebrand, and Ruth St. Pierre.

Among the successful ongoing programs at the senior center are the wellness activities of low-impact aerobics led by Barbara Kadish, line dancing with Howard and Dori Sherman, the Tai Chi, and the walking group. A popular program is the computer classes taught by Kate Mayo.

Public works personnel have done work on the 89 Court Street building, future home of the Council on Aging.- Before the end of this year, however, bids went out for the major renovations.

Among transitions of the year 2001 was the loss of Dorothy Checchi O'Brien, who founded the holiday program twenty-eight years ago. Her husband Jack continued the work with the help of volunteers. Other participants and volunteers of the Council on Aging programs who passed on this year were: Eleanor White, Michele Brigida, Joseph Santos, Marion Jedry, Anna Mills, Bertha Guillette, Thelma Clark, Paul V. Fleming, Sr. and Gus Rodrigues.- To them, this report is dedicated.

► PLYMOUTH PUBLIC LIBRARY

The mission of the Plymouth Public Library is to select, acquire, organize, preserve and make conveniently accessible services and a collection of materials in various formats held in common by the people of Plymouth for their educational, cultural, recreational and informational needs and interests. The library is an agent for all citizens in securing needed information and materials without bias or censorship. The Library preserves and provides access to materials of current and historical significance to Plymouth and its geographic area and, as an integral part of municipal government supports life-long learning and the reading enjoyment of the community.

The year 2001 may be remembered as the year of perpetual change at the library. Statistical indicators illustrate a shift in use patterns, technology improvements for those in need of adaptive technology is in place, SIRIS has replaced DYNIX as the central operating system, and branch services are demanding creative thinking. But, the more things change the more they stay the same.

Statistics show that "the times they are a changin'". No longer a clearly defined circulating library, patron usage is shifting to increased in-house usage, and heavier demands for on-line reference databases (both for in library and at home usage). While circulation numbers were declining over the past several years, a shift in the local economy has resulted in a heavier use of public library services. Not only is circulation increasing, but also in-house usage is rapidly increasing. Periodicals are taking the lead, followed closely by request for expanded youth and adult programming. As belts tighten citizens are again turning to the library for items they would not purchase on their own, keeping up on the latest news, and entertainment.

The automated circulation/cataloging/card catalog system has shifted from the old text based DYNIX system to a completely web based operation on the SIRIS platform. Dynix, first installed in the late 1980's, was no longer supporting library automation systems. This led the Old Colony Library Network (OCLN) to solicit proposals for a new system last Spring. Three vendors were interviewed, bids received and SIRIS was selected. The database was transferred for all 25 libraries in the Old Colony Library Network in October and the change is terrific! Library users are very familiar with the web search screens. They also have the ability to access their individual transaction records, place holds, take care of fines or bills, and see what they have out from the comfort of their homes. Library staff have trained hard on the new system, and looks forward to servicing the public with increased options and accuracy.

► VETERANS SERVICES

It is the department's mission to assist with dignity those who have served their country during wars and crisis and find themselves in economic or medical need. In all our contacts with these applicants and their dependents, we shall make every effort to understand and take into account their emotional state, apprehension to disclose personal information about themselves and their families. We must protect the confidentiality of all information provided.

All Veterans Agents and Directors in Massachusetts received notification from the Office of the Commissioner regarding increases in benefits effective July 1, 2001. It became necessary for many Agents and Directors to make annuity payments to various 100% service-connected disabled veterans on a temporary basis. This was caused by a temporary delay pending passage of a supplementary budget by the state legislators.

The town received notification from the Veterans Administration Regional office of a cost of living increase to the rates of disability compensation for veterans with service-connected disabilities. The same applied to all their survivors. As in the past, the percentage amount would be equal to the increases for benefits provided under the Social Security Act, which is calculated, based upon changes in the Consumer Price Index. Educational benefits under the Montgomery G.I. Bill-Active Duty (Ch 30 of title 38) U.S.C. will be increased effective October 1, 2001.

The Department of Veterans Affairs is coordinating a range of services and benefits for veterans, active-duty military members and their family members killed or injured in terrorist attack on September 11, 2001. Processing of monetary benefits to survivors of veteran and military member are being expedited.

The thousands of men and women in the National Guards and Reserves who have been called to active duty should be assured that their jobs will be waiting for them upon their return. Details regarding information of their rights and obligations can be obtained through the Department of Labor or National Committee for Employer Support of the Guard and Reserves.

Among the heroes in this catastrophe are many who sacrificed for us when they served in uniform. They were heroes before they fell in New York City or at the Pentagon. The Veterans Administration is honored and proud to serve them especially at a time of need.

PLYMOUTH PUBLIC SCHOOLS

The Plymouth Public Schools continue to plan for the future of the system as it grows. The School Committee is conducting a study to determine the best facilities plan to allow the town flexibility for future growth. The School Committee will provide updated information to the community as the studies are completed.

The School Committee and the School Department have begun to utilize Baldrige-based practices of performance excellence. Included in this report are the District goals developed by a core leadership group trained in the Baldrige approach. The community will receive more information as we continue to implement the training. The results should be observable in the performance of the students.

The efforts of the students reflect the continuing efforts of the Town to provide a strong education for all students. Parents and community members are the key to success of the educational system in Plymouth.

Plymouth School Committee Mission and Goal Statements

Mission

The Plymouth Public School District is committed to learning and will provide a safe environment in which all staff and students reach high standards through continual improvement.

Goals

Safe School Environment

The Plymouth Public School District will create a physically safe, psychologically healthy, structurally sound and hazard-free environment with adequate physical space and sufficient staffing.

High Performance Work Force

The Plymouth Public School District will actively recruit and retain highly qualified employees for all positions.

The Plymouth Public School District will provide professional development and training for all staff members.

The Plymouth Public School District will use its evaluation processes to improve the effectiveness and performance levels of employees.

Student Achievement

The Plymouth Public School District will increase student achievement.

Value

The Plymouth Public School District will determine value by tracking the correlation between instructional costs and student performance.

The Plymouth Public School District will direct its resources to address those areas of highest academic priority.

The Plymouth Public School District will begin to assess performance at the classroom, school and district levels using Baldrige-based instruments.

Community/Partnerships

The Plymouth Public School District will provide accurate, clear, timely and consistent information to the school community and the town at large.

The Plymouth Public School District will build school, community and business partnerships that are mutually beneficial.

The Plymouth Public School District will attain active community support for its mission.

Student Testing

In most areas of testing (grades 3, 4, 6, 8, and 10) Plymouth students are demonstrating remarkable improvement on the Massachusetts Comprehensive Assessment System (MCAS). The Class of 2003 (this year's 10th graders) is the first class required to pass tests in English and Mathematics in order to receive a high school diploma. Notably, Plymouth South High School Technical students were among the highest performing vocational schools in the state (4th out of 28 schools). Overall, Plymouth 10th grade student averages compared quite favorably in all instances against statewide student averages:

PLYMOUTH VS STATEWIDE

COMPETENCY DETERMINATION RESULTS Grade 10

Note: Performance level results for the 2001 MCAS tests include students who participate in MCAS through the Alternate Assessment and students in out-of-district placements.

Most of the students who have not yet passed the diploma requirement are within several points of passing and will have 3 more chances to demonstrate their competency.

SAT's

Sixty-three percent of the Class of 2001 took the SAT at some time during their high school careers. The Verbal mean score for the school system was 515 and the Math mean was 521. These scores represent an increase of four points in the Verbal and 14 points in the Math. State and national Verbal and Math means were 511, 515 and 506, 514 respectively. In 1991, 65% of the graduates took the SAT. The mean scores that year, with 54 fewer students taking the exam, were 498 and 487.

Two members of the Plymouth South High School Class of '02 received an 800 on their SAT's. The class of '01 had verbal SAT scores at or above both the state and national verbal averages for the seventh consecutive year. One member of the class of 2001 (from Plymouth North High School) received a score of 800 on the math portion of the SAT exams.

Advanced Placement Examinations

(These tests are scored on a 1-5 scale, with 5 being the highest. Colleges typically award credit for scores of 3 or higher)

Twelve Plymouth students were named AP Scholars by the College Board by virtue of their scores on three different AP exams (up two from last year). In addition, six others were named AP Scholars with Honors by virtue of their performance on four AP exams. Two students were named AP Scholars with Distinction by scoring a 3 or better on five AP exams.

Every student but one taking Calculus AP took the AP exam. Over 90% of the students scored a 3 or above (national average is about 60%) and nearly 45% scored a 5 (national average is approximately 20%).

Student Academic Awards and Achievements

Eight Plymouth students received Letters of Commendation from the National Merit Scholarship Corporation by virtue of their PSAT scores.

The 2001 graduating class had two students accepted to Ivy League Colleges. In addition, one student was accepted to the US Military Academy.

Twelve Plymouth Public School students were awarded the prestigious Grace and Alfred Nye Scholarships.

The Plymouth North High School Math Team placed second in its division and participated in the State Finals on April 6th. Approximately fifteen students participated and the team placed eighth in the Southeastern State Math League.

Plymouth North High School DECA (Designing Educational Career Alternatives) joined with ten other District I schools to compete in various business and marketing events. Plymouth North was very successful earning 70 awards including 10 trophies, 38 medals and 22 plaques. Of the forty-seven students who attended, thirty-nine went on to the State DECA competition. Thirty-five of the thirty-nine students from Plymouth North received awards. A record twelve students qualified to compete on the national level. Plymouth North DECA has also been involved with the Cyberspace program of TITAN. Two of our teams were involved in the final round of competition at MIT in December and finished eighth in the state.

The Plymouth North Quiz Bowl team took first place, which also qualified them for nationals.

Activities

Plymouth Public Schools received an Academic Support Services Program Grant for MCAS remediation from the Massachusetts Department of Education in the amount of \$145,600. This grant money was used to fund PROJECT S.A.I.L. There were three separate PROJECT S.A.I.L. programs, which provided English Language Arts and math tutoring, and test-taking strategies in a small-group setting.

Students in Grades 8 and 10 were able to attend an MCAS preparation program during both February and April school vacations. During June and July a seventeen-day MCAS remediation program was held for students entering Grades 6 through 10. Two hundred thirty students participated in these programs. Money from this grant was also used to partially fund a summer Title I and Head Start collaborative early literacy program for students in Grades 2 and 3.

The Special Progress Report for the New England Association of School and Colleges was submitted October 30, 2001, by Plymouth South High School.

Plymouth South High School drama department performed "Love By The Bolt," a French comedy, in the auditorium.

The chorus, band, men and women's choir, color guard and winter percussion performed at Plymouth South High School. All of these groups won silver medals in Washington D.C.

The second annual Women's Madrigal and Men's Choir Dinner Theatre was held in the Plymouth South High School Cafetorium.

The annual Holiday Concert by the Plymouth North High School vocal department was held in the auditorium. Proceeds of the concert benefited the New York Police and Fire Fighters and The Widows and Children Fund.

Plymouth North's wood shop in room 224 has been renovated and enhanced with the addition of a 20-station computer-aided design lab. This new technology will emphasize the design-build process and provide the technical skills necessary in today's economy. As always, students will be able to create projects of all sizes in a hands-on environment.

Plymouth North's downstairs computer lab has been completely upgraded with 30 new DELL Pentium III stations. These machines will provide more speed and capability for the many students and staff who utilize this facility.

The Massasoit Chapter of the National Honor Society at Plymouth North High School has been active in community projects. It has raised over \$1,500 for

Easter Seals in a basketball shoot-a-thon, raised over \$600 by participating in the M. S. walk, and has held two successful blood drives.

Members of the Plymouth North Student Council were involved in the Preschool Fun Fair held. This community service was held in conjunction with the Council on Aging.

The Plymouth North Student Council hosted a back to school lunch on August 30th and treated the faculty to a delicious "appreciation breakfast" on March 13th. Members created a senior citizens' computer program to take place after school and on Saturdays. Following the September 11th bombing in N.Y., the Plymouth North Student Council sponsored a combined benefit featuring different bands formed by Plymouth North and Plymouth South students. Proceeds went to the Disaster Relief Fund and Rick Rodman Memorial Fund.

A student at Plymouth North High School was a winner in the Martin Luther King, Jr. Essay Contest sponsored by the Plymouth Area Interfaith Clergy Association.

A member of the Plymouth South High School Class of '02 was invited to the prestigious Breadloaf Writers Conference during the summer of 2001; she also won a national prize for her writing from the National Council of Teachers of English. She is the first national winner from Plymouth South High School.

Two members of Plymouth South's class of '02 have participated in international science fairs, one in the Intel International Science Fair, and the other in the International Science and Engineering Fair. One student's project related to the cranberry industry and led to a research internship at Ocean Spray and a position as a field technician at the UMASS Cranberry Experiment Station – she is also an "A+ Student" by Channel 5/WCVB News for January.

Plymouth Community Intermediate School was selected by PC Family Magazine as one of the "The Top 100 Wired Schools" based upon available technology and the use of technology as a teaching and learning tool. Our unique "Homework Heroes" program for grade 8 students was recently recognized in the Boston Globe. The PCIS School Council of parents, staff and community representatives created the Homework Heroes program.

Plymouth Community Intermediate School students have dramatically increased their participation in all types of after school programs but particularly in community service activities, including The Presidential Afghan Children's' Fund, the NY Victims Fund, Toys for Tots, the Plymouth Festival of Trees and several large local food and gift drives.

Plymouth South Middle School students rose to the occasion to help after the September 11th tragedy. Students, parents, and staff combined helped raise over \$5000.00 for the Red Cross Disaster Relief Fund.

Plymouth South Middle School's grade six teams designed hundreds of beautiful patriotic bookmarks and collected donations for the bookmarks at the Kingston Mall. Students raised \$947.00 for the American Red Cross!

Plymouth South Middle School held its 3rd Annual Charity event to raise money for the American Cancer Society. Hundreds of students and staff raced over a 1.4-mile course around the South Middle and South High School athletic field, including the massive rock on the school's campus. Last year students and staff raised over \$1,200 for the Easter Seals Society and the year before all monies were donated to the SIDS Foundation. Staff and students raised over \$800.00 in the Annual Run Past the Rock.

Staff at Plymouth South Middle School raised over \$600.00 for the Susan G. Komen Breast Cancer Research Fund by participating in Lee Denim Day. Staff members made a monetary donation and wore denim and pink clothing to work. This is the 3rd annual event.

For the third year in a row, a Plymouth South Middle School Art Teacher, the student volunteers of the Hospice Tree Club, and student volunteers from the PSMS Arts & Crafts Club decorated a Christmas tree for the Festival of Trees at Plymouth Plantation. This year's theme was "A Salute to those who Protect our Freedom". Pinehills, L.C.C. sponsored the tree and made the monetary donation necessary for the tree to be entered.

Plymouth South Middle School students look forward to the 3rd annual Jump Rope for Heart. Last year students raised close to \$8,000.00 for the American Heart Association, nearly doubling their first year's total. Students obtain sponsorships and compete in jump-rope competitions.

Forty-five students district-wide from grades K-1, 3-5, 6-8, and 10-12 from nine of our schools were selected in May 2001 to participate in the annual Poetry Celebration at Cape Cod Community College sponsored jointly by the Massachusetts Council of Teachers of English and the Cape Cod Consortium of Language Arts Teachers. This number represented nearly forty-five percent of the total participants representing schools from Plymouth, the Cape and the Islands.

A senior at Plymouth North High School, and a senior at PSHS, were the recipients of 2001 National Council of Teachers of English Achievement Awards in Writing. Only about 200 students nationwide are singled out for this honor.

The fifth annual issue of *Voices*, an Educators' Journal of the Plymouth Public Schools, was published.

The fifth annual issue of *Young Voices*, a system-wide anthology of outstanding poetry written by students from grades K-12, was also published. Students participated in a reading of their work at a very well attended district-wide poetry celebration in May.

Currently the Plymouth North Math Team is in second place in their division for the 2001-2002 school year.

Plymouth Community Intermediate School had an academic math team that participated in the MATHCOUNTS competition and hosted the Southeastern Massachusetts competition.

Plymouth Community Intermediate School and Plymouth South Middle School students received awards at the Geography Fair held at Bridgewater State College in November sponsored by the Southeastern Massachusetts Geography Network (SEMAGNET). Awards were received in all three categories (first, second and Honorable Mention) and in two grade ranges (four to six and seven to nine).

Students from Plymouth North High School and Plymouth South High School were chosen to represent their schools in Boston at Student Government Day.

Plymouth North High School had students participate in the Model UN conference in Boston.

Plymouth South High School students participated in the VFW essay contest; one first place winner will be entered in the state competition.

Students from an economics class at Plymouth South High School participated in the "Fed Challenge" at the Federal Reserve Bank in Boston.

At the International Science and Engineering Fair in San Jose, California, students from both high schools were awarded one 1st place, two 2nd places, and one 3rd place.

At the Massachusetts State Middle School Science Fair at Worcester State College students from both middle schools were awarded one 1st place, one 2nd place, and two 3rd places.

At the Massachusetts South Shore Section V Science Fair at Bridgewater State College in March 2001 students from both high schools were awarded one 1st place, two 2nd place, and three 3rd places.

At the American Chemistry Society United States National Chemistry Olympiad a student from Plymouth South High School placed in the top 20 of the

Northeast section and then placed in the Honors division of the National Competition.

The science program of both Plymouth North High School and Plymouth South High School is experiencing a significant increase in the participation of students in the advanced Chemistry courses with a number of the students scoring among the highest levels of the SATII exam.

The Plymouth Public Schools science program is continuing its fine reputation of having a large number of students enrolled in Advanced Biology Courses with a significant number of the students scoring perfect scores in the AP Biology Exams.

The Plymouth Public Schools science program hosted the National Science Education Leadership Association's Summer Institute this past July. Over 220 participants and presenters traveled from 28 states to visit our schools, and to view how we are implementing advanced instructional technology in our districts science programming.

The Health, Physical Education, Guidance and Family and Consumer Science departments have completed the revision of the Comprehensive Health curriculum. The School Committee approved the curriculum in September.

The Health Education department is providing before, during and after school prevention programs through four grants: Health Protection Fund, Safe and Drug Free Schools Grant, Safe Schools Grant and the Teen Dating Violence Grant.

Plymouth Pubic Schools, along with the Town of Plymouth, are participating in the No Place For Hate Campaign sponsored by the Anti-Defamation League.

"Health and Academics" is a multimedia program being presented by the Health and Health Services department to school councils. The purpose of the program is to inform the public about the relationship between Comprehensive School Health and Academic achievement.

Indian Brook Elementary School's front lobby features a bulletin board full of photographs. This bulletin board was designed to highlight students learning in a variety of ways. Students are photographed enjoying enrichment programs presented at our school. Other photos show students engrossed in learning activities in their classrooms. Additional photos show students enjoying themselves on field trips. No matter where the learning takes place, Indian Brook is capturing the moment and sharing it with our community through this ever-changing bulletin board.

Indian Brook Elementary School has a cluster of volunteers that assist our staff with varied tasks. Our volunteer program was established so that our school would have trained individuals using the copy machines and other equipment. It is hoped that proper use of all machines will maintain them and reduce the number of breakdowns that occur.

Due to the tragedy of September 11th, Indian Brook instituted a fundraiser. At the end of the program we had the students make estimates as to how much money had been collected. The student from each grade with the closest estimate was chosen to present the check to a fire department representative who will forward it to the New York Firefighters Scholarship Fund.

Cold Spring Elementary School won first place in the U.S. Environmental Protect Agency's Earth Artist Program.

Staff Achievements and Activities

In May, Kathleen Babini, Social Studies Coordinator, received the Social Studies Supervisor of the Year Award from the Massachusetts Council for Social Studies.

Mary Callahan, Vice Principal of Plymouth North High School, has been named the Massachusetts Assistant Principal of the Year by the Massachusetts Secondary School Administrators Association (MSSAA), as part of the McDonald's/NASSP (National Association of Secondary School Principals) Assistant Principal Recognition Program.

Sharon Jeffery, Plymouth South Middle School Science Instructor, is a member of the MCAS 5th grade Science Test Development Team.

Larry Palagi, Social Studies Teacher at PCIS was presented the John Riley Geography Teacher Award for 2001 at the SEMAGNET Geography Fair.

Nicola Micozzi, K-12 Science Coordinator Plymouth Public Schools, was elected President-Elect of the National Science Education Leadership Association. He directed the National Science Education Leadership Association's Summer Science Leadership Institute.

Warren Phillips of Plymouth Community Intermediate School was a Massachusetts Finalist for the Presidential Award of Excellence.

Dr. John Swanson, Chemistry Instructor at Plymouth North High School, is a member of the MCAS Chemistry Test Development Team and Chairman of the Town of Dartmouth building committee that is building the new Dartmouth High School.

A number of Plymouth Community Intermediate School teachers have received state and national recognition. We now have four National Board Certified Teachers Virginia Marconi, Warren Phillips, Rachel Babcock, Rebecca Hoey. The runner-up to Massachusetts Teacher of the Year is a PCIS teacher and we have a finalist for Presidential Science Teacher of the Year for American Middle Schools. Another PCIS teacher, Jolie Chafee, has had her class web site selected as a best bet by USA Today.

The National Board for Professional Teaching Standards recently recognized South Elementary School fourth grade teacher, Michelle Cusolito, as a nationally board certified teacher. Michelle achieved national board certification because of the quality of her instructional practices, her contributions to South Elementary School and to the Plymouth School district, and her achievement on a rigorous examination assessing teaching practices and methodologies. Michelle is the first elementary school teacher in Plymouth to achieve such a distinction.

Technical Studies

Automotive

- Serviced or repaired vehicles and small engines brought to us from the public including some lawnmowers and snow throwers.
- Finished rebuilding and installing the engine on a 1987 Monte Carlo Chevrolet (ongoing shop project).
- N.A.T.E.F. certified our program in all eight areas.
- Placed two seniors on co-op in the community.
- Updated texts to comply with N.A.T.E.F. certification.
- Updated manual software to stay current.
- Retirement of Automotive Instructor Bill Fairbanks, after 30+ years of service.
- Installed a wireless network connection for the ability to search AllData's Internet site for current service bulletins.
- All seniors are either working in the field or are currently in the Armed Forces.

Culinary Arts

- Hosted the 5th Annual Southeastern Cake Show & Competition. We won many awards including "Best of Show." Colleges are so impressed by the students' work that they are offering scholarships to the winners.
- Catered many school and community events such as the Council on Aging, Tech Advisory Dinner, Chamber of Commerce, Public Library, Dinner Theatre, Graduation, and Honors Dinner.
- We now offer both a full breakfast and luncheon menu.
- Upgraded all of the bakery cases.
- In the process of building booths for the dining room.
- We have installed updated equipment in the kitchen.

- Received in the VICA Competition: 2 medals in dining room, 1 medal on the hot line, and 1 medal in the bakery.
- Former culinary students now in college have returned to give demonstrations to our students.

Computer Science

- Received Bronze Medal in Technical Computer Applications at the District VICA Competition.
- Sent one student to the State VICA competition for Technical Computer Applications.
- Sent two students to this year's VICA Leadership Conference. Received a Bronze Medal in Team Profile.
- Third teacher added to the afternoon program allowing the curriculum to expand to include engineering layout, design and concepts.
- New equipment purchased to support 3D animation software.
- Supported the implementation of the Skills Plus skill management and tracking system.

Marketing

- Developed marketing strategy for the Tech Studies raffle of a refurbished sailboat that generated over \$9,000.00 in revenue for the Tech Studies program.
- As part of the boat raffle marketing plan:
 - Students wrote and acted in a television commercial, which appeared on over a dozen cable television stations including CNN, ESPN and VH-1.
 - Students worked with CAM-TECH Videography who donated their services in co-producing the television commercial.
 - Provided over \$9,000.00 worth of free TV advertising by working with a representative of Media Partners.
 - Students worked with owner of WATD in writing and recording radio commercial, and obtaining commercial airtime at no cost.
 - Students made arrangements with the office of Rep. Vinny deMacedo for him to draw winning ticket for boat raffle.
- Sold \$3,800.00 worth of advertising in the Plymouth South Athletic Book.
 - Students collated direct mail pieces that were sent to businesses and parents.
 - Developed order forms and record-keeping forms for parent and business advertising.
 - Students conducted personal sales calls and telemarketing to local businesses.
- Conducted successful grand opening of school store for fifth year in a row.

- Over 50% of DECA students received awards and competed at state competition.
- Sent 33 students to DECA District competition — an increase of 43% over last year.
- Three students finished in the top three in the state for the Massachusetts DECA Marketing competition.
- Marketing Education won the much-coveted DECA Spirit Award. Over 50 schools compete each year for this trophy.
- Five Marketing students attended the National DECA Marketing competition in California.
- Students designed, organized, and managed a Fashion Show Fundraiser to benefit the New York City High School for Leadership, located yards away from the World Trade Center. Students then hand-delivered the \$2,300.00 check to New York City.
- The school store increased sales by more than 30% through a wider candy and clothing selection, consistent availability of flowers, and seasonal promotions.

Electrical

- Designed and installed wiring for many projects throughout the Plymouth School system.
- Provided temporary power and wiring for the Cranberry Hospice Festival of Trees.
- Graduating seniors, Michael Antosca and Michael Ross, received the IBEW Industry Recognition Award.
- Electrical students took all three VICA Skills awards at the Southeast District Industrial Motor Control competition. Junior Ryan Kegel won the state Bronze Medal in that event.
- Wired three residential building projects for town residences.
- Designed and installed power and data wiring for world language lab at PSHS.
- Wired two cabins at Camp Clark.
- Installed new lighting and ceilings in the school store and the school restaurant.
- Installed wiring for the Plymouth Guild Art Show.
- Wired a heater for the weightlifting area in the PSHS gym.
- Designed and installed power for Tech Expo at both the Plymouth Middle and Plymouth Community Intermediate School.
- Installed equipment for the new computer center in the Electrical shop.

Electronics

- Introduced wireless network technology to electronics shop.
- Completed setup of wireless computers at Plymouth South and Plymouth North High Schools.
- Finished first place in the New England Electrathon Competition with local sponsorship from Entergy.

- Increased the academic and tech enrollment of the program.
- All seniors qualify for co-op and jobs have been found for all interested students.
- Continued upgrading and maintaining computers at PSHS as well as around the district.
- Continued the refurbishing, upgrading, and sale of obsolete donated computer equipment.
- Installed a new sound system in the school restaurant and café.

Graphic Arts

- The Graphic Arts Department has the following curriculum: students enrolled are receiving classroom and hands-on training in graphic design, desktop publishing, camera, darkroom, stripping, direct imaging, plate-making, offset press, bindery, silk screening, and photography.
- Upgraded our capabilities and can now do large format printing and laminating.
- Added a new Xerox Docutech 6115 and a Xerox 2045 High Speed Color Digital Printer.
- Two of our students won Gold Medals at the VICA Leadership Conference.
- Continuing to print and design for the Plymouth School System, the Town of Plymouth, and outside customers.
- Collaborating on an ongoing basis with all class advisors and their students on projects.
- A number of our students have gone on to further their education and others are working in the graphic arts field.

Computer-Aided Design

- Visit to Shichigahama, Japan (Plymouth's sister city) with three CAD students to study their architecture and designs. We will be using this experience to design a traditional Japanese bell tower to be constructed by the Carpentry students and installed in the Town of Plymouth.
- Upgraded computers in one CAD lab and implemented new networking protocol.
- Installed AutoCAD 2001 software on all computers.
- Continued with AutoDesk ACES (AutoDesk Comprehensive Education Solution) program, which includes all the programs that AutoDesk produces along with 3D Studio MAX and Character Studio.
- Continued with jobs on the outside for different community organizations and individuals.
- All graduated seniors from Tech Studies went on to continue their education in either a technical institute, 2- or 4-year college..

House & Mill Carpentry

- Constructed a bulletin board wall covering for Plymouth South High School.
- Refinished sawdust collector bin behind the cabinet shop.
- Constructed and installed a new oak office for Mrs. Anthony in the main office at PSHS.
- Built seven storage sheds of different styles.
- Constructed and installed drama set for "Barefoot in the Park."
- Built a bookcase for Cosmetology Department.
- Designed and built a set of kitchen cabinets.
- Constructed a trophy case for the Music Department.
- Placed 1st, 2nd and 3rd at the Skills-USA VICA District competition; placed 1st and 2nd at the State competition.
- Placed three students in the Co-op Program.

Metal Fabrication/Welding

- Eight (8) students qualified for State competition in Skills USA VICA.
- At District competition, won three Gold Medals, two Silver Medals, and two Bronze Medals.
- Article on welding program written in National Welding Society Inspection Trend magazine.
- One hundred percent of student's share of cost for State VICA competition donated by businesses with metal fabrication/welding co-op students.
- Placed six students on co-op.
- All of the Class of 2001 graduates are working in the trade or attending college.
- Performed many jobs for school department such as repair of tables, chairs, football stadium railings, and parking lot lamppost casting.
- All seniors graduated with a welding or tack weld certification using the American Welding Society standards.
- Started construction of various components for the Sandy River Railroad in Maine.
- Upgraded welding capabilities with purchase of syncrowave welding machine.

Plumbing

- Completed a variety of repairs throughout the schools at all elementary, middle, and high schools.
- Remodeled a house with complete new plumbing including waste pipe, water pipe, a full bath, kitchen sink, and a washing machine hook-up.
- Installed new plumbing in a new addition; a full bath with new waste, vent, and water pipes.
- Completed a variety of repairs at Camp Clark.
- Assisted in decorating for hospice Festival of Trees.
- Placed several students in career-related co-op jobs.

- Received several tool scholarships for seniors from local businesses, Master Gasfitters Association, and Massachusetts Charitable Mechanic Association.

Child Care

- The program provided:
 - Middle school tutors in the language arts/writing program.
 - Tutors for the high school Special Education Department.
 - Mentor program for the Plymouth Public Schools disabled students (ages 6-12).
 - High school student interns at South Elementary School, Plymouth South Middle School, and Mt. Pleasant Developmental Preschool.
 - YMCA before-school child care program assistants; YMCA after-school child care program assistants.
 - Hospital volunteer.
 - Skills-USA VICA State Officer.
 - Dennis-Yarmouth special needs summer camp.
 - Plymouth Community Partnership for Children Early Childhood Fair participants
 - Sandwich Community School summer program volunteer.
 - Pop Warner cheerleader coaches and instructors.
 - "Learn to Skate" instructor.
 - PSHS Old Colony Memorial "Adopt-A-Child" – 2000 1st Place winner; 2001 2nd Place winner.
- Skills-USA VICA National 1st Place winner – Kelly Kuhn received the Gold Medal in Pre-School Teaching. This award is granted to only one student nationwide, and we are proud it was awarded to one of our students in Plymouth.
- Twenty students earned infant-toddler teacher certification and preschool teacher certification from the Massachusetts Office for Children.

Cosmetology

- Several students were sent to the Skills USA VICA state competition.
- Designed and implemented all hair and make-up for the Madrigal Choir, Spring Dinner Theater, and Fashion & Talent Show.
- Attended the New England Beauty Expo in Boston.
- Took the senior class to New York City for two days to attend the International Beauty Show.
- Of the senior class, 100% received their Cosmetology Operator's License.
- Placed several students in area salons for co-op assignments.
- Instructors attended the National Cosmetology Educators of America Conference in Las Vegas, Nevada.

- Implemented special "Days of Beauty" for senior citizens within the local community.

Marine Technology

- Restored and raffled off a 19-foot O'Day sailboat, the proceeds going to Tech Studies.
- Repaired and serviced over twenty boats.
- We are involved with integration projects with several shops including Automotive, Metal Fabrication, and Marketing.
- Expanded curriculum to include boat handling and out-drive service.
- Sent student to compete at Skills-USA VICA in the Job Skill demonstration contest.

Early Childhood Education

Community Partnerships for Children provides eight Family Literacy Nights to the community at a variety of sites. Parents and children listen to a story, participate in story-based activities and receive a free book.

The Mount Pleasant preschool has received re-accreditation from the National Association for the Education of Young Children. Mount Pleasant preschool has added an additional half-time classroom due to the growth of the town.

Community Partnerships for Children provides Enrichment groups for families with children ages 3 and 4 years of age who do not attend preschool.

The Fifth Annual Early Childhood Fair was held with over 1,500 in attendance.

Title 1

The Plymouth Title 1 Department was again awarded a Goals 2000 grant which insures the continuation of the Parent-Child Home Program, a family literacy program for parents with children ages 2 & 3, to all eighty-three families. Plymouth is one of two communities in MA designated as a training site for the PCHP Program.

Plymouth Public Schools, in conjunction with Plymouth pediatricians, was awarded \$5,000 to help continue the Reach Out and Read Program. Approximately 3200 books have been distributed to families at well-baby visits this year along with the message that reading to children is as important as immunizing them.

The Plymouth Title 1 Program ran a six-week, summer, reading program for 33 first and second graders. This program ran three days per week for four hours

a day. Students demonstrated a NCE gain of 10.3 points. Currently, Title 1 is conducting an extended day program with ELA groups at each grade level in each of the Title 1 elementary schools.

The Plymouth Family Network increased enrollment to 630 families and offered a variety of family support programs for all Plymouth families with children under the age of four. Examples of PFN offerings are playgroups, including intergenerational ones, parenting classes, family activities, and parent workshops, including computer classes.

Athletic Accomplishments

Plymouth South High School

- Jenna Morrison set a Plymouth South school record of 31'4" in the triple jump.
- Kelsey Histen, Ashley Risso, Jenna Morrison and Nichole Hunt set a Plymouth South school record in the 4X400 with a time of 4.24.8.
- Plymouth South volleyball & field hockey teams received the Old Colony League Team Sportsmanship Award.
- Several Plymouth South athletes received Old Colony League All Star Awards:
 - Baseball 2 students
 - Boys Basketball 1 student
 - Boys Soccer 1 students
 - Cross Country 1 students
 - Field Hockey 1 students
 - Football 2 student
 - Girls Soccer 1 students
 - Golf 2 students
 - Softball 2 student
 - Track & Field 1 students
 - Winter Track 1 students
 - Wrestling 5 students
- 1 Plymouth South student received the Pilgrim Conference All Star award for volleyball.
- Several Plymouth South students received All Scholastic honors from the Boston Globe, Boston Herald, Brockton Enterprise and Patriot Ledger.

Plymouth North High School

- Plymouth North had four teams become ACL Champions, boys' soccer, girls' soccer, boys' cross country and baseball.
- Plymouth North field hockey, boy's cross-country and girls track teams received the Atlantic Coast Team Sportsmanship Award.
- Brian Kasarjian was named Player of the Year by the Brockton Enterprise.

- Eric Foley was named Coach of the Year by the Brockton Enterprise.
- Several Plymouth North athletes received Atlantic Coast League All Star Awards:

• Baseball	5 students
• Boys Basketball	2 students
• Boys Soccer	5 students
• Boys Tennis	1 student
• Boys Track & Field	3 students
• Cross Country	4 students
• Field Hockey	2 students
• Football	5 students
• Girls Basketball	1 students
• Girls Soccer	4 students
• Girls Tennis	1 student
• Girls Track & Field	1 students
• Golf	3 students
• Hockey	2 students
• Softball	3 students
• Winter Track	3 students
- 2 Plymouth North students received the Pilgrim Conference All Star award for volleyball.
- 2 Plymouth North students received All Scholastic honors from the Boston Globe, Boston Herald and Brockton Enterprise
- 9 other Plymouth North students received All Scholastic honors from the Brockton Enterprise

Plymouth Public Schools

- Several teams qualified for the State Tournaments:
 - Plymouth South High School
 - Boys Soccer Team
 - Volleyball Team
 - Boys' basketball
 - Plymouth North High School
 - Baseball Team
 - Boys & Girls Soccer Teams
 - Boys Basketball Team
 - Girls Tennis
 - Golf Team
 - Ice Hockey Team
 - Softball Team
 - Volleyball Team
- The sixth Thanksgiving Football game between Plymouth North and Plymouth South was very well attended.

OTHER BOARDS AND COMMITTEES

► INLAND FISHERIES COMMITTEE

Town Brook was again the focus of attention for the Inland Fisheries Committee in 2001. One of two major projects to restore the migration of alewives and blue-back herring between Plymouth Harbor and their spawning waters at Billington Sea was completed in with the replacement of the defunct fish passage under the Newfield Street Bridge. The new aluminum Alaskan steeppass fishway was installed in July. With the anticipated removal of the Billington Street Dam in the summer of 2002, respectable numbers of fish will be able to migrate the complete length of Town Brook again for the first time in more than a decade. Funds for these projects have been provided by grant awards and professional services from a number of state and federal agencies (Mass. Division of Marine Fisheries, Mass. Riverways Program, Mass. Watershed Initiative, Office of Coastal Zone Management, National Marine Fisheries Service, National Fish and Wildlife Foundation, Natural Resources Conservation Service, Fish America Foundation), the Town of Plymouth and a corporate donor (Batelle Ocean Sciences). Plans and the Final Environmental Impact Report were submitted and approved in 2001 for the complete removal of the dam and restoration of the brook to its natural streambed and bank configuration.

2001 was the second consecutive year in which permits were sold for the legal taking of herring from Town Brook. 240 permits were purchased by individuals, who were allowed to take up to 12 fish per day on three designated days per week during a five week period (mid-April to mid-May). Members of the Inland Fisheries Committee oversaw the distribution of the herring at the one legal taking area below the Newfield Street Bridge.

Unfortunately, 2001 also saw the resignation of dedicated, long-time committee chairman Dennis Griffin, who spent countless hours and admirable amounts of energy assuring the function of the fish passages at all five dams along Town Brook. It was Dennis, who pressed for the reinstitution of herring permits and who organized the staffing of the herring distribution at Newfield Street. We thank him for his tireless commitment and wish him well. 2002 opens with the search for volunteers so it will be possible to continue with this program.

► PLYMOUTH CONTRIBUTORY RETIREMENT SYSTEM

In the calendar year of 2001, the Town of Plymouth Contributory Retirement System continued its primary function serving in the interest of its members and their beneficiaries in accordance with the Massachusetts General Laws, Chapter 32, and the rules and regulations promulgated by the Public Employee Retirement Administration Commission, as well as the rules and regulations adopted by the Retirement Board and approved by the Public Employee Retirement Administration Commission (PERAC).

The Retirement Board in the year 2001 was comprised of the following individuals: Patrick D. Dello Russo, Chairman and ex-officio Board Member as Director of Finance; Richard Manfredi, Vice-Chairman, the Town's Director of Inspectional Services, elected by the membership; Thomas M. Kelley, Plymouth Police Officer, elected by the membership; Shawn Duhamel, a legislative liaison to the Retired State, County, and Municipal Employee Association of Massachusetts, appointed by the other Retirement Board members; John E. Murphy, Jr., appointed by the Board of Selectmen. Mr. Murphy also serves as the conference planner for the Massachusetts Association of Contributory Retirement Systems.

The Retirement Board accepted a new methodology to be used in its actuarial valuation beginning with—Fiscal Year 2003. The actuarial valuation methodology used, includes the following aspects: the use of asset smoothing; a three and one-quarter percent amortization table; an eight and one-half percent interest rate; a five and one-half percent salary increase assumption; a twenty-six year funding schedule; a RP 2000 mortality table to update life expectancies; and an assumption of granting a cost of living allowance, up to the maximum permitted by law, of three percent annually. As part of the valuation study, from the basic demographic information provided, the employees' contributions to the system continue to be larger than that of the Town's contribution.

Keeping within its fiduciary duty and a careful review of the fund, the Retirement Board voted to grant a three percent cost of living increase to its retirees and survivors, to be effective on July 1, 2001. The cost of living was awarded to those members who retired prior to June 30, 2000 in accordance with Massachusetts General Laws, Chapter 32, Section 103.

During this calendar year, the Retirement Board carefully watched and instituted several investment modifications, as were deemed prudent and fiscally beneficial to the Fund.

The financial statements of the Plymouth Contributory Retirement System, for the year ended December 31, 2000, were audited by the Accounting Firm of

Powers & Sullivan. The audit was conducted in accordance with accepted auditing standards, and the Commonwealth of Massachusetts' Division of Public Employee Retirement Administration, Rules and Regulations 840 CMR 25.00. The retirement system was found to prepare its financial statements without error in accordance with reporting practices prescribed by the Commonwealth of Massachusetts' Commission of Public Employee Retirement Administration Commission.

In the Retirement Board's continuing effort to keep informed and serve its membership, the Plymouth Retirement Board and staff attended several conferences during 2001, including the Massachusetts Contributory Retirement Systems Conference, the Massachusetts Symposium on Public Employee Retirement Benefits meeting, Public Employee Retirement Administration Commission Training Seminars, Massachusetts Municipal Association in conjunction with the Massachusetts Pension System seminar and TACS, the Retirement System's software provider.

The Retirement Board complied with outside agencies in response to requests for information as needed. Some of the agencies requesting information were the Department of Equal Employee Opportunity Commission, Department of Revenue, Bureau of Census, Public Employee Retirement Association Commission, Plymouth Retiree Association, Internal Revenue Service, Contributory Retirement Appeal Board, and the Retired State, County, & Municipal Association of Massachusetts.

The Retirement Board was proud to acknowledge that Thomas Kelley, elected Board member, successfully completed Level II of the Chartered Pension Professional Certification Program.

In 2001, the Retirement Board implemented several changes in how a retirement allowance should be calculated, as instructed by its regulatory authority, Public Employee Retirement Administration Commission (PERAC). The allowances of approximately fifty individuals, as well as survivors were recalculated and adjustments were performed.

ANNUAL DATA

Retirements	15
Refunds to terminated Employees and Transfers	43
Total New Members	90
Deaths (Retirees)	16

► 1749 COURT HOUSE MUSEUM

Season 2001 saw Court House Museum attendance fall off sharply after September 11. The season finished with 8400 as a final visitor count for the year. On December 8 a serious accident was discovered when preparations were made for the winter. The emergency light battery pack had exploded and spewed acid over contents stored in the second floor robing room, incurring damage to some artifacts.

On a lighter note, the museum was again visited by people from all around the world, but did experience a noticeable drop in visitors from Asia.

Special events at the museum included a joint venture in March with the National Park Service's Adam's site in Quincy. A reenactment of the Boston Massacre in Town Square involved participation by several local children and a reenactment of the trial of the soldiers who were defended by John Adams followed in the courtroom.

Local re-enactors participated at various events throughout the season, including John Stanwick from the National Park Service and Michael LePage, portraying Judge Peter Oliver and Edwin Page as the prosecutor.

The museum participated again in the annual national July 4th bell ringing ceremony in which the fire bell is rung 13 times, once for each of the original 13 colonies. A certificate of participation by the town was delivered by the museum director to the Assistant Town Manager. The museum also participated in a local historical event held on November 17th.

The current director has completed his 6th year of employment. The minimum wage has increased significantly over the past few years with no adjustment to salaries or appropriation to the committee. This has resulted, regrettably, in a reduction in hours of operation.

Robert Bavelock
1749 Court House Museum Director

Beverly Ness, Chairperson
1749 Court House Committee
